N.H. LEGISLATIVE GOLF CLASSIC SLATED FOR JUNE 26 AT LOUDON COUNTRY CLUB TO SUPPORT LIBERTY HOUSE

CONCORD, N.H. – New Hampshire legislators from both parties will be coming together in common cause on Monday, June 26, when they'll gather on the golf links at Loudon Country Club for a charity golf scramble to benefit Manchester's Liberty House:

State Representatives Jim Maggiore (D-North Hampton) and Mike Moffett (R-Loudon) made a joint announcement following the March 16 House session to alert fellow members about the return of the Legislative Golf Classic.

"We're looking forward to an enjoyable event where proceeds go to a great cause," said Representative Jim Maggiore. "And we're excited about coming together for a great barbecue and social afterward."

The Golf Classic will feature putting contests, a nearest-the-pin contest, and a longest-drive competition. There will be raffles and numerous door prizes as well as special guests.

Representative Jim Maggiore added that "a "Hole-in-One" contest could win a golfer a new Prius." "Or a pick-up truck," said Representative Michael Moffett. He continued: "Some of our country club Republicans may be looking for something bigger!"

The event is open to anyone and everyone looking to have fun while also mixing and mingling with lawmakers to raise money for Liberty House, which for years has been assisting homeless veterans to transition to more positive and hopeful circumstances. Previous legislative softball events have raised approximately \$40,000 for the Manchester facility.

For more information about the Legislative Golf Classic or to reserve a spot, please contact Rep. Maggiore at Jim.Maggiore@leg.state.nh.us or Rep. Moffett at michael.moffett@leg.state.nh.us.
