**Smart management, historic tax cuts promote positive job growth in New Hampshire**

Concord, NH: House Speaker Sherman Packard (R-Londonderry) released the following statement after seeing the recent jobs numbers report for New Hampshire:

“Thanks to smart management through the pandemic, and historic tax cuts across the board, New Hampshire can enjoy the good position that it is in today. The most recent jobs numbers show impressive job growth and a significant drop in the unemployment rate. Legislators will continue to work on improving the economic future of New Hampshire to ensure it is the best place in which to work, live and raise a family.”
