5 3 Expenditures; General. The appropriations made for the purposes mentioned in sections 1
6 and 2 of this act, with the exception of appropriations in paragraph XV of section 1, and the sums
7 available for those projects, shall be expended by the trustees, commissions, commissioner, or
8 department head of the institutions and departments referred to herein; provided that all contracts
9 and projects and plans and specifications therefor shall be awarded in accordance with the
10 provisions of RSA 21-I and RSA 228.

11 4 Land Acquisition. Any land acquired under the appropriations made in sections 1 and 2 of
12 this act, if any, as may be acquired under the appropriation shall be purchased by the commissioner
13 of the department of administrative services or the commissioner of the department of
14 transportation with the approval of governor and council.

15 5 Bond Authorized. To provide funds for the total of the appropriations of state funds made in
16 sections 1 and 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the
17 state not exceeding the sum of \$ 322,972,089 and for said purposes may issue bonds and notes in the
18 names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.
19 The source of funds are as follows: general fund \$109,788,718, highway fund \$14,845,000, and other
20 funds \$16,288,000.

21 6 Payments.

22 I. The payment of principal and interest on bonds and notes issued for the projects in section

1 thereof may be transferred by governor and council, to any other individual project or projects, which
2 are also fully funded by state funds, within the same section and from the same funding source,
3 provided that prior approval of the capital budget overview committee is obtained.

4 9 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for
5 any project provided for by sections 1 and 2 is determined on the basis of an estimate of anticipated
6 federal, local, or other funds, and if the amount of such funds actually received or available is less
7 than said estimate, then the total authorized cost for such projects and the net appropriation of state
8 funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or
9 other funds are reduced. The amount of bonding authorized by section 5 shall be reduced by the
10 amount that the appropriation of state funds is reduced pursuant to this section.

11 10 Bureau of Public Works Design and Construction Inspection Services; Davis-Bacon Act
12 Compliance. The appropriations for those projects which are managed by the bureau of public works
13 design and construction, department of administrative services, may be expended to fund temporary
