23 III. The commission, upon verifying that a school is operating without a license, shall issue a
24 cease and desist order to such school.

25 employment classification at the rate determined in accordance with the following table:

- 26 (1) ~~Employees of employers other than the state 5.00~~
27 ~~Employees of the state hired on or before June 30, 2009 5.00~~
28 ~~Employees of the state hired after June 30, 2009 7.00~~
29 ~~Teachers 5.00~~ }

13 *and 50,* as provided in RSA 100-A:5, II(b) and RSA 100-A:6, II(b), and this provision for such
14 members shall not affect the method of determining average final compensation as provided in RSA
15 100-A:1, XVIII. In determining the amount earnable by a member in a payroll period, the board may
16 consider the rate of compensation payable to such member on the first day of a payroll period as
17 continuing throughout the payroll period and it may omit deduction from compensation for any
18 period less than a full payroll period if such person was not a member on the first day of the payroll
19 period, and to facilitate the making of deductions it may modify the deduction required of any
20 member by such an amount as shall not exceed 1/10 of one percent of the annual earnable
21 compensation upon the basis of which such deduction is made. The amounts deducted shall be
22 reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the
23 retirement system at such times as may be designated by the board of trustees and credited to the
24 individual account, in the member annuity savings fund, of the member from whose compensation
25 the deduction was made.

16 [~~each of~~] the above named panels the governor and council shall appoint [~~one person annually to~~] **the**
17 **active member trustees of** the board [~~except for the panel of the Local Government Center, which~~
18 ~~shall have one person appointed every 2 years~~] **as needed so as to maintain the representation**
19 **on the board. The governor and council shall appoint the employer members of the board**
20 **with one member nominated by the New Hampshire Association of Counties, one member**
21 **nominated by the New Hampshire Municipal Association, one member nominated by the**
22 **New Hampshire School Boards Association, and one member to represent management of**
23 **state employees.** Members appointed to the board in the manner aforesaid shall serve for a term of
24 2 years. Each member so appointed shall hold office until his or her successor shall be appointed and

33 any meeting.

34 183 Application; Board of Trustees Membership. Members of the board of trustees for the
35 retirement system on the effective date of this section shall serve for the remainder of their terms.
36 In order to conform to changes to the retirement system board of trustees made by this act, upon a
37 vacancy occurring in the membership on the board of trustees after the effective date of this section,

1 the appointment of a trustee shall be made to reasonably conform to the trustee designations in
2 RSA 100-A:14, I.

3 184 Repeal of Special Account Funding. RSA 100-A:16, II(h)(2), relative to the method of
4 allocating funds to the special account, is repealed.

5 185 Return of Members' Contributions; Reference to Assumed Rate of Return. Amend RSA 100-
6 A:11, I(a) to read as follows:

7 (a) If a group I member ceases to be an employee or teacher for reasons other than
8 retirement or death and if he or she has not elected to receive a vested deferred retirement allowance
9 under RSA 100-A:10, the amount of his or her accumulated contributions shall be paid within 3
10 months after his or her written request therefor, provided that the member may not file a written
11 request for such payment until at least 30 days from the date the member ceases to be an employee
12 or a teacher and provided that the member may not again become a group I member during said 30-
13 day period. A group I member shall cease to be an active member if he or she is absent from service
14 for more than 180 days, without requesting return of the amount of his or her accumulated
15 contributions, and the retirement system shall retain his or her accumulated contributions. The
16 annual return credited on inactive, vested members shall be paid pursuant to RSA 100-A:16, II(g).
17 The board shall hold and invest such accumulated contributions on behalf of the inactive member,
18 provided that the annual return credited on the inactive member's accumulated contributions shall
19 be 2 percentage points less than either the assumed rate of return determined [~~under RSA 100-A:16,~~
20 ~~II(h)~~] **by the trustees** or the actual rate of return, whichever is lower, for the immediately preceding
21 fiscal year as reported in the comprehensive annual financial report (CAFR), provided the rate of
22 return shall not be less than zero. The inactive member may make a written request for his or her
23 total accumulated contributions, provided he or she is not on a leave of absence, and he or she shall
24 be paid within 3 months after his or her written request. In the event an inactive member who has
25 not withdrawn his or her contributions under this section returns to become an active member in
26 service, his or her previous service shall count toward that member's creditable service to the extent
27 that his or her accumulated contributions have remained in the retirement system.

