AGENCY	096	TRANSPORTATION DEPT
ACTIVITY	AER964010	AERO, RAIL & TRANSIT FND 10

**Bureau of Aeronautics (Acct. Unit: 21070000)**- Perform all Aeronautics functions including, regulatory, aviation registration programs, development of the State Airways System through capital airport infrastructure projects, aircraft accident investigations, maintenance of state owned air navigational aids, administrative functions, and the purchase of related safety products for the Bureau of Aeronautics' staff. In addition, Aeronautics has been managing all issues related to Unmanned Aircraft Systems (UAS). The UAS program/industry is expected to expand in the future, therefore it is expected that personnel time spent in this area of aviation will increase in the next biennium and beyond.

**Bureau of Aeronautics (Acct. Unit: 20210000)**-Federal funds flow through the Bureau for airport infrastructure projects.

**Bureau of Aeronautics (Acct. Unit: 20290000)**-Revenue derived from the Airway Toll (Aircraft Fuel) fee. Funds to be expended for Aviation related projects.

**Bureau of Rail and Transit (Acct. Unit: 29160000)**- Perform and manage all Transit functions, including compliance and oversight, grant and contract management, financial management, training and technical assistance, and vehicle procurements for rural public transit systems, specialized transportation providers and commuter and intercity bus providers that access and receive Federal Transit Administration (FTA) funding through the Department.

**Bureau of Rail and Transit (Acct. Unit: 29310000)**- Perform track inspection, safety investigations, and accident investigations in cooperation with the Federal Railroad Administration (FRA) on approximately 445 miles of active state-owned & privately-owned railroad lines in NH, conduct railroad property management activities for approximately 540 miles of state-owned railroad lines, manage operating agreements for approximately 203 miles of active state-owned railroad lines, manage railroad revolving loan program and FRA grants, conduct railroad planning activities related to railroad ROW acquisitions and dispositions, and participate in railroad legal proceedings as necessary.

**Bureau of Rail and Transit (Acct. Unit: 29910000)**- Perform rail infrastructure inspections on approximately 540 miles of state-owned railroad lines, responsible for approximately 160 annual bridge inspections, perform railroad project development and engineering reviews for projects that occur on or impact the state-owned railroad ROW, prepare project specifications, manage funds for maintenance and repairs on state-owned railroad lines and bridges and reimburse operating railroads, and distribute funds to municipalities through which state-owned railroad lines operate.

**Bureau of Rail and Transit (Acct. Unit: 20500000)**- Federal funds for state-contracted bus services and improvements and maintenance of state-owned bus terminals. Funds will either be utilized by Department staff managing projects or will flow to operators managing facilities and bus services under contract to the Department.

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
1 - 2020	81,392	100% G	<p><b>Aeronautics (21070000).</b> Per, RSA 422, The New Hampshire Aeronautics Act, the New Hampshire Department of Transportation (Department), Bureau of Aeronautics (Bureau) is the aviation regulatory agency for the state and is responsible for the oversight of the State Airways System. The NH Aeronautics Act centralizes all aeronautical activity and functions to a single state agency to participate in activity essential to progress in aeronautics. The Bureau manages \$30-\$60 million in active Federal Aviation Administration (FAA) Airport Improvement Program (AIP) grants in any given fiscal year. The Bureau has two planner positions that oversee these airport infrastructure projects for 12 federally eligible airports in New Hampshire.</p> <p>There has been a major change in the aviation industry with the increase use of Unmanned Aircraft Systems (UAS) or Drones. UAS is currently a million dollar industry that has now exposed aviation to a larger broad spectrum of the general population and the industry continues to grow rapidly. The FAA expects the UAS fleet to grow from approximately 1 million in 2017 to between 2-3 million aircraft by 2022. The FAA has been steadily working to integrate UAS into the National Airspace System, currently requiring approvals/waivers for operating in certain highly</p>

ACTIVITY	AER964010	AERO, RAIL & TRANSIT FND 10

			<p>performed by state personnel (Examples: Rock Slope inspections, bridge inspections, property survey etc.). Using UAS for these purposes will increase the margin of safety for all state agencies.</p> <p>The Bureau is currently the lead on UAS use for the Department. The Bureau is providing the necessary reviews and approvals for UAS use for the Department’s projects for all modes of transportation. As part of the Department’s Commissioners Directive Aero D1, the Bureau reviews requests from project managers to use UAS, which includes tracking FAA approvals, waivers, and conditions of the NHDOT Statewide Certificate of Authorization issued by the FAA. The Bureau has also provided assistance to other State Agencies in understanding and meeting all FAA rules and regulations</p> <p>In addition to managing UAS, this position will assist in responding to all aircraft incidents/accidents, including UAS. This position will also be the point of contact for the Emergency Operations Center for aviation responses and requests.</p>

2 - 2021	200,000	100% G	<p>If this position is not approved, the Bureau will not be able to continue to assist the Department, other state agencies and the general public with this ever changing and rapidly growing industry. As stated above, time spent by the Bureau on UAS activities has taken away from AIP grant oversight capabilities and other duties which could lead to negative consequences with the FAA.</p> <p><b>Public Transportation (29160000).</b> The budget includes \$200,000 for FY 2021 to match grants from the Federal Transit Administration. The state funds will assist public transit operators to meet the non-Federal match requirements and support needed public transportation service. Non-Federal matching funds of at least 50 percent are required for operations. The requested \$200,000 is approximately two percent (2%) of total transit operating expenses for 9 public transit agencies that operate 10 public transit systems with annual ridership of approximately 2.3M one-way trips.</p>

3 - 2021	41,755	100% G	<p>Increase in indirect costs. Per NH State Constitution Article 6-a, Highway Funds cannot be diverted for any other purpose. Intra Indirects are to cover administrative costs from the Highway Fund related to Finance, Human Resources, and Executive office. Total Indirects support 8 employees (Aeronautics and Railroad) and over \$20M in Federal Aviation Admin(FAA) funds, the Special Railroad Fund and the Railroad Revolving Loan fund.</p>

**DESCRIPTION:**

**960515 OPS** – Provide for the safe, efficient, reliable, and well maintained operation of the state highways system, including the state turnpike system in support of Transportation Excellence. This includes the operation, maintenance and supervision of the state transportation network (roadways, bridges, all appurtenances, traffic operation and control systems, the Department's facilities, vehicles and equipment fleet), and issuing all permits, registrations and licenses prescribed to the Division. The NH Department of Transportation is responsible for approximately 4,600 miles of roadway, 2,169 state owned bridges, 442 traffic signals, over 96,000,000 feet of pavement markings, a Transportation Systems Management Operations (TSMO) center connected to dynamic message signs and weather stations, over 700 support facilities and a fleet of approximately 1,237 vehicles and equipment

Impacted Goals &amp; Performance Measures: OPS 7,8, 12 &amp; 13</p> <p><b>Consultants/Bureau of Traffic/ Acct Unit 3009-046.</b> For systems engineering consultant to build upon existing Signal Connectivity Concept of Operations with High Level Design and Detailed Design. This work is necessary to develop a program to implement data communication connectivity between traffic signal and beacon controllers and a central hub to enable remote monitoring, diagnostics, adjustments, control, and traffic data collection. Initial benefits include remote access for maintenance forces to address reports of deficiencies more timely and cost-effectively than dispatching a crew and vehicle for investigation. Other benefits include automated coordination of multiple signals, telemetry of traffic status, and over-ride of normal programming for emergency incident management. Long-term benefits include enabling development of vehicle to infrastructure communication as connected and autonomous vehicles proliferate. Reference Goal TRAF-2. Impacted Goals &amp; Performance Measures: OPS 10 &amp; 11</p>

FORM E - NECESSARY STATUTES OR RULE CHANGES**

**E NECESSARY STATUTES OR RULE CHANGES**

	CODE	DESCRIPTION
CATEGORY	04	TRANSPORTATION
DEPARTMENT	00096	TRANSPORTATION DEPT
AGENCY	096	TRANSPORTATION DEPT
ACTIVITY	DEV962015	PROJECT DEVELOPMENT

**A. Efficiency Budget Statute/Rule Changes:**

1) Amend RSA 4:39-c to be consistent with the legislative intent of the statute as amended by HB 705 in 2007. The intent of the legislation was to allow DOT to exchange real property with property owners who were being impacted by transportation projects. This allows DOT to streamline the disposal process which can take upwards of a year.

**4:39-c Disposal of Highway or Turnpike Funded Real Estate.**

Disposal of real estate purchased with state or federal highway funds, or both, or with turnpike funds shall occur as follows:

I. Upon recommendation of the commissioner of the department of transportation to dispose of or lease property purchased with state or federal highway funds or both, or turnpike funds, the request for disposal or leasing shall be reviewed and approved by the long range capital planning and utilization committee before submission to the governor and council for approval. Upon determination that the property is no longer needed by the state, the governor and council shall first offer it to the government of the town, city, or county in which the property is located. If the town, city, or county refuses the offer, the governor and council may sell, convey, transfer, or lease the real property.

II. Sales of real property under this section shall be at not less than current market value of the subject property, as may be determined by the governor and council. If the town, city, or county decides to resell

the property, it shall first offer the property to the state at the market value at the time of sale.

III. The proceeds from a sale, conveyance, transfer, or lease under this section shall be credited to either the highway fund or the turnpike fund, whichever fund provided money for the original purchase.

IV. This section shall not apply to the exchange of state-owned lands, which are under the jurisdiction of the department of transportation, for other lands of equal or greater value, during right-of-way negotiations, or to the sale of buildings that need to be moved to clear such rights-of-way for public projects found necessary under other state laws.

**Source.** 2005, 12:1. 2007, 100:1, eff. Aug. 10, 2007.

2) Amend RSA chapter 230 by inserting after section 14, a new section, 14-a "Controlled Access Highways." Currently the commissioner's authority to design controlled access highways comes from RSA 230:46, which authorizes her to design limited access facilities as defined by RSA 230:44. Due to the upsurge in development leading to increased traffic volumes the nature of roadways having controlled access right-of-way are no longer "especially designed for through traffic," however, the need for the commissioner to control the access from abutting land in a manner that best serves the traffic for which such highway is intended remains. Where controlled access highways are less restrictive to abutters than limited access facilities, due process requirements may be satisfied by a commission of 3 pursuant to RSA 230:14, as opposed to a special committee as required by 230:45.

**a. 230:14-a Controlled Access Highways.**

**STATE OF NEW HAMPSHIRE  
2020-2021 BIENNIUM  
FORM E - NECESSARY STATUTES OR RULE CHANGES**

**E NECESSARY STATUTES OR RULE CHANGES**

	CODE	DESCRIPTION
CATEGORY	04	TRANSPORTATION
DEPARTMENT	00096	TRANSPORTATION DEPT
AGENCY	096	TRANSPORTATION DEPT
ACTIVITY	DEV962015	PROJECT DEVELOPMENT

The commissioner of transportation may design any class I or class II highway so as to control the access from abutting land in a manner that best serves the traffic for which such highway is intended. The commissioner may divide and separate any controlled access highway by the construction of raised curbs, central dividing sections, or other physical separations, or by appropriate signs, markers, stripes and other devices. No person shall have any right of ingress or egress to, from, or across controlled access highways to or from abutting lands, except at such designated points at which access may be permitted, upon such terms and conditions as may be specified by the commissioner of transportation from time to time. Controlled access highways shall be laid out or altered in a manner consistent with RSA 230:14.

3) Amend the provisions of RSAs 230:55, :56, :57, :58 and :61 to authorize the Commissioner to declare ROW as surplus and dispose of the unnecessary property to recoup the purchase price. Currently, if the Department used federal funds to purchase the ROW, the Department has to reimburse the purchase price to the Federal Highway Administration (FHWA) and then give the property to the town (no money back to the Department). Currently the Department is in the position of buying ROW, reimbursing FHWA for the purchase price, then being required to offer the ROW to the town in which it is located at no cost to the town, thereby leaving the Department to absorb the costs.

**a. 230:55 Notice of Finding.**

Whenever the commissioner of transportation shall alter or relocate any portion of any class I or class II highway, and finds that there is no further occasion to use such portion for class I or class II highway purposes, the commissioner may post notice of such finding in 2 public places in the town in which the highway is situated

and give notice in writing of the same, to the selectmen of such town. Notwithstanding any provision of law to the contrary, the commissioner may declare any such portion of class I or class II highway, as surplus and dispose of it as provided by RSA 228:31. Any such disposal shall be in accordance with RSA 4:39-c.

