Sen. Bradley statement on SB 274 – making bidding process on state construction contracts more competitive

CONCORD, NH – Senate Majority Leader Jeb Bradley (R-Wolfeboro) issued the following statement today regarding SB 274:

“This bill will simply ensure that the bidding process for state government projects is open and competitive. Inserting pre-arranged labor agreements into the bidding process shuts out some firms and drives up costs for taxpayers. Both union and non-union companies should be able to bid for state contracts on equal footing without project labor agreements rigging the process.”

SB 274 passed the Finance Committee on a vote of 5-2.
