Senator Carson Presses for Border Protection

Concord, NH – Majority Leader Sharon Carson (R-Londonderry), issued the following statement on the recent arrest of human smugglers crossing New Hampshire’s Northern Border:

“The recent arrest for human trafficking across the Canadian border further demonstrates that we are not facing one border crisis, but two,” stated Senator Carson.

“That is why we supported funding for enforcement along our Northern Border and opposed the creation of sanctuary cities in New Hampshire. We need to enforce our borders in order to protect our state.”