**b. 230:56 Determination by Selectmen.**

Should the commissioner elect to discontinue such portion of class I or Class II highway, as opposed to declaring it surplus, the selectmen within 60 days after receiving such notice, shall determine, after notice to the owners of land or abutting owners given in the same manner as provided for in the laying out of highways by selectmen, and hearing, whether there is occasion for the use of such portion for town highway purposes and shall notify the commissioner of transportation, in writing, of their determination.

**c. 230:57 Reversion to Town.**

Upon the filing of notice with the commissioner of transportation that such occasion exists, or, in the event that the selectmen fail to take any action or notify the commissioner of transportation in writing of their determination within 60 days after the receipt of notice from the commissioner, the right-of-way over such portion of land and title to any interest held by the state in such portion shall thereupon revert to or vest in such town, and the commissioner of transportation shall so certify in writing under oath to the selectmen, and the highway shall thereupon become a class V or class VI highway.

**d. 230:58 Notice of Discontinuance.**

ACTIVITY	DEV962015	PROJECT DEVELOPMENT

Upon the filing of notice with the commissioner of transportation that such occasion does not exist, the commissioner shall post notice in 2 public places in such town that such portion of highway is thereupon discontinued.

**e. 230:61 Assessment of Damages.**

Any person who sustains damages because of such discontinuance of property may petition for the assessment of damages to the superior court in the county in which such discontinued portion of highway is located within 60 days from the posting of notice of discontinuance, and not thereafter, and the court shall assess such damages, if any, by jury.

ACTIVITY	MAD962515	MUNICIPAL AID

**STATUTORY BASIS:**

RSA 21-L:9, RSA Titls XX Chapters 228-240, RSA Chapter 234, RSA 235:10 to RSA 235:21, RSA 235:23 and RSA 235:25, 23 CFR Chapter I (Subchapter E), FHWA NHDOT Stewardship and Oversight Agreement, MAP-21, FAST Act

**DESCRIPTION:**

**Municipal Aid – MA: Programs structured to provide State and Federal funding to communities for transportation improvement projects on Class II or IV or V highways in support of sustainable economic development and transportation excellence.**

***Municipal Bridge – MBR (2942)***

*MBR-* The Bureau of Planning and Community Assistance administers funding available to all 234 communities throughout the State for the purpose of designing and constructing municipally owned bridges on Class II or IV or V highways. This program is also known as State Aid Bridge and funding share is typically 80% state funds and 20% municipal match.

***Apportionment A-B (Block Grant) – AAB (2943)***

*AAB –* The Bureau of Planning and Community Assistance is responsible for distributing Block Grant Funds totaling 12% of the road toll revenue and motor vehicle fees collected in the preceding fiscal year to a local highway aid fund. This fund shall be distributed to each city, town, and unincorporated place. Additional funds, totaling \$400,000 are to be distributed in accordance with statute that provides additional funds to those communities with higher local roadway mileages and lower property valuations, to provide additional local highway funding aid.

***SPR Planning Funds – SPF (2944)***

*SPF: This program is required and administered in accordance with 23 CFR 450 and similar sections. The program focuses on ensuring proper transportation planning efforts are made that consider prioritization of potential projects, and their linkages to the environment, safety, security, land use, and other smart growth principles. Data*

*collection to support decisions are made, and funding for contracts with nine regional planning commissions is used to ensure there are opportunities for public involvement through the transportation planning process from a grassroots level right up through the Legislature and Governor.*

**Municipal Aid – Federal – MAF (2945)**

MAF – This program allows communities to apply for Federal Aid for the purposes of designing and constructing municipally owned infrastructure improvements on bridges, roads, trails, sidewalks, etc. Funding share is typically 80% state funds and 20% local match.

A. Efficiency Budget Statute/Rule Changes:

Notwithstanding Chapter 286, Laws of 1959 or any other provision of law, Chapter 286, Laws of 1959 and any of its provisions are repealed.

~~Chapter 286 - An act relative to the Sandwich Notch and Dale Road in the towns of Sandwich and Thornton.~~

~~286:1 Sandwich Notch and Dale Road. Amend section 2 of chapter 54, Laws of 1955 by striking out said section and inserting in place thereof the following: 2 Maintenance. A sum not to exceed three hundred dollars per mil shall be annually~~

~~expended by the state for the maintenance of Sandwich Notch and Dale road in the towns of Sandwich and Thornton provided that the towns of Sandwich and Thornton shall each expend the sum of one hundred dollars in their own town for each mile of said road in respective town. The sums provided herein shall be expended under the direction of the commissioner of public works and highways and the appropriation hereunder to be expended by the state shall be a charge to the highway funds.~~

~~-286:2 Takes Effect. This act shall take effect upon its passage. [Approved September 17, 1959.] [Effective September 17, 1959.]~~

**DESCRIPTION:**

***DOT – 963015 CON - To provide state funds for construction projects promoting a safe, efficient, reliable, and well maintained state transportation system for the movement of people and goods in support of the Department’s mission of transportation excellence.***

The NH Department of Transportation is responsible for approximately 4,600 miles of roadway, 2,159 bridges. The Construction Program Funds provides resources for the Department to support programs toward the maintenance and reconstruction of the State’s roads and bridges including the following:

State Aid Construction (Acct Unit: 29290000) allows the Department to work cooperatively with municipalities to implement projects that result in safety and operational improvements to the State Highway system (Class I, II, and III highways) that address local concerns. Municipalities apply for limited funds and are typically awarded projects at a 1/3 local, 2/3 state funding split.

Betterment (Acct Unit: 30390000) provides funds to insure adequate maintenance and improvement of the state highway system not supported with Federal Aid. Betterment funds are used to support; highway construction, reconstruction, resurfacing, highway maintenance, bridge construction, bridge reconstruction, bridge maintenance, traffic signal repair projects, emergency repair projects and other highway and bridge efforts.

SB 367 Capital Investment (Acct Unit: 89100000) provides funds for debt service for the reconstruction of I-93 from Salem-Manchester. Funds are also dedicated to paving projects on the state highway system and for red list bridges as part of the TIFIA pledge program. SB367 also increased the funds for Block Grant Aid, as 12% of the generated revenue is distributed to municipalities through the block grant aid program.

A. Efficiency Budget Statute/Rule Changes:

Laws of 2018 Chapter 358:17 Department of Transportation; Conway. The projects named Conway, project numbers 11339J, 11339T, and 13339U which were previously removed from the state 10-year transportation plan, are added to the plan using federal funds totaling one dollar.

4:39-c Disposal of Highway, **Federal** or Turnpike Funded Real Estate

Amend section III and IV as follows:

III. The proceeds from a sale, conveyance, transfer, or lease under this section shall be credited to either the highway fund, **restricted federal fund** or the turnpike fund, whichever fund provided money for the original purchase.  
***Proceeds from a sale that result from money provided by the highway fund for payback of real property purchased with federal funds, shall be credited to the Department and shall be nonlapsing and continuously appropriated.***

IV. This section shall not apply to the exchange of state-owned lands, **which are under the jurisdiction of the department of transportation**, for other lands of equal or greater value, ~~which are under the jurisdiction of the department of transportation and used by the department~~ during right-of-way negotiations, or to the sale of buildings that need to be moved to clear such rights-of-way for public projects found necessary under other state laws.

ITEM	AMOUNT	SOURCE OF FUNDS	EXPLANATION
Consolidated Federal Aid	105,338,400	100% F	<b>FY 2019 Adjusted Authorized Budget for Activity (CON963515).</b>
Equipment New/Replacement (Class 30) FY 2020	925,000	100% F	This increase to Class 30 reflects costs to replace an Under Bridge Inspection Vehicle (aka Snooper)). The existing vehicle (H454) was purchased in 1987 and has reached the end of its practicable service life. The service provided by this vehicle is essential for compliance with National Bridge Inspection Program. Repairs to the existing vehicle for safe operation are costly and time consuming. It is unknown how long the vehicle can be repaired due to the age of the technology. Rental service is available but is also expensive. The breakeven timeframe between ownership and rental is calculated at 6 years. The current vehicle has been in service for over 30 years.
Consultants (Class 46) FY 2020	1,925,000	100% F	This increase to Class 46-Consultants reflects anticipated expenditures for consultant contracts for the planning, design, and inspection of highway improvement projects with federal funding available through the passing of the Fixing America's Surface Transportation Act (FAST Act).

***Department of Transportation (DOT)***

***DOT – Transportation Excellence Enhancing the Quality of Life in New Hampshire***

**Statutory Authority: RSA 21:L**

*Provide for the safe, efficient, reliable, and well maintained operation of the state Turnpike system, in support of the Department’s mission of Transportation Excellence. This includes the operation, maintenance and supervision of the Turnpike System (toll collection and processing, roadways, bridges, all appurtenances, traffic operation and control systems, the Turnpike’s facilities, vehicles and equipment fleet), and issuing all permits, and licenses prescribed to the Bureau.*

**DESCRIPTION:**

***DOT – BOT Mission** - To provide a safe, efficient, reliable, and well maintained operating system for the movement of people and goods and excellent customer service along the Turnpike System in support of Transportation Excellence.*

*The Turnpike System consists of 89 miles of limited access highway, 36 miles of which are part of the U.S. Interstate Highway System, comprising a total of approximately 658 total lane miles, 171 bridges, 49 interchanges, and 25 facilities. Since beginning operations in 1950, the Turnpike System has been a major element of the State's transportation network. The Turnpike System includes three limited access highways: the Blue Star Turnpike (I-95) and the Spaulding Turnpike, which are collectively referred to as the Eastern Turnpike and the Central Turnpike (also known as the F.E. Everett Turnpike). The major cities located in the central and southern sections of the state are primarily served by the Turnpike System.*

ITEM	AMOUNT	SOURCE OF FUNDS	EXPLANATION
Turnpike System	136,445,575	100% T	<b>FY 2019 Adjusted Authorized Budget for Division</b>
FT Employee Special Payments	14,760	100% T	Efficiency budget was <b>increased</b> in Class 17 mainly to align potential stipend payment for all winter maintenance employees if positions are filled and estimate cost of medical card. This cost includes winter stipend for individuals from other Bureaus that work for Turnpikes.
Holiday Pay	(30,000)	100% T	Efficiency budget was <b>decreased</b> in Class 19 due to past usage.
Equipment New/Replacement (Class 30)	1,239,400	100% T	Efficiency budget was <b>increased</b> in Class 30 according to the Equipment acquisition plan replacement cycle for vehicles. Cost increase is mainly due to Turnpikes changing their vehicle replacement program duration from a 12 year replacement cycle to a 15 year replacement cycle. FY 20 is the first year after this change therefore increasing the budget.

**Office of Veterans Services (OVS)**

*OVS – To assist veterans who are residents of this state, or their dependents, to secure all the benefits or preferences to which they may have earned under any federal or state laws or regulations.*

**RSA 115:6**

**Global War on Terrorism Service Bonus Payment (GWOT)**

*Administration of the Gulf War Bonus Program and the Global War on Terrorism Operations Service Bonus Program.*

**RSA 115-A:16**

**Donation Fund**

*Management of donated monetary contributions for the use of NHOVS service delivery programs.*

**RSA 261-C:2**

**Multi-Use Veterans Decal Plates, Decals**

*Administration of The Multi-Use Veterans Decal Plates, Decals; whereas the Office of Veteran Services is responsible for the production and sale of Military Service and Medals of Valor Decals to be used on the State's Multi-Use Veterans Decal Plates.*

**RSA 115:8**

**PUBLIC NEEDS:** The primary need is for help in accessing and navigation one of the largest federal bureaucracies, the US Department of Veterans Affairs (VA), to obtain all the veterans benefits they may have earned. These programs include compensation for service-connected disability, pension for certain low-income veterans or their survivors. VA healthcare, vocational rehabilitation, insurance, education, home loans, and burial benefits. In meeting this primary need for assistance, the NHOVS provides a distinct service to the veterans of this state; a need perceived when the NHOVS was created in 1943 and one which will continue into the foreseeable future. The assistance provided by the NHOVS in accessing federal VA benefits is by virtue of a Power of Attorney in which a claimant executes an appointment to the NHOVS as his/ her advocate. The Director, OVS and the Veterans Service Officers are granted accreditation by the VA Office of General Counsel upon the completion of the National Veterans Legal Services Program Accreditation Testing. State laws, for the most part, provide veterans with exemptions from certain fees rather than direct payments, the most visible of those being credits on residential real estate. The payment of a state bonus for wartime service is an exception to that generalization. The NHOVS continues to administer the Persian Gulf War Bonus Payment Program and is administering the Global War on Terrorism Operations Service Bonus as well as the sale of Military Service and Medals of Valor Decals to be affixed to the State's Multi-Use Decal License Plates. Also, the NHOVS is responsible for determining which military service

medals meet the criteria to qualify a veteran to the property tax credit under RSA 72:28. Working with the Department of Revenue Administration and the municipalities, the NHOVS is helping to ensure that the statute is being applied fairly and uniformly across the State.

