<p>Revenue in excess of the estimate may be expended with prior approval of the fiscal committee and the approval of the governor and council. In the event that estimated revenue is less than budgeted, the total appropriation shall be reduced by the amount of the shortfall in either actual or projected budgeted revenue. The agency head shall notify the bureau of accounting services forthwith, in writing, as to precisely which line item appropriation and in what specific amounts reductions are to be made in order to fully compensate for the total revenue deficits. The provisions of this footnote do not apply to federal funds covered by RSA 124:14.</p>

Establishment of fees by Boards. All Boards and Commissions which have not already established fees for examinations applicants, applicants for a license or registration, a publication which they sell or any other program for which they are specifically authorized to charge a fee shall adopt rules under RSA 541-A relative to fees for such programs. Such fees shall recover, on an annual or biennial basis, the full cost of the program, including the cost of support and administrative services provided by other agencies, or 125% of the direct cost of the Board or Commission relating to the program, whichever is greater. A Board or Commission which establishes fees for examination applicants may expend such funds for examinations, related services, or supplies as needed, but not to exceed the direct cost of the examination.

Establishment of fees by Boards. All Boards and Commissions which have not already established fees for examinations applicants, applicants for a license or registration, a publication which they sell or any other program for which they are specifically authorized to charge a fee shall adopt rules under RSA 541-A relative to fees for such programs. Such fees shall recover, on an annual or biennial basis, the full cost of the program, including the cost of support and administrative services provided by other agencies, or 125% of the direct cost of the Board or Commission relating to the program, whichever is greater. A Board or Commission which establishes fees for examination applicants may expend such funds for examinations, related services, or supplies as needed, but not to exceed the direct cost of the examination.

For grants to airport sponsors, the Aeronautics Division may allocate up to 90% to airports not listed in the national plan of integrated airport systems. In making allocations, the Aeronautics Division shall give due consideration to airport sponsorship, airport characteristics, including pavement, aviation services available, type of aviation activity, annual aircraft operation, population served, number of based aircraft, days of operation, operating expense deficit, etc. For grants-joint state and local, state funds granted to airports which are not eligible for federal funds shall be matched with local funds on a 80/20 basis. Before any state funds are granted, the airport shall execute an agreement with the state subject to the approval of the Governor and Council, guaranteeing that the state grant shall be refunded if the airport is abandoned or converted to any other use within 10 years of the state grant.