**PRIORITIES:** While RSA 115 mandates that the NHOVS assist New Hampshire veterans and/or their families to acquire all the benefits to which they may have earned and qualify for, the agency clearly places a priority on those benefits which result in monetary payments. Most are labor-intensive cases which require NHOVS to prove in-service incurrence or aggravation of a veteran's disability, or the relation of a veteran's death to his or her service-connected disability. Other cases may involve qualifying a veteran or surviving spouse for pensions based on disability or death not connected to military service. Pension payments only go to those in certain low-income categories and/or those paying high medical expenses (such as those residing in assisted living facilities). These payments are often enough to keep a veteran or surviving spouse from having to depend upon Medicaid or welfare to survive. The NHOVS active client base of 7,142 in FY19 and recovery rate of \$5,602,811 a month to the Veterans who are award Benefits shows the direct impact that the Agency has on the Veterans in the State. NHOVS will continue to work with DHHS (through Service Link) to identify veterans who are on Medicaid that may potentially qualify for VA benefits and assist those who do, to obtain those benefits.

**AVAILABLE ALTERNATIVES:** The American Legion, Veterans of Foreign Wars, and Disabled American Veterans have accredited National Service Officers in New Hampshire from whom a veteran can seek representation in completing VA claims. However, these Service Officers assist a minority of the veterans in NH and even fewer surviving spouses. Additionally, these Service Officers are only available in Manchester. In stark contrast, NHOVS has sites at various locations within the State that provide the Veterans the ability to receive services closer to where they reside.

**REVIEW OF PROPOSED BUDGET:** There are many notable requests for funding. Agency client load and query load have increased tremendously over the last two fiscal years. As noted earlier, we project to obtain and exceed our goals with client numbers and recovery rates. We are also requesting one or two new State vehicles. As of the beginning of FY19, we have two vehicles one of which is over 10 years old. The average for replacement is around the 10 year mark. This older vehicle has already required extensive repairs and maintenance as the mileage is well over 100k miles. State vehicles and our Class 70 funds are vital to the work we do as they allow us to meet with clients all over the State. We are also seeking to increase the Agencies DoIT budget; in Oct 2019, the Veterans Administration will cease providing NHOVS with the IT hardware/software that they have loaned us for years as new policies prohibit them from continuing such support. This means the Agency will need to rely on the State to provide us replacement IT in order for us to continue to serve the Veterans in NH. The

Agency requested Customer Relationship Management Software which is absolutely essential for the Office to function; the fact that we have operated for years without it has seriously impacted the efficiency potential of the Agency.

**LONG-TERM GOALS AND OBJECTIVES:** These goals and objectives include: maintaining and increasing our outreach schedule to better serve the needs of NH's over 100,000 veterans and dependents; maintaining an efficient delivery

system which provides NH taxpayers with a highly favorable budget/dollar return on investment, giving priority to assisting veterans returning from military contingency operations and elsewhere, and maintaining the highest level of expertise in all areas of veterans benefits so that we can acquire the maximum benefits for those who seek our services and which in turn is a monetary benefit returned back into the local communities and state we serve.

**DESCRIPTION:**

***Office of Veterans Services (OVS)***

*OVS – To assist veterans who are residents of this state, or their dependents, to secure all the benefits or preferences to which they may have earned under any federal or state laws or regulations.*

**RSA 115:6**

**OVS-80530000**

The NH Office of Veterans Services (NHOVS) is a 10 person agency mandated to assist New Hampshire’s veterans or their family members in securing all benefits or preferences to which they may have earned, and are eligible for, under state or federal laws or regulations. The director and 8 veterans service officers are accredited to the US Department of Veterans Affairs (VA) to provide representation and legal advocacy for claimants in all programs of the VA. The NHOVS also responds to queries and provides referrals on a wide range of issues that arise from military service and veterans benefits. Not all queries are clients of the agency which increases call volume and is not represented in our client totals. Agency services are provided from a central office in Manchester and multiple sites around the State. Currently, the NHOVS has over 7,421 active clients. The NHOVS contacts every NH veteran who separates from active service (approximately 600-900 per year) to inform them of the services available to them through the NHOVS, NH Department of Employment Security, VA Medical Center, US Small Business Administration and others. The NHOVS administers the Gulf War Bonus Program and the Global War on Terrorism Operations Service Bonus Program and the Veterans Multi-Use Decal License Plate, Decals for the State's Veteran Multi-Use Decal License Plate Program. The NHOVS is responsive to the legislature, participating in hearings on bills concerning veterans benefits and providing recommendation for improvements in legislation affecting veterans and their family members.

**DESCRIPTION:**

**Division for Children, Youth and Families**

**Mission Statement:**

**We partner with families and communities to provide resources and supports that lead to the safety and healthy development of children, youth and the communities in which they live.**

**Child Protection & Juvenile Justice Services (CPS & JJS)**

*Child Protection and Juveniles Justice staff and program staff from other Bureaus serve a disparate population of children and their families in a variety of settings, including in-home and out-of-home placements. Staff assist families in the safety, protection, development, permanency, and well-being of their children and the communities in which they live. In addition to child maltreatment and juvenile justice issues, many of the children and families served by the Division suffer from a variety of societal challenges including substance abuse, mental illness, domestic violence and poverty. The priority populations CPS and JJS serves are children and youth who have been abused and/or neglected, children in need of services (CHINS) and youth who are adjudicated delinquents, detained or committed. Program staff also provide direct oversight and monitoring of all DCYF prevention and continuous quality improvement activities.*

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
DCYF-1-CP-SFY 20	188,643	28%FF, 72% GF	<p>The Bridges support team currently consists of only 2 staff after losing 2 positions over the past 8 years. The need for support has grown, however, with a growing workforce, growing caseloads, a new 24/7 of staff, and the development of a new case management system. Currently, the two existing staff take turns serving on call to cover the 24/7 needs. The additional staff would better support the expanded hours and demands on the system.</p> <p>(2) Business System Analysts</p>
DCYF-2-CP-SFY 20	896,437	30%FF, 70% GF	<p>Responds to audit (CFSR findings, Adequacy Assessment, &amp; Dec 2016 QAR) Case aides are used in many jurisdictions to do some of the higher end support functions for professional staff, such as supervising parent/child visits, driving children, gathering information to assist with assessments, etc. There is an added benefit in that this position can serve as feeder into the professional CSPW workforce. The request may increase or decrease based on a workforce report anticipated in SB582</p>

DCYF-1-CP-SFY 21	187,730	28%FF, 72% GF	<p>The Bridges support team currently consists of only 2 staff after losing 2 positions over the past 8 years. The need for support has grown, however, with a growing workforce, growing caseloads, a new 24/7 of staff, and the development of a new case management system. Currently, the two existing staff take turns serving on call to cover the 24/7 needs. The additional staff would better support the expanded hours and demands on the system.</p> <p>(2) Business System Analysts</p>
DCYF-2-CP-SFY 21	869,645	30%FF, 70% GF	<p>Responds to audit (CFSR findings, Adequacy Assessment, &amp; Dec 2016 QAR) Case aides are used in many jurisdictions to do some of the higher end support functions for professional staff, such as supervising parent/child visits, driving children, gathering information to assist with assessments, etc. There is an added benefit in that this position can serve as feeder into the professional CSPW workforce.</p>

DCYF-4-CP-SFY 21	5,000,000	100% GF	Responds to audit (CFSR findings, Adequacy Assessment, & Dec 2016 QAR). This request seeks to provide services to the 2000 families that have been identified as high risk.
DCYF-9-CP-SFY 21	1,048,393	30%FF, 70% GF	Responds to audit (CFSR findings, Adequacy Assessment, & Dec 2016 QAR) This request seeks to increase clerical staffing to the CPS District offices. Currently CPSW staff spends an inordinate amount of time completing clerical tasks which prevents them from engaging in the professional activities most needed. This request, which fully implemented, would a lot every CPS DO one primary clerical staff person to handle overall office support and one additional clerical staff person for every 10 CPSWs.
DCYF-10-CP-SFY 21	1,703,152	30%FF, 70% GF	Responds to audit (CFSR findings, Adequacy Assessment, & Dec 2016 QAR) In order to maintain a 1:5 supervisor to CPSW ratio as recommended by national standard and in the independent review, we would require 24 additional supervisors in DOs. The proposed hiring is staggered in line with the proposed staggering of CPSW hiring.

DCYF-17-CP-SFY 21	89,880	22%FF, 78% GF	<p>on these assessments to ensure an attention to practice for these highest risk cases, as well as a shared decision making and coaching model for the field.</p> <p>(CFSR and Adequacy Assessment) This request seeks to increase the amount travel is requested given the increased numbers of new staff to DCYF and the need for all staff to attend ongoing training. The Administration for Children and Families requires in Item 27 of the federal Child and Family Services Review, ongoing staff training that addresses the skills and knowledge that staff need to do their jobs. Additionally, the Quality Assurance Review of NH's DCYF from the Center for the Support of Families of NH, in recommendations 7 and 8 called for additional work on the training system to include trainings of safety and risk related issues and training must include skill building and practical application in each training. This will mean changes to the number and scope of trainings offered to staff.</p>

**DESCRIPTION:**

Bureau of Child Development

***Mission:***

*We partner with families and communities to provide resources and supports that lead to the safety and healthy development of children, youth and the communities in which they live*

***Child Development Program (CDP)***

*The Child Development Program is responsible for complying with the regulations of the Federal Child Care and Development Fund (CCDF) including child care scholarship, mandatory child care quality improvement initiatives and the Head Start Collaboration Office (HSSCO). The Child Care Scholarship program supports family self-sufficiency and reduces family dependence on public assistance programs by providing assistance with the cost of child care so that families may maintain gainful employment, participate in training for a vocation, or participate in short-term job search. Child care quality improvement initiatives increase the safety of children in child care and improve child care programs' ability to prepare children to be successful in school and in life. The HSCO collaborates with local Head Start grantees to ensure that high quality services are provided to eligible pregnant women and children aged birth through five years and their families.*

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
DEHS-34-BCD-SFY 20	94,321	100% F	The Bureau of Child Development and Head Start Collaboration (Bureau) requires a planning analyst/data system specialist to: a) work with the Bridges and New HEIGHTS systems on making timely changes to systems for compliance with new State regulations (SB 570) and CCDF 2014 Reauthorization requirements, as well as to avoid financial sanctions from the Federal ACF Office of Child Care for failure to come into compliance; b) increase quality assurance and fiscal monitoring efforts by producing weekly service utilization and budget reports to ensure that funds are obligated and spent as required and in a timely fashion; and c) create reports and cost projections related to CCDF implementation and utilize results for quality assurance and fiscal management. The Office of Child Care has increased Federal Funding for NH by \$5.95 million for the current Federal fiscal year, up to 5% (238,002.97) of which may be spent on administrative costs, particularly as related to addressing compliance issues.

RSA 169-A (Interstate Compact on Juveniles), 169-D (Delinquent Children), 169-G (Review of Dispositional Orders in Juvenile Cases), 170-E (Child Day Care & Child Placing Agencies), 170-H (Parole of Delinquents), 186-C (Special Education), 621 (Youth Development Center), 621-A (Youth Services Center)

**DESCRIPTION:**

**Division for Children, Youth and Families**

**Mission Statement:**

**We partner with families and communities to provide resources and supports that lead to the safety and healthy development of children, youth and the communities in which they live.**

**Sununu Youth Services Center (SYSC)**

*The John H. Sununu Youth Services Center (SYSC) is a 108-bed secure rehabilitation (Treatment) and detention facility. The co-ed facility serves both adjudicated and detained youth. SYSC provides residential, educational, medical, vocational and treatment program and services in a safe and secure setting that will ensure that youth have a greater chance of being successful in the community when they leave SYSC than when they enter it. SYSC staffs promote and balance community safety and positive youth development through the utilization of evidence based practices.*

ACTIVITY	MHL422010	MINORITY HEALTH

**STATUTORY BASIS:**

The federal Refugee Act of 1980, 8 U.S.C. 1521 et seq., established the federal Refugee Resettlement Program and directed the federal Office of Refugee Resettlement to implement strategies and policies for the placement and resettlement of refugees throughout the United States in consultation with state and local governments.

**DESCRIPTION:**

**OHE - Assures equitable access to effective, quality DHHS programs and services across all populations, with specialized focus on racial, ethnic, language, gender and sexual minorities, and individuals with disabilities.**

OHE Director's Office (7921): Includes DHHS communication access (for Limited English proficient, deaf, hard of hearing, blind, visually impaired, and speech impaired individuals) and federal civil rights laws compliance; minority health; DHHS community relations and rapid response; and repatriation.

Refugee Services (7922): The State Refugee Program serves refugees within their first five years of arrival to the US.

GOAL #	# STAFF FY 2020-2021	GOALS	Performance Measure		Current Baseline	TARGET	FY 2020 Goal	FY 2021 Goal
			OUTPUT	OUTCOME				
1	2 FT; 4 PT	Facilitate effective, quality communication access across all DHHS programs and services for individuals needing communication assistance.	Number DHHS staff trainings conducted (number of staff trained) per year	% satisfied customers; and # of complaints per year	20 staff trainings (number of staff trained not available)	24 trainings per year; >95% satisfied customers; 0 complaints	24 trainings per year; >85% satisfied customers; < 5 complaints	24 trainings per year; >85% satisfied customers; < 5 complaints

DEHS-53-BHS-SFY 20	200,000	100% G	<p>completing a vulnerability assessment, and entering the data into the Homeless Management Information System. Coordinated entry is an important process through which people experiencing or at risk of experiencing homelessness can access the crisis response system in a streamlined way, have their strengths and needs quickly assessed, and quickly connect to appropriate, tailored housing and mainstream services within the community or designated region. Standardized assessment tools and practices used within local coordinated assessment processes take into account the unique needs of children and their families as well as youth. When possible, the assessment provides the ability for households to gain access to the best options to address their needs, incorporating participants' choice, rather than being evaluated for a single program within the system. The most intensive interventions are prioritized for those with the highest needs.</p> <p>Add \$200,000 in each year of the biennium to the BHS budget to support homeless street outreach for unaccompanied youth in NH. NH Currently has 1 youth outreach program through Child and Family Services. This program serves the Seacoast</p>

Requesting 1 Program Specialist III to improve the monitoring and follow-up in order to improve outcomes for homeless clients.</p> <p>Admin II: BHS oversees approximately 90 contracts across NH, covering multiple funding sources (2 from HUD, 1 from SAMHSA, and state general funds). The BHS administrator supervises BHS staff, monitors approves all contracts and allocations, chairs the Balance of State Continuum of Care, chairs a subcommittee of the NH Governor's Interagency Council on Homelessness, and sits on multiple other committees for the purpose of integrating BHS services. Having an assistant administrator who could act as second in command would improve BHS oversight, monitoring and relationship building with the community networks.</p>

DEHS-52-BHS-SFY 21	200,000	100% G	<p>Add \$200,000 in each year of the biennium to the Bureau of Housing Supports budget to support Coordinated Entry efforts in NH. Funding would support additional call center staff at 211-NH who would be dedicated to taking homeless calls, completing a vulnerability assessment, and entering the data into the Homeless Management Information System. Coordinated entry is an important process through which people experiencing or at risk of experiencing homelessness can access the crisis response system in a streamlined way, have their strengths and needs quickly assessed, and quickly connect to appropriate, tailored housing and mainstream services within the community or designated region. Standardized assessment tools and practices used within local coordinated assessment processes take into account the unique needs of children and their families as well as youth. When possible, the assessment provides the ability for households to gain access to the best options to address their needs, incorporating participants' choice, rather than being evaluated for a single program within the system. The most intensive interventions are prioritized for those with the highest needs.</p>

DEHS-53-BHS-SFY 21	200,000	100% G	Add \$200,000 in each year of the biennium to the BHS budget to support homeless street outreach for unaccompanied youth in NH. NH Currently has 1 youth outreach program through Child and Family Services. This program serves the Seacoast and Manchester, leaving much of the State of NH unserved by youth outreach.
DEHS-54-BHS-SFY 21	1,000,000	100% G	Add \$1,000,000 in general funds in each year of the biennium to the BHS budget for eviction prevention assistance, specifically for families with children. During SFY 18, 1,083 individuals in 379 families were served in emergency homeless shelters in NH. An additional 2,806 individuals in families were served using prevention funds in an attempt to prevent eviction. Funding would be allocated to cover each county, and would serve those not eligible for HUD Continuum of Care Permanent Supportive Housing.
DEHS-55-BHS-SFY 21	1,000,000	100% G	Add \$1,000,000 in general funds in each year of the biennium to the BHS budget to support homeless shelter case management services to help coordinate housing navigation,

DEHS-56-BHS-SFY 21	600,000	100% G	<p>medical and behavioral health access, mainstream benefit application, employment support services, and any additional case management services the household requires to move into permanent housing, and decrease the length of time they remain homeless. During SFY 18, approximately \$6,000,000 in funding was requested by homeless shelters in NH, with only approximately \$3,500,000 available in funding. New homeless shelters were denied funding due to lack of available funds.</p> <p>Add \$600,000 in general funds to the BHS budget to develop a Rapid Re-Housing program for individuals being served by the Projects for Assistance in Transitioning from Homelessness (PATH) outreach program through the CMHCs. PATH workers conduct street outreach to literally homeless individuals who have a Serious Mental Illness, with the goal of connecting them with mental health services and housing. Rapid Re-Housing funds would be available to the PATH workers to assist these individuals with obtaining housing.</p>

DEHS-57-BHS-SFY 21	1,000,000	100% G	<p>Add \$1,000,000 in State funds to the BHS budget in each year of the biennium to support PATH services statewide would fill the gaps in the current service system. For the regions that currently do have PATH, services are so limited due to level federal funding for 27 years, that funds only can support a part-time employee. Adequate funding levels would enable PATH to be comprehensive and responsive to the needs of NH citizens, enabling each CMHC region to have a PATH worker. This will enhance homeless outreach through collaboration with IDN's and the 211 Coordinated Entry System, providing a needed response to individuals with SMI who are homeless or at risk of homelessness in all regions of NH. Supporting full-time PATH workers in each Mental Health region would create a significant positive impact on NH's vulnerable citizens.</p>
DEHS-58-BHS-SFY 21	500,000	100% G	<p>Add \$500,000 in general funds to the BHS budget in each year of the biennium to support an extension of the HUD funded Rapid Re-Housing program for Youth 18-24 years of age and TANF eligible families. Right now NH has a gap in services for these populations. Constituents within the</p>

ACTIVITY	CSS427010	CHILD SUPPORT SERVICES

**STATUTORY BASIS:**

Title IV-D of the Social Security Act (42 USC Section 651-669).

**DESCRIPTION:**

***Bureau of Child Support Services (BCSS)***

*The BCSS' mission is to encourage responsible parenting, family self-sufficiency and child well-being by providing assistance in locating parents, establishing paternity, establishing, modifying and enforcing support obligations and obtaining child and medical support for children. The program seeks to achieve positive outcomes for children by addressing the needs and responsibilities of parents.*

*Child Support services are provided to families of children whose parents (or parent and caretaker) do not reside in the same household together. In many cases, one parent resides in another state or country requiring interstate and international case management with that parent or child support program in their region. Either parent (or caretaker) may apply for services. This includes recipients of Temporary Assistance to Needy Families (TANF), IV-E Foster Care, and Medicaid assistance who, by federal regulation, are required to participate in the Child Support program as a condition of eligibility for these programs.*

			<p>temporarily cover assignments left by vacancies, staff on leave and backlog volumes. These positions also respond to and develop training and materials for new and revised regulations, business processes, system procedures and changes as a result of integration activities and innovative process redesign. For this reason, PSIIs are required to maintain expertise in every function of the program. The impact of not having these positions are untrained staff who are unable to reach high performance, insufficient training for new hires, hindrance to integration activities, as well as delays in obtaining support for children. In the absence of child support, many low-income families are unable to maintain their financial self-sufficiency and are forced to rely on assistance programs. The Child Support program is a cost-avoidance program: the timely receipt of child support has been shown in studies conducted by other states to substantially avoid costs to the TANF, Medicaid, SNAP and other public assistance programs. Further, without adequate BCSS resources to train staff and provide temporary coverage where needed, the state is at risk of failing</p>

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
DEHS-1-BFA-SFY 20	119,940	60% F,40% G	The Deputy Director, for the Division of Economic & Housing Stability (DEHS) provides the Director support in the strategic leadership and planning, programmatic and regulatory oversight, and operational direction for five statewide Bureaus, their programs, and staff responsible for administering programs and services for eligible New Hampshire residents by providing financial assistance, food and nutritional assistance, Medicare beneficiary programs, state supplement programs, Medicaid eligibility services, employment support, emergency assistance, housing, child support and child development. Support also includes policy development; program and service planning, integration, and coordination; budget development; compliance; data and metrics; implementation of initiatives; emergent issue response planning and coordination; media and public information communications. The Division of Economic & Housing Stability plays a key role in promoting a more holistic, multi-generational and integrated approach for high risk individuals, families, and children by streamlining eligibility and service provision processes, eliminating barriers and creating a more flexible and responsive approach

The work of the Association supports the entire range of programs administered by the New Hampshire Department of Health and Human Services. The Association is a reliable and invaluable source of timely and accurate information on federal programs, federal funding, future directions, and interpretation of proposed laws and rules. The Association represents the State before Congress and federal agencies on matters of concern to New Hampshire. With the many changes to federal programs being passed by Congress each year, it is increasingly important to have current information about those changes, their consequences and the potential impact on each state, including our own. The most accurate and readily available information of this type is necessary for the efficient administration of our programs.</p>

**STATUTORY BASIS:**

Older Americans Act of 1965, as amended through P.L. 114-144, Enacted April 19, 2016; NH RSA 161-F:1-2, 5-6 and 42-57

**DESCRIPTION:**

**To ensure that NH's statewide community-based aging services and supports system has the capacity and flexibility to meet the needs of individuals ages 60 and over and adults with disabilities ages 18-59.**

The Bureau of Elderly and Adult Services envisions a system of supports that: promotes and supports individual and family direction, provides supports that meet the needs of individuals and families, provides high quality care and supports, and promotes efficiency.

**DESCRIPTION:**

***Bureau of Public Health Statistics and Informatics (PHSI)***

***PHSI Mission- Collect, compile, analyze, and disseminate health-related statistics that are objective, timely, accurate, and relevant for the purposes of protecting public health while adhering to privacy requirements and using the minimum amount of information that is reasonably necessary to protect the health of the public.***

***Environmental Public Health Tracking-EPHT: (5173)***

Makes available health and environmental data to track health outcomes and risk behaviors in New Hampshire that may be related to environmental exposures and recommends public health actions to prevent or control environment-related diseases.

***Behavioral Health Risk Surveillance Survey-BRFS: (8667)***

A voluntary and confidential telephone survey of New Hampshire residents over the age of 18 regarding their health-related risk behaviors, chronic health conditions, and use of preventive services that measures population health trends over time.

***Informatics and Health Statistics-HSDM: (5262)***

The public health statistics center for New Hampshire. As provided by law, BPHSI analyzes health statistics data sets to: 1) creates information needed to drive public health decision making, 2) generates supporting documentation for agency findings or recommendations, 3) supports public health programs (state and local) in using data to design interventions, and 4) reports on the health status of the New Hampshire population.

**DESCRIPTION:**

*Bureau of Public Health Systems, Policy and Performance (PHSPP)*

***PHSPP Mission- Ensure the efficient and effective delivery of the 10 Essential Public Health Services to communities and populations in New Hampshire.***

*Bureau of Public Health Systems, Policy and Performance-BPHSPP: (5362)*

Builds effective state and regional public health infrastructure through the 13 Regional Public Health Networks, Rural and Primary Care Health Systems and the Public Health Services Improvement Council; manages the Preventive Health and Health Services block grant which is used to support public health infrastructure and respond rapidly to emerging health issues; administers the Therapeutic Cannabis Program; tracks and analyzes public health-related legislation to promote sound public health policy; and coordinates the administrative rules process for all DPHS programs.

*The Public Health Improvement Section-PHIS: (8011)*

Assists the Division in systematically increasing its performance management and quality improvement capacity to ensure the systems, programs, and services are robust and efficient. This is achieved by implementing performance management practices, Continuous Quality Improvement, and workforce development initiatives toward national State Public Health Department Accreditation.

*The Rural Health and Primary Care Section-RHPC: (2218,2219,7965)*

ACTIVITY	POP901010	BUREAU OF POLICY & PERFORMANCE

Administers programs to improve the infrastructure of the primary care and rural health care systems to ensure the uninsured, underinsured, and Medicaid and Medicare eligible residents of the state have access to quality primary care, preventive, and other health services.

The Therapeutic Cannabis Program-TCP: (3899)

Is responsible for: (1) Maintaining a registry of, and issuing registry identification cards to eligible qualifying patients who have been certified by their medical provider and have a qualifying medical condition, and to designated caregivers who are authorized to assist qualifying patients with the therapeutic use of cannabis; and (2) compliance monitoring of the 4 licensed Alternative Treatment Centers (ATCs) in the state (including 4-6 dispensary locations and 3 cultivation locations) which cultivate, manufacture, and dispense cannabis and cannabis infused products to qualifying patients.

**DESCRIPTION:**

***Bureau of Public Health Protection (PHP)***

**PHP- Assure the safety of the public for environmental public health risks through licensing, inspecting, enforcement and education.**

**Climate Change Adaptation: CCA (7936)**

The Climate Change Program increases resilience to rising temperatures and severe weather events via a framework to assess hazards, disease burden, interventions, with planning and evaluation components. CCA also develops a state-level climate and health impact assessments, provides climate and health impact change models, training for health or emergency response officials, and funding for local regions to respond to health impacts.

**Environmental Public Health Program: EPHP (8017)**

The EPHP provides exposure assessment, community health messaging and lab analysis for known and emerging environmental toxins. The EPHP will be located within the Bureau of Public Health Protection, Healthy Homes and Environments section. This program has been requested because residents of New Hampshire seek a health response to emerging environmental contamination events.

**Food Protection Section: FPS (5390)**

The Food Protection Section protects the safety and security of the NH food supply and prevents food borne illness and injuries through inspection, enforcement, and education by qualified staff in collaboration with the food industry. The Food Protection Section, located within the Bureau of Public health Protection (AU 5390) is

responsible for licensing and inspecting food establishments and retail food stores including restaurants, retail grocery stores, caterers, packers of potentially hazardous foods, bakeries, schools, private, state and county institutions, mobile food units, and food processors. FPS also licenses, samples and inspects facilities, milk producers and haulers, beverage and bottled water producers, and the NH based shellfish industry. The FPS is responsible for assuring the safety of food after natural disasters including embargoing or destroying unsafe food, for alerting the food industry of recalled food products, following up on food-related consumer complaints and maintenance of a state wide consumer complaint database, conducting environmental inspections during food borne disease outbreaks, assisting new food businesses to open and be in compliance with food safety regulations.

Healthy Homes and Lead Poisoning Prevention Program: HHLPPP (7964, 5698)

Supports those children and adults with lead poisoning through education, investigations, case management, surveillance, education, policy development, licensing, and a low interest loan program.

Asthma Control Program: (5667)

Provides a seamless assignment of the full array of services across public health and health care sectors so that people with asthma receive all, not just some, of the services they need.

Health Officer Liaison Unit: HOLU (7964 )

**HOLU** develops capacity for environmental public health assessment, intervention and enforcement of state health laws via a Health Officer Manual, trainings and a peer ListServe, provides technical support via direct consultations to municipalities and their health officers, as well as, appoints and maintains a database of health officers as required under RSA 128.

Radon Safety Program: RSP (5391)

RSP develops capacity environmental health education for radon gas exposure, responds to public inquiries and provides technical consultations, gathers data on radon exposure, and reduced exposure via mitigation efforts for existing homes, schools, and new construction.

***The Radiological Health Section***

**RHS** serves the entire population of New Hampshire by assuring the safe use of radiation machines (4,000+) or radioactive materials (90 licenses) for medical as well as business and industrial use through a process of licensing, inspection and rule enforcement and by demonstrating an ongoing capability to respond to large-scale emergencies (such as an accident at a nuclear power plant) or small radiological incidents using carefully developed, vetted and tested emergency response plans and coordinating the response with multiple state and local partners.

***Radioactive Materials; Radiation-Producing Machines: RM (5391)***

**RM** License and inspect as well as provide safety related education to users of radiological materials and devices.

***Radiological Emergency Response Program: RERP (5299)***

***Radiological Incident Response -RIRP***

The **RERP** and **RIRP** provide planning and training and participate in multi-agency graded exercises to assure capacity to respond to large-scale nuclear accidents or small scale radiological incidents.

***Low level radioactive waste fund: (5399)***

For disposal of unclaimed radioactive sources.

The program also has a radiological lab testing capacity that does ongoing environmental sampling which is within the command and administrative structure of the DPHS Public Health Lab.

			<p>Two (2) new full-time positions, Food Safety Licensing and Evaluation Coordinator, is being requested to support the Food Protection program. This aligns with the recommendation to add more inspection staff as stated in the final report of the HHS subcommittee that was formed in response to the 2015 Legislative Budget Assistant performance audit of Food Protection.</p> <p>Currently, there are 7.5 FTEs assigned to inspecting over 4600 food establishments in New Hampshire. The US Food and Drug Association (FDA) recommends that food establishments are inspected 1 to 4 times per year based on risk of menu. At current staff levels, food establishments in New Hampshire are inspected every 1 to 3 years. This is one-third the frequency that the FDA recommends. This new Food Safety Licensing and Evaluation Coordinator will perform inspections of 550 food establishments currently assigned to the other inspection staff of 7.5 FTEs. The net effect of this is that food establishments will be inspected more frequently. This is critical for increasing the protective effect of FPS oversight and thus the safety of the food supply accessible to the public in NH. Goal #: FPS 1</p>

***Bureau of Population Health and Community Services (PHCS)***

***PHCS Mission– Using data and targeted resources, to promote optimal growth and development; improve health; and reduce inequities in the burden of chronic disease and other health conditions among all New Hampshire residents.***

*Chronic Disease Prevention and Screening Section*

*Oral Disease Prevention: ( 2215, 4527)*

Builds and maintains state capacity to prevent and control oral disease through key personnel, a statewide plan, an oral health surveillance system, partnership building, targeted communications, evaluations, funding school and community dental programs and monitoring community water fluoridation.

*Combined Chronic Disease: (1227)*

Builds state capacity to promote health and prevent diabetes, heart disease and stroke through monitoring statistics related to risk factors and chronic disease, through promoting policy and system changes to promote healthy behaviors, working with health systems (e.g., insurers, providers, etc.) to promote high quality preventive clinical care community programs with clinical services (e.g., diabetes prevention program).

*Comprehensive Cancer Control: (5659)*

**STATE OF NEW HAMPSHIRE  
2020-2021 BIENNIUM  
FORM B - ACTIVITY LEVEL - GOALS AND PERFORMANCE MEASURES**

**B ACTIVITY LEVEL - GOALS AND PERFORMANCE MEASURES**

	CODE	DESCRIPTION
CATEGORY	05	HEALTH AND SOCIAL SERVICES
DEPARTMENT	00095	HEALTH AND HUMAN SVCS DEPT OF
AGENCY	090	HHS: PUBLIC HEALTH DIV
ACTIVITY	SER902010	BUREAU OF COMM & HEALTH SERV

Coordinates cancer prevention efforts in NH through a state cancer plan and the comprehensive cancer coalition and promotes and provides free cancer screening to low-income individuals.

Cancer Registry: ( 3397)

Provides a data system to monitor cancer related trends in NH to inform cancer prevention planning and evaluation and responds to concerns about potential cancer clusters.

Arthritis: (7046)

Promotes physical activity for people with arthritis through developing evidence-based arthritis programs in New Hampshire, increasing healthcare provider referrals to programs and using surveillance data to inform programming.

*Maternal and Child Health Section*

MCH-1: Maternal and Child Health: (5190)

The section assesses, administers, plans, evaluates the needs of mothers and children throughout New Hampshire with CDC and HRSA funds. It also administers contracts that support numerous local organizations and projects (15 community health centers, 11 home visiting agencies, the Injury Prevention Center at Children's Hospital at Dartmouth, the Coalition Against Domestic and Sexual Violence and the Brain Injury Association). These contracted organizations provide a wide variety of services to MCH populations, including families and children.

MCH-2: Home Visiting: (5896)

Makes up the Maternal, Infant and Early Childhood Home Visiting (MIECHV) Program with Federal HRSA funds. This funding enables a state infrastructure along with 7 agencies for a total of 11 sites across the state to delivering home visiting for the maternal and child health population based on the *Healthy Families America* model.

**STATE OF NEW HAMPSHIRE  
2020-2021 BIENNIUM

DEPARTMENT	00095	HEALTH AND HUMAN SVCS DEPT OF
AGENCY	090	HHS: PUBLIC HEALTH DIV
ACTIVITY	SER902010	BUREAU OF COMM & HEALTH SERV

The program also maintains a large data system out of Social Solutions and professional quality improvement training through a contract with the Community Health Institute. .

*MCH-3: Early Hearing and Detection and Universal Newborn Hearing Screening: (3386, 3387)*

Uses a CDC and a HRSA grant to implement the state's universal newborn hearing screening program including infrastructure, database maintenance, quality assurance and a contracted consulting audiologist and a follow-up coordinator.

*MCH-4: MCH Data Linkage/State Systems Development Initiative: (4526)*

Utilizes HRSA funds to maintain an infrastructure whose responsibilities include supervision and implementation of the Title V/MCH five year needs assessment and ongoing data needs to support the overall functioning of MCH.

*MCH-5: National Violent Death Registry: (1869)*

Funding from CDC enables MCH in conjunction with the Office of the Chief Medical Examiner to collect data on all violent deaths in the state, which is useful for surveillance and prevention efforts.

*MCH-6: Newborn Screening: (5240)*

Uses a revolving fund (made up of filter paper charges from birthing facilities) to screen all of the state's newborns for inherited medical disorders.

*MCH-7: Sudden Unexpected Infant Death (SUID) and Sudden Death in Youth: (SDY) (5906)*

Are facilitated with grants from the CDC for collaboration with the Office of the Chief Medical Examiner to collect data on all SUID and SDY deaths in the state. It also entails MCH facilitated SUID and SDY review committees, the former focusing on the issue of safe sleep.

MCH-8: Poison Control Services: (1228)

Are provided utilizing general/state funds and monies from the Department of Safety and Federal CDC emergency preparedness/biomonitoring grants to provide poison information and control services, including medical consultation to New Hampshire residents and health care providers on a 24 hour per day, 7 days a week basis. As per RSA 126-A: 49, New Hampshire is responsible for developing or designating a statewide program providing the services above.

MCH-9: Perinatal Risk Assessment Monitoring Survey: (PRAMS) (0836)

Through CDC funding enables the infrastructure to implement the PRAMS survey that collects state-specific, population-based data on maternal attitudes, behaviors and experiences before, during and after pregnancy.

MCH-10: Personal Responsibility Education Program: (PREP)/Teen Pregnancy Prevention (1844)

A grant from the Administration for Children and Families (ACF) is used for the implementation of an evidence based adolescent pregnancy prevention curriculum. Contracted through local agencies, the program takes place in two areas of the state with the highest adolescent birth rates (Sullivan County and the City of Manchester).

MCH-11: Family Planning: (5530)

Uses a combination of general/state and Office of Population Affairs/Federal funding for infrastructure and to enable 13 agencies with 23 sites to provide educational and clinical services to help low income women, men and adolescents maintain their reproductive health and to prevent unintended pregnancy.

Clinical services include routine exams, screening for cervical and breast cancer and sexually transmitted infections (including HIV), as well as the offer of a wide range of contraceptive methods. Services also include pregnancy testing and counseling, and education on reproductive health and sexuality.

MCH-12: Rape Prevention Education Program: (3388)

Provides, with funding from the CDC, a contract with the New Hampshire Coalition Against Domestic and Sexual Violence and its 13 member agencies. These agencies or crisis centers provide sexual violence prevention across the state, which also entails a large evaluation component contracted with Prevention Innovations Research Center at UNH.

MCH-13: Opioid Surveillance: (5040)

Utilizes CDC funding to augment the National Violent Death Reporting System with the Office of the Chief Medical Examiner to collect data on all opioid related deaths and overdoses.

MCH-14: Newborn Screening Revolving Fund: (5240)

This program funded by the cost of filter papers (by birthing hospitals in the state) enables all newborns to receive screening (through a blood spot on the filter paper) for a spectrum of congenital disorders. This program also funds a contract with the New England Newborn Screening Program for laboratory services.

MCH-15: Community Collaboration to Strengthen and Preserve Families: (7047)

The program will utilize Administration for Children and Families/Federal funding to develop, implement and evaluate strategies for strengthening families in Manchester and the Lakes Region, two areas of the state selected based on a range of risk factors including rates of opioid and other substance misuse and risk factors and rates of child maltreatment.

*Nutrition Services Section*

*Make a difference in the lives of the people we serve by inspiring, promoting and supporting healthy behaviors and connecting our participants with resources.*

Women, Infant and Children Supplemental Nutrition Program and Breastfeeding Peer Counselor Program: WIC/BFPC (5260, 2207, 6048)

Provides nutrition and breastfeeding education and support, as well as refers to other health and social service programs to low-income pregnant and postpartum, breastfeeding women, infants and children under age 5 to promote healthy behaviors and ensure optimal growth and development.

Commodity Supplemental Foods Program: CSFP (5260)

CSFP works to improve the health of low-income elderly persons at least 60 years of age by supplementing their diets with nutrition foods.

Senior Farmers Market Nutrition Program: SFMNP (5260)

Provides low-income seniors that participant in the NH CSF Program with a bundle of fresh fruits and vegetables from local New Hampshire farmers to supplement their diets.

Electronic Benefit Transfer: WIC, eWIC (3396)

An electronic system that replaces paper WIC vouchers with a card for food benefit issuance and redemption at authorized WIC grocery stores, with a federal mandate of statewide implementation by October 1, 2020.

Tobacco Prevention and Cessation Section

Tobacco Prevention and Control Program: TPCP (5608)

There is hereby established in the department of health and human services the tobacco use prevention and cessation program, which shall be administered with funds appropriated to the department for such purpose, and which shall include but not be limited to: I. Tobacco use prevention community programs and grants. II. Tobacco use prevention school programs and grants. III. Tobacco use prevention state-wide programs and grants. IV. Tobacco use cessation programs. V. Tobacco use prevention and cessation counter marketing. VI. Evaluation of tobacco control initiatives. VII. Administration and enforcement. Source. 1999, 183:3. 2000, 62:2. 2007, 263:113, eff. June 30, 2007.

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
DPHS-12	440,000	100%G	<b>Youth E-Cigarette Prevention Program/Bureau of Community and Health Services/Tobacco Prevention and Cessation (Acct Unit: 56080000).</b> In New Hampshire, there has been rapid increase in Electronic Nicotine Delivery Systems (ENDS) or e-cigarettes products among high school aged youth which is of great concern to the DHHS, and by extension, DPHS. The Youth Risk Behavior Survey (YRBS) in 2017 showed that currently 41.1% of high school students report that they have used e-cigarettes. The national average is around 11.7%. Currently New Hampshire Tobacco Prevention and Cessation Program is working with a contractor to conduct formative research in understanding attitudes and behaviors of high school aged peer groups. This information will lead to the development of a prevention campaign. State funds requested in SFY 20/21 would be used to develop this prevention campaign targeted at reducing e-cigarette use among high school aged youth.

*Infectious Disease Control (IDC)*

*Infectious Disease Surveillance Section: (2239, 5170, 5174, 5179, 2995, 5084)*

This Section monitors the occurrence of infectious diseases and other public health threats, collects, analyzes and reports data, and investigates outbreaks of infectious diseases in New Hampshire.

*Immunization Section: (5177, 5178)*

This Section reduces or eliminates vaccine preventable diseases through the purchase and distribution of vaccines to all children, birth through 18 years, residing in New Hampshire. The Section implements a quality control function that includes compliance and practice assessment for medical practices, schools, and child care agencies as well as develops and ensures compliance with immunization school entry requirements.

*Infectious Disease Prevention, Investigation, and Care Services Section: (2222, 2223, 2229, 7536)*

This Section investigates reportable infectious diseases, provides education to healthcare providers, promotes testing for infectious diseases, implements infectious disease prevention activities, and administers the Ryan White HIV Care Program and the TB Financial Assistance Program, which funds services for eligible clients living with HIV/AIDS or Tuberculosis in NH who are uninsured or underinsured. The Section maintains a 24/7/365 on call system to respond to public health emergencies and urgent matters related to infectious disease.

Public Health Emergency Preparedness: (7545)

IDC coordinates the Division of Public Health Services Incident Management Team and the Public Health Emergency Preparedness and Hospital Preparedness programs, which include 28 positions across DPHS and DHHS.

DPHS-6	497,700	100%G	<p><b>Sexually-Transmitted Diseases (STD) Prevention and Control/Bureau of Infectious Disease Control/STD/HIV Prevention (Acct Unit: 75360000).</b> In New Hampshire, more than 4,000 cases of sexually-transmitted diseases (STD) are reported each year, and New Hampshire has been experiencing large outbreaks of Gonorrhea and Syphilis over the last two years. These conditions, along with Chlamydia, have all increased substantially in recent years, while at the same time, funding to support efforts to control them have declined substantially. During the SFY 12-13 budget process, the STD Program biennium general fund budget of \$688,000 was eliminated. As a result of this elimination, many funded services halted including contracts for clinical STD/HIV prevention services that had been in place for many years with community health centers, family planning clinics and city health departments who provided confidential, integrated services for STD testing and treatment, HIV testing and counseling, Hepatitis A and B vaccine, and risk reduction counseling and referrals. In SFY 11, these clinics operated out of 20 sites geographically spread throughout the state and</p>

			<p>provided 6,254 visits, diagnosing 21% of all Chlamydia cases, 17% of all gonorrhea cases, 16% of all syphilis cases, and 9% of HIV/AIDS cases reported to NH DHHS. NH DHHS is currently only able to support two of these sites using federal funds in Manchester and Nashua. State funds requested in SFY 20/21 would be used to enhance testing, treatment and support services, and disease investigation and partner tracing to prevent the spread of disease. The following budget item is proposed: Funds to expand testing and referral community contracts into Merrimack, Rockingham and Strafford counties. This would allow for comprehensive STD/HIV/HCV services to be offered beyond Hillsborough County.</p>

Test for environmental hazards

GOAL #	# STAFF FY 2020-2021	GOALS	Performance Measure		Current Baseline	TARGET	FY 2020 Goal	FY 2021 Goal
			OUTPUT	OUTCOME				
BLS - 1	70 FT	Assure safe food supply by rapidly Identifying infectious microorganisms, biological toxins and chemical contaminants associated with foodborne disease and participating in national surveillance networks.	Identify the causative agent for foodborne illness outbreaks through laboratory testing of food samples submitted from outbreaks.	Percent of outbreaks in which samples are available for analysis from foodborne outbreaks.	Food samples received for analysis in only 50% of outbreaks.	Food samples received and tested in 90% of outbreaks.	Food samples submitted and tested for 80% of outbreaks.	Food samples submitted and tested for 85% of outbreaks.
BLS - 2	70 FT	Assure safe recreational and drinking waters through rapid analysis of water for bacterial and chemical contaminants.	Perform all EPA approved chemical and bacteriological testing of drinking waters	Percentage of approved EPA testing methods performed at PHL	97% of approved testing available at the PHL	100% of EPA testing methods provided by PHL.	98% of approved testing available at the PHL	100% of approved testing available at the PHL

Public Law 102-321 (US Code): Federal Block Grant for Substance misuse prevention and treatment; RSA 172:2-a; RSA 318-B:10 VII 9 (a); RSA 265-A

**DESCRIPTION:**

**Bureau of Drug and Alcohol Services (BDAS)**

**BDAS Mission: To join individuals, families and communities in reducing alcohol and other drug problems thereby increasing opportunities for citizens to achieve health and independence.**

The Bureau of Drug and Alcohol Services is responsible for managing the Federal Substance Abuse Prevention and Treatment block grant (primary funding source) and is responsible for the administration of the Department's contracts for alcohol and other drug misuse prevention, treatment services that are supported by resources from the block grant and the Governor's Commission on Alcohol and Drug Abuse Prevention, Treatment and Recovery. The Bureau provides administrative / regulatory oversight, on behalf of the Department, over the private for-profit methadone clinics (opioid treatment programs). The Bureau also serves as the Department's subject matter resource for alcohol and drugs, for managing public awareness efforts and training and technical assistance resources for prevention, treatment and recovery services.

The Bureau of Drug and Alcohol Services has a primary role in representing the Department of Health and Human Services, in concert with numerous stakeholders from the public and private sector, at both the state and local level, that are working together to implement the Governor's Commission plan for the state. This plan utilizes a comprehensive public health approach to address the misuse of alcohol and drugs in New Hampshire. Elements of a comprehensive approach include population level prevention strategies, targeted prevention services, early intervention, recovery support and treatment services.

**STATUTORY BASIS:**

RSA 135-F System of Care for Children's Mental Health and RSA 135-C

**DESCRIPTION:**

**Bureau for Children's Behavioral Health (BCBH)**

**BCBH Mission: To successfully implement a System of Care to enhance how children, youth and young adults receive behavioral health services in New Hampshire.**

The Bureau for Children's Behavioral Health develops, implements and manages programs for children, youth and young adults with mental health issues. This bureau was created with in the Division for Behavioral Health and focuses on the development and implementation of evidenced based and best practices for a child and youth approach to the delivery of behavioral health services. A primary goal of this bureau will be implementing the System of Care statute (RSA 135-F) which was enacted in 6/16/16. The implementation of the System of Care statute will include work with other agencies and bureau's across the department that deliver behavioral health services to children and youth. Cross departmental work will ensure a consistency in practice and approaches and increase access to needed services for children and youth and prevent children and their families from entering and using less effective, more costly services such as acute psychiatric hospital and DCYF involvement.

**STATUTORY BASIS:**

RSA 135-C and RSA 135-C:7

**DESCRIPTION:**

**Bureau of Mental Health Services (BMHS) – It is the mission of the Bureau to promote respect, recovery, and full community inclusion for people who experience a mental illness or emotional disturbance, which at times is accompanied by a simultaneous substance use or addiction. BMHS approaches this mission by working collaboratively with people who receive services, and by supporting a network of local services that are responsive, effective, and efficient.**

The Bureau of Mental Health Services is New Hampshire's single state mental health authority that seeks to promote respect, recovery and full community inclusion for adults who experience a mental illness. BMHS works to ensure the provision of efficient and effective community-based services to citizens who experience severe and persistent mental illness as defined by NH laws and rules..

The BMHS oversees grants and manages contracts with mental health family and peer support agencies, community mental health programs and specialty providers who provide support services to individuals with severe and persistent mental illness. The BMHS provides overall guidance, technical assistance, training and monitoring for mental health services in the State to ensure quality of services that are comprehensive and evidenced-based.

The BMHS has the following four areas of focus:

- Adult, Older Adult and Forensic Services
- Acute and Emergency Services
- Transitional and Supported Housing Services
- Peer and Family Support Services

AGENCY	092	HHS: BEHAVIORAL HEALTH DIV
ACTIVITY	BMH922010	BUREAU OF MENTAL HEALTH SERVICES

Programs are administered throughout the 10 community mental health regions in the State.

The BMHS clinical responsibilities include coordinating and developing a statewide system for mental health services. The BMHS sets policy; evaluates programs; assesses quality of care; provides education and training; and maintains and analyzes data. The BMHS contracts with providers and monitors their performance by analyzing monthly and quarterly data reports and through regular quality service reviews.

The BMHS also oversees requirements stipulated in the Community Mental Health Agreement.

**DESCRIPTION:**

**Division of Developmental Services – It is the mission of BDS to ensure that services for New Hampshire children with special health care needs and citizens of all ages, who have developmental disabilities and acquired brain disorders, are designed and carried out to support them and their families in order to achieve the highest level of community.**

BDS offers individuals a wide range of supports and services for individuals within their home communities. BDS is comprised of a central office and contracted agencies responsible to provide supports and services to individuals and families statewide including day and residential services, respite, service coordination, supported employment, family supports, early intervention services, services to chronically ill children and adolescents and their families, environmental modifications, transportation, assistive technology, crisis services, participant directed and managed services (PDMS) and specialty services (i.e. assessments). BDS' central office is tasked with monitoring fiscal and programmatic contract compliance, managing federal funds and compliance, providing technical assistance to community providers, developing and coordinating state and regional planning efforts, coordinating training to ensure effective delivery of quality supports and services and monitoring outcomes and performance measures in conjunction with BDS' design, assessing needs and implementing system improvement and management of three home and community based services waivers approved by the Centers for Medicare and Medicaid Services.

5 BDS - SFY20	88,192	56% G / 44% F	<p>requested for the ABD, DD, and IHS Waiver services. The cost to provide services has gone up since SFY 2006. The three waivers are also under a Corrective Action Plan with the Center for Medicare and Medicaid Services, which will require infrastructure changes and investment.</p> <p><b>Program Support (Acct Unit: 59470000).</b> The Office of Client and Legal Services (established by RSA 171-A: 19, to, in part, respond to complaints by or on behalf of individuals with disabilities) oversees the complaint investigation process for the developmental services system. Annually, approximately 400 complaints come in and over 350 formal investigations are conducted by 4 contracted complaint investigators. BDS does not have a position focused on this function and process. With the recent focus of the Office of Inspector General conducting reviews in MA, ME, and CT, regarding incident reports, complaints, and safety of those served, BDS is trying to strengthen this process. At the same time, we are also working to align our efforts better with Adult Protective Services, to avoid duplication, confusion, and streamline efforts.</p>

**STATUTORY BASIS:**

RSA 135-C NH Mental Health Services System

**DESCRIPTION:**

**New Hampshire Hospital (NHH) mission is to provide inpatient psychiatric services for children and adults needing active treatment and other essential supports within a continuum of community-based care.**

**Purpose and Nature of Work Conducted:** NHH is a 168 bed State operated and publicly funded psychiatric hospital which admits and discharges approximately 2,000 people with severe mental illness per year. The hospital is fully accredited by the Joint Commission to provide a range of specialized psychiatric services, including, comprehensive, active psychiatric treatment and rehabilitative services for children, adolescents, adults, and geriatric patients with severe mental illness. Most people admitted to NHH are on an involuntary basis because they have been found to be dangerous to themselves or others as a result of a mental illness. NHH works in close collaboration with Community Mental Health Centers, and other treatment providers, to develop appropriate discharge plans for each person leaving the hospital to ensure continuity of care.

Important trends that impact NHH include, but are not limited to: participating in the implementation of the Community Mental Health agreement to ensure compliance with transitional planning and reductions in readmissions; increased acuity of patients admitted; reduce numbers of individuals waiting in general hospital emergency rooms for a bed at NHH; enhance the Electronic Medical Record (EMR); and, an aging physical plant and infrastructure requiring capital investment.

Costs: \$6,130      \$1,700</p> <p><b>Facility/Patient Support (84100000).</b> 1 Supervisor VII</p> <p>1 Supervisor VII position is needed within the NHH Facilities Department to fill a need for the role of "Assistant Director of Facilities." New and expanded accreditation and regulatory requirements regarding healthcare facilities has caused the need for this new position. Currently, the Director of Facilities is unable to give proper and needed attention to high level administrative and compliance related efforts. This position will have a focus of managing day to day operations within the Facilities Department in order to permit the Director to focus on compliance and long term planning. Furthermore, this need has developed due to an increase in demand for daily operational Facilities related services from an aging building, and more acute/aggressive patient population resulting in excessive</p>

CATEGORY	05	HEALTH AND SOCIAL SERVICES
DEPARTMENT	00095	HEALTH AND HUMAN SVCS DEPT OF
AGENCY	095	HHS: COMMISSIONER'S OFFICE
ACTIVITY	COM950010	OFFICE OF THE COMMISSIONER

***The Office of the Commissioner includes the Commissioner's Office, the Employee Assistance Program, the Office of Finance, Contract Bureau and the Office of Emergency Services.***

*The Department of Health and Human Services mission is to join communities and families in providing opportunities for citizens to achieve health and independence*

***Responsibilities***

*To meet the health needs of New Hampshire citizens: The Department of Health and Human Services recognizes its responsibility to improve access to health care, to ensure its quality and to control costs through improved purchasing, planning and organization of health care services. The Department will work to prevent disease and to protect and improve the health and safety of all citizens through regulatory and health promotion efforts.*

*To meet the basic human needs of New Hampshire citizens: The Department has a responsibility to provide financial, medical and emergency assistance and employment support services to those in need, in order to assist individuals in reaching self-sufficiency.*

*To provide treatment and support services to those who have unique needs including disabilities, mental illness, special health care needs or substance abuse problems: The Department has a responsibility to ensure access to quality community-based services for eligible individuals.*

*To protect and care for New Hampshire's most vulnerable citizens: The Department has a special responsibility to support those who, due to age, disability or circumstance, are at risk and in need of protection.*

**RSA 126-A**

***Employee Assistance Program***

*The State of New Hampshire Employee Assistance Program offers confidential services designed to help state employees maintain a high level of productivity by preventing or resolving personal, family or workplace problems that may affect an employee's job performance.*

**RSA 126-A**

***Emergency Services Unit***

*The mission statement of the Emergency Services Unit is to provide Emergency Preparedness Support and response within the State of New Hampshire as it relates to Health and Human Services. This is accomplished through program management, planning, response and recovery coordination with local, state and federal and private nongovernmental organizations.*

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
NHH-3	227,902	36%GF, 64%Other	<p><b>Acute Psychiatric Services (87500000).</b> NHH presently lease 8 Pyxis machines to hold medication to be administered to patients. The present machines on the units are not large enough to hold all the medications needed for the patients on each unit. NHH requires an additional 6 auxiliary machines, which attach to the main Pyxis console to hold the number of meds needed on each unit identified. Since the Pyxis machines don't hold the right amount of medication on their own, this becomes a patient care concern as the right medication is not available and creates a workflow challenge. It is common practice for hospital units to have auxiliary machines added for extra space to allow for effective treatment of the patients. RSA9:4,IV,(i)</p>
DPHS-17	2,440,000	100%G	<p><b>Tickborne Disease Surveillance and Prevention/Bureau of Infectious Disease Control/ZIKA (Acct Unit: 50220000).</b> New Hampshire has one of the highest rates of tickborne diseases, such as Lyme disease, in the country. In response to a request by the Governor's Office, NH DHHS, along with our partners, has proposed \$2,867,210 over the biennium in</p>

**Delinking Medical and Cash Assistance for APTD and certain other assistance programs.**

“Public Assistance to Blind, Aged, or Disabled Persons, and to Dependent Children; Definitions. Amend RSA 167:6, VII, to read as follows:

VII. For purposes hereof, a person shall be eligible for medical assistance as categorically needy or as medically needy. A person shall be eligible as categorically needy if he receives financial assistance under RSA 167:6, I, IV, V or VI, or is otherwise eligible to receive such assistance but does not, **or is otherwise eligible, but does not due to receiving a finding of clinical ineligibility for federal cash benefits as described above**. A person shall be eligible as medically needy if he meets the categorical, age, and technical requirements under RSA 167:6, I, IV, V or VI, and if his income and assets meet the standards as prescribed for the medically needy program. A person shall also be eligible as

categorically needy or as medically needy who is eligible for medical assistance pursuant to the mandates of federal law or regulation or pursuant to optional state coverage groups which are allowed by federal regulation and defined by the commissioner of the department of health and human services in accordance with rules adopted under RSA 541-A, but who does not receive assistance or would not be otherwise eligible to receive assistance under paragraph I, IV, V, or VI of this section.”

Department of Health and Human Services; Bureau of Child Support Services; Payments to the Administrative Office of the Courts. The appropriation in account number 05-95-42-427010-7929, class 049, includes funds for payment to the administrative office of the courts in accordance with the cooperative agreement between the bureau of child support services and the administrative office of the courts. The bureau of child support services and the administrative office of the courts shall, prior to payment of such funds, enter into a cooperative agreement specifying in detail the services to be performed by the administrative office of the courts and the estimated costs of such services. Any change or modification in the services to be performed shall likewise be agreed to in writing and specify the

change and the adjustment to the costs. Funds appropriated for these purposes shall be paid only after demonstration by the administrative office of the courts that it consistently transmits court orders to the bureau of child support services in accordance with the cooperative agreement.

**DESCRIPTION:**

***Office of Improvement and Integrity (OI)***

***(OI) OI provides a comprehensive, integrated approach to prevent financial errors and fraud in NH DHHS programs; to maximize revenue; and, to strengthen quality, accountability, and public confidence in the operations and financial integrity of health and human services.***

OI consists of 7 units performing audits and investigations under regulations. The Fraud, Waste, & Abuse Unit includes the Special Investigations Unit, which investigates and prosecutes cases of client fraud; Provider Program Integrity, which investigates provider fraud, waste, and abuse within the Medicaid program; the Third Party Liability Unit, which ensures Medicaid is the payer of last resort; and Parental Reimbursements, which determines the parent's ability to pay for child protection services. The Financial Compliance Unit and the Federal Audit Oversight unit conduct or assist other units to perform site reviews of sub-recipients of federal and state funds and conducts audits of Department service delivery facilities. The Quality Assurance Unit monitors the accuracy of eligibility determinations.

**DESCRIPTION:**

**Ensure that DHHS' delivery of services adheres to and fairly applies the laws and regulations developed to implement legislative policy.**

Within this Activity are several distinct areas: The Licensing Units are responsible for the licensing and inspections of child care providers and health care facilities within the State. The Legal Services Unit is comprised of attorneys, para-professionals, and support staff who deliver a wide range of legal services to all DHHS program areas including litigation, legislation, policy development, and legal interpretation of federal and state laws and rules. The Administrative Appeals Unit hears appeals from any individual applying for or receiving services from DHHS, from any facilities that are licensed or certified by DHHS, or any other matter within the jurisdiction of DHHS. The Office of the Ombudsman responds to complaints and requests for assistance from clients, employees, and members of the general public to resolve disagreements in matters that involve DHHS.

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
Prog Supp 8 - FY20	24,288	33% gen, 67% fed	<p>Prog Supp - 8 Health Facilities is required to travel the state licensing and inspecting facilities. A number of our vehicles travel between 15,000 to 20,000 mile per year. The cost of paying mileage would outweigh the cost of purchasing a vehicle.</p>
Prog Supp - 9 FY20	24,228	59% gen, 41% fed	<p>Prog Supp - 9 We are requesting a replacement to P-27, a 2014 Jeep Patriot, which had 91,737 miles at the end of July 2018. Since this vehicle was received by this department four years ago, the staff person that this vehicle is assigned to has averaged 1,755 miles per month. If the staff person were to drive her own vehicle instead of a State of New Hampshire vehicle, it would cost the department approximately \$956 per month in mileage. We are requesting that this vehicle be replaced by another Jeep or similar four wheel drive vehicle, as the staff person covers the area from Conway over to the Vermont border and north to West Stewartstown.</p>

**Office of Quality Assurance and Improvement**

*The Office of Quality Assurance and Improvement (OQAI) supports and strengthens the mission of DHHS by offering data driven support that assesses the output and internal operations of the Department in its effort to assist families in achieving health and independence.*

*OQAI directs and monitors formal performance improvement projects through data driven, DHHS-wide collaborative activities in response to regulatory, grant and contract requirements. Performance measure are developed based on project*

*milestones and metrics to track implementation progress, clinical quality and utilization indicators leading to the development of standards and approaches that support program progress. OQAI assists the Department of Health and Human Services and other bureaus across the Department in carrying out their functions with an emphasis on: conducting collaborative provider quality reviews; performing data analytics for DHHS impact areas; developing dashboards to measure impact areas and service offerings; measuring, tracking and communicating outcomes; and identifying gaps in service offerings.*

**STATUTORY BASIS:**

RSA 126-A

**DESCRIPTION:**

**QQAI is comprised of four functional units of operation:**

1) Bureau of Data Analytics: The Bureau of Data Analytics (DA) provides leadership and expertise for the development, standardization, and improvement of Departmental analytics and reporting including: a) collect, manage, analysis, and report on Medicaid claims/encounters, community mental health system, substance uses disorder treatment system, and the Comprehensive Healthcare Information System (CHIS) of commercial and Medicare healthcare claims; b) ad hoc analysis of payment methods and rates, prospective evaluations of new program proposals, quantitative evaluation of program performance, etc. c) assist with Medicaid Managed Care finance and policy development; d) management of the Electronic Health Record Incentive Program; e) performance reporting for the Delivery System Reform Incentive Payment (DSRIP) Medicaid transformation waiver; f) management of the Medicaid Quality Information System; and g) development of enterprise business intelligence solutions.

2) Bureau of Medicaid Quality Management: The Bureau of Medicaid Quality Management (MQM) leads data driven quality assurance and improvement activities for the Medicaid program, primarily for the Medicaid Care Management (MCM) Quality Program. MQM maintains the CMS required Quality Strategy that guides the work of the program to assure that members have access to quality care from Managed Care Organizations. The work is conducted by monitoring over 350 quality measures, oversight by an external quality review organization, and performance improvement activities. MQM provides structured evaluation and reporting for Medicaid Waivers. These include the Delivery System Reform and Incentive Payment (DSRIP), Granite Advantage, IMD Substance Use Disorder, and the 1915(b) Mandatory Managed Care Enrollment Waivers.

ACTIVITY	QAI955010	QUALITY ASSURANCE & IMPROVEMTS

3) Bureau of Health Services Assessment: The Bureau of Health Services Assessment (HSA) develops methods for evaluating and identifying health needs and priorities as outlined in applicable state, federal and Olmstead regulations. HSA provides enhanced coordination and support to other DHHS Bureaus in evaluating the appropriateness and effectiveness of DHHS community service providers through the implementation of quality assurance reviews and quality improvement monitoring. HSA reviews DHHS community providers including 10 mental health centers, 4 psychiatric inpatient facilities, and 7 case management agencies. HHS provides DHHS program areas with data analysis and reports to inform public policy, resource allocation, and gaps in quality service delivery. HSA also oversees the DHHS Sentinel Event reporting and cross-system reviews.

4) The Bureau of Substance Misuse Systems Planning and Evaluation- The Bureau of Substance Misuse Systems Planning and Evaluation (SMSPE) leads the development of mechanisms for utilizing data to improve substance misuse programming and performance, including: a) identifying the prevalence and consequence of substance misuse on individuals, families, communities, institutions, and the state as a whole; b) analyzes, plans, and integrates data to support and guide Departmental strategies and policies to improve the efficiency and effectiveness of substance misuse programming; c) leading a Department-wide effort to define indicators that will appropriately inform policy for substance misuse strategies and services and track the efficiency and effectiveness of programs and practices; and d) preparation and analysis of quality reports and performance management dashboards relative to substance misuse.

**DESCRIPTION:**

University System of New Hampshire

The mission of the University System of New Hampshire is to serve the higher educational needs of the people of New Hampshire. The University System strives to assure the availability of appropriate higher educational opportunities to all New Hampshire people; seeks to enroll a diverse student population to enhance educational experiences; and provides programs and activities based on a commitment to excellence. Through its institutions, the University System engages in research which contributes to the welfare of humanity and provides educational resources and professional expertise which benefit the state and its people, the region and the nation.

**USNH STEM TALENT PIPELINE INITIATIVE**

A statewide initiative aligned with the Governor's overall workforce focus that targets high demand areas of healthcare and precision manufacturing across the state, as informed by both stakeholders and employment data. This one-time \$27 million State investment will dramatically expand USNH nursing capacity and address identified precision manufacturing needs.

**DESCRIPTION:**

***Division of Educator Support and Higher Education (DESHE) Mission***

*To enable more people to obtain a better education through quality options, while protecting students financially & academically.*

Higher Education Commission (Accounting Unit 86790000) – Protect students, promote access to postsecondary education, and conduct research and studies related to higher education. The Higher Education Commission oversees all private colleges and universities in NH.

Administration Fees (Colleges & University fees, and Closed School Transcripts Accounting Unit 67770000) - Ensure courses / programs / degrees at degree-granting higher education institutions under DESHE jurisdiction meet NH standards, manage NH participation in National Council for State Authorization Reciprocity Agreements (NC-SARA), and provide closed school transcripts to former students.

Private Postsecondary Career Schools (Accounting Unit 18590000) – License and regulate non-degree-granting career schools. There are approximately 70 licensed career schools in NH serving about 17k students annually.

Veterans Education Services (VES) (Accounting Unit 18600000) – Approve programs, on-the-job training, and apprenticeships in accordance with Veterans Administration standards for eligible veterans utilizing their Montgomery GI Bill benefits. VES covers approximately 125 facilities, 2,400 program approvals, and 9,680 veterans.

Bureau of Credentialing (Acct. Unit 90080000) – Responsible for ensuring that all K-12 public and charter school educators are certified in accordance with NH standards. There are approximately 15K credentialed educators. Ensure teacher preparation programs (a.k.a. Professional Educator Preparation Programs – PEPP) in NH (public and private colleges and universities) are performing in accordance to regulations. There are 14 schools teaching approximately 200 PEPP programs approved in NH.

New England Board of Higher Education (NEBHE) (Accounting Unit 18650000) – “A state created “compact” that provides several cost-saving education programs for the six New England states.” NEBHE provided 2,433 residents with reduced tuition saving students \$13.9M dollars in tuition savings 2018.

Dual & Concurrent Enrollment (Accounting Unit 90070000) – Work with Community College System of New Hampshire to promote access to dual & concurrent programs around the state. The Dual & Concurrent Enrollment program provided \$495,890 in reimbursement to students in the 2017-18 school year.

Scholarships for Orphans of Veterans (Accounting Unit 18640000) – Distribute \$10k per year in scholarships to children of veterans who died while on active duty or from a service related disability.

Teacher Competency Fund (Acct. Unit 90110000) – Provide scholarship money to increase the professional competence of teachers from the dividends and interest generated.

Harriet L. Huntress Fund (Acct. Unit 90120000) – Provide scholarships, i.e. *“Monies to be expended for aid to be rendered to needy residents of the state of New Hampshire who are students in any of the State Normal Schools.”* (a.k.a. teacher preparation programs) from the dividends and interest generated, no more than \$50 per award. (from State Board of Education meeting minutes May 15, 1924)

Hattie E.F. Livesey Fund (Acct. Unit 90140000) – Provide scholarships, from *“...the income alone to be used to assist worthy pupils in the normal schools [a.k.a. teacher preparation programs] in the State of New Hampshire.”* (from State Board of Education meeting minutes December 31, 1945)

(A) Efficiency Budget Statute/Rule Changes: None

(B) Additional Statute/Rule Changes: None

(C) Any Other Requests:

1. Modify Title XV, Chapter 186:60 to reassign the Commissioner or designee as executive secretary of the Professional Standards Board
2. Modify Chapter 190:2 to allow the Commissioner to assign a designee to the Council for Teacher Education
3. Provide additional detail for the calculation of the surety bond amount, letter of credit, and term deposit in the recently passed SB 442. And add requirements to the Surety Bond option to ensure major causes of default are not excluded.

4. In Hedc 508.06 – Remove the wording allowing the use of personal “checks” to pay for educator credentials. This will eliminate NSF checks and the additional man-hours to process.
5. RSA 292:8-kk and Hedc 406.06 (b) – Update college and university requirements to reflect current economic conditions, e.g. reduce the requirement for closing schools to provide two hardcopy certified transcripts to just one hardcopy transcript, etc.
6. Hedc 408.01 – Update Schedule of Required Institutional Fees table to reflect current economic conditions.

(D) Other Footnote Requests: None

(E) Current Transfer Authority: None

**DESCRIPTION:**

**Division of Learner Support (DLS):** The Division of Learner Support provides and promotes high quality technical assistance and program reviews to the State’s educational communities through innovative leadership so that all students are ready to learn. This is accomplished by focusing on personalized learning and instruction; student, family and educator support; student wellness; services for special populations; and career exploration.

Bureau of Adult Education: The Bureau of Adult Education (BAE) is committed to improving adult learners’ literacy, English language acquisition and other academic skills by providing and promoting leadership, technical assistance and collaboration statewide that leads to a high school diploma or equivalency in order to support successful transition into postsecondary education, training and employment.

Bureau of Career Development: The Bureau of Career Development (BCD) is committed to supporting strategies that guide each student in designing and navigating a personalized career pathway as he or she practices and demonstrates mastery of program competencies by providing and promoting leadership, financial support, and technical assistance to regional career and technical education centers and postsecondary education and training providers.

Prioritized Need	AMOUNT	SOURCE OF FUNDS	EXPLANATION
1	57,901	S	<p><b>New Hampshire Lottery is seeking a priority Human Resources Assistant (LG 14) to support the Human Resources Coordinator II.</b> With the acquisition of Racing and Charitable Gaming (less than three years ago), and Keno and iLottery (within the last year), the need for support in Human Resources has substantially increased. The size and volume of the agency warrants more than one person in HR to perform training, proper onboarding, maintenance for employees on FMLA, succession planning, recruiting, and retention efforts. Transactional items such as Payroll and Performance Summary tracking must be done to not impact an employee's pay and the timeframe doesn't allow for the one employee to be out and/or take accumulated time which can put the agency at risk.</p>
2	64,570	S	<p><b>New Hampshire Lottery is seeking a priority Lottery Sales Representative (LG 18) to maintain Lottery retailers.</b> The Lottery increased net profit by 14% in FY2018. This includes the addition of Keno on December 15, 2017. As of date, Keno has 159 retailers with a goal of 250. In order to continue the momentum, an additional Sales Rep is needed to properly service retailers throughout the state.</p>
3	52,445	S	<p><b>New Hampshire Lottery is seeking a priority Warehouseman (LG 10) to support the Warehouse and Fleet.</b> The Lottery is in the process of purchasing the</p>

DEPARTMENT	00083	LOTTERY COMMISSION
AGENCY	083	LOTTERY COMMISSION
ACTIVITY	LOT830013	NH LOTTERY COMMISSION

**(A) Efficiency Budget Statute/Rule Changes:**

**Games of Chance - RSA 287 - D**

- Revise the definition of Game Operator Employer (GOE) (RSA 287-D:1,VIII) to remove the requirement that they also be licensed as primary. This was a remnant of the old RSA which did not require GOE to be licensed.
- Add expiration date of GOE licenses. If dual licensing of GOE's is required, then this should be the same date as their Primary Game Operator (GO) license. Otherwise, mimic the expiration date for facilities since GOE may also own the facility they operate out of.
- Revise the requirement that all licensees get criminal background checks (see RSA 287-D:12,I) to either exempt charitable organizations, or specify who in the organization this requirement applies (For ex. treasurer and anyone else who controls the money)
- Add language to prevent Individuals/Entities acting as de-facto GOE's to by pass State licensing requirements and regulation..
- Add a minimum rake requirement or change the rake to a percentage of the pot for all games. This would prevent \$0 rake games, which do not generate revenue for the charity or the state. Currently, Game Operators vary their rake throughout a game date. A standard rake would help make it easier to track the amount collected and the taxes due. The RSA could be limited to restricting \$0 rake games, but the specifics can be set in rule, to allow flexibility so as not to disadvantage small rooms.
- Add language to track and verify the money generated from progressive side-bets (i.e. the Bad Beat and High Hand). The game operators

currently do submit a report and a copy of their bank statements, but it is not required to do so by statute so they could refuse to comply. The regulation should stipulate that each monthly report (with bank statement) is due by the 20<sup>th</sup> of the following month. This could possibly be addressed by rule.

- Consider adding a rake to side bets, such as the Bad Beat. Certain poker rooms do pay a percentage to the state and the charities, but others do not. This would add uniformity to collecting rake on side bets by all game rooms and also benefit the charities.

**BINGO/LUCKY 7 - RSA 287-E**

- Consider amending RSA 297-E:7, VI to mimic games of chance which only restricts misdemeanors and felonies that are related to theft, etc. (not all convictions are the same).
- Amend RSA 287-E:24, IV to increase the amount that requires payment by check to \$600 to mimic IRS and Lottery rules.

**GAMES OF CHANCE (RSA 287-D) & BINGO/LUCKY 7 (RSA 287-E)**

- Revise the definition of a "Charitable Organization" in the GOC and the Bingo/L7 statutes to be consistent. Currently Bingo/L7 is more restrictive than GOC. Similarly, the definition of "bona fide member" should also be consistent across RSAs.

**HORSE AND DOG RACING RSA 284:**

**STATE OF NEW HAMPSHIRE

DEPARTMENT	00083	LOTTERY COMMISSION
AGENCY	083	LOTTERY COMMISSION
ACTIVITY	LOT830013	NH LOTTERY COMMISSION

- Recodify entire RSA
  - Remove all references to live dog racing.
  - Update all horse racing and pari-mutuel pool regulations, and consolidate into a single, separate section or RSA.
- Amend RSA 284:22-a to remove the restriction that simulcast wagering only be allowed at racetracks that have live racing or were licensed to have live racing as of 1/1/09. With the loss of Rockingham and likely closure of Hinsdale on 9/23/19, this leaves Seabrook as a viable simulcast facility.

**STATUTORY BASIS:**

RSA 106-L

**DESCRIPTION:**

*TRA Mission: - Providing high-quality, innovative, credible and responsive basic, advanced, and specialized training to New Hampshire Police, Correctional, Probation and Parole officers.*

Operates certification training programs for part-time and full-time police and state corrections officers in both basic academies and in-service training programs to include regional, online and video-conferenced training. The full-time police officer academy is a 16 week residential academy, the full-time correction officer academy is a 9 weeks and the part-time police officer academy runs 14 weeks with night and weekend training. In-service classes are offered regionally, on-site, online and through video-conferencing.