28 186 Return of Members' Contributions; Reference to Assumed Rate of Return. Amend RSA 100-
29 A:11, II(a) to read as follows:

30 (a) If a group II member ceases to be a permanent policeman or permanent fireman for
31 reasons other than retirement or death and if he or she has not elected to receive a vested deferred
32 retirement allowance under RSA 100-A:10, the amount of his or her accumulated contributions shall
33 be paid within 3 months after his or her written request therefor. A group II member shall cease to
34 be an active member if he or she is absent from service for more than 180 days, without requesting
35 return of the amount of his or her accumulated contributions, and the retirement system shall retain
36 his or her accumulated contributions. The annual return credited on inactive, vested members shall
37 be paid pursuant to RSA 100-A:16, II(g). The board shall hold and invest such accumulated

1 contributions on behalf of the inactive member, provided that the annual return credited on the
2 inactive member's accumulated contributions shall be 2 percentage points less than either the
3 assumed rate of return determined ~~[under RSA 100-A:16, II(h)]~~ **by the trustees** or the actual rate of
4 return, whichever is lower, for the immediately preceding fiscal year as reported in the
5 comprehensive annual financial report (CAFR), provided the rate of return shall not be less than
6 zero. The inactive member may make a written request for his or her total accumulated
7 contributions, provided he or she is not on a leave of absence, and he or she shall be paid within 3
8 months after his or her written request. In the event an inactive member who has not withdrawn
9 his or her contributions under this section returns to become an active member in service, his or her
10 previous service shall count toward that member's creditable service to the extent that his or her
11 accumulated contributions have remained in the retirement system.

12 187 Medical Benefits Subsidy; Payment by Retirement System. Amend RSA 100-A:52, II to
13 read as follows:

14 II. However, for the fiscal year beginning July 1, 1990, the maximum amount payable by the
15 retirement system under this subdivision on account of each person qualified under paragraph I who
16 is not entitled to Medicare benefits, shall be \$101.50 per month, and on account of each person
17 qualified under paragraph I who is entitled to Medicare benefits, shall be \$64 per month. As of
18 July 1, 1991, and on each July 1 until and including July 1, 2007, the maximum amount payable by

20 previous increases. After July 1, 2007 ~~[and until and including July 1, 2011]~~, the rate payable under
21 this paragraph shall not be increased. ~~[As of July 1, 2012, and on each July 1 thereafter, the~~
22 ~~maximum amount payable by the retirement system as provided in this paragraph shall be~~
23 ~~increased by 4 percent, compounded on previous increases.]~~

24 188 New Sections; Retirement System; Return to Work; Form Required. Amend RSA 100-A by
25 inserting after section 27 the following new sections:

26 100-A:27-a Return to Work; Suspension of Benefits. No person who retires after January 1,
27 2012 and is receiving retirement benefits under this chapter shall within 6 months of his or her
28 retirement be employed by the state or another participating employer. Beginning January 1, 2012,
29 no person shall be hired into a full-time position for which membership is required under RSA 100-
30 A:3, or hired into a full-time state position for which membership is optional under RSA 100-A:3, I,
31 while concurrently receiving a retirement benefit under this chapter. Benefits shall be suspended
32 during any such period of employment.

33 100-A:27-b Form Required. The retirement system shall provide to employers a form to be
34 signed, dated, and submitted by persons hired by the employer containing such information as
35 determined necessary by the retirement system and a statement establishing that the person is not
36 currently receiving an allowance under this chapter. Employers shall submit such forms to the
37 retirement system.

1 189 Repeal. 2002, 137:7, relative to the application of the repeal of former RSA 100-A:3, I(c), is
2 repealed.

3 190 Transfer Required; Special Account of the Retirement System. The board of trustees of the
4 retirement system shall forthwith transfer the remaining balance in each of the components of the
5 special account established under RSA 100-A:16, II(h) to the state annuity accumulation fund.

6 191 Study Committee Established; Voluntary Defined Contribution Plan.

7 I. There is established a committee to study the establishment of a federal tax qualified
8 voluntary defined contribution plan.

9 II. The members of the committee shall be as follows:

11 administration committee, appointed by the president of the senate.

12 (b) Three members of the house of representatives, each of whom shall be from the

21 V. The committee shall report its findings and any recommendations for proposed legislation
22 to the president of the senate, the speaker of the house of representatives, the senate clerk, the
23 house clerk, the governor, and the state library on or before November 1, 2011.

27 II. RSA 100-A:4-b, relative to group I employees and teachers purchase of credit for out-of-
28 state service.

29 III. RSA 100-A:4-c, relative to group II members purchase of credit for out-of state service.

30 193 Severability. If any provision of sections 170-192 of this act or the application of such
31 provision to any person or circumstance is held invalid or is deemed not to comply with applicable
32 law or regulations of the Internal Revenue Service so as to jeopardize the retirement system's status
33 as a qualified governmental pension plan, the invalidity or non-compliance does not affect other
34 provisions or applications of such sections of this act which can be given effect without the invalid
35 provisions or applications, and to this end such provisions of this act are severable.

36 194 Retirement System; Recalculation of Employer Rates; Recertification. Notwithstanding the
37 notice requirements of RSA 100-A:16, III, the board of trustees of the retirement system shall

1 recalculate employer contribution rates for the state fiscal years 2012 and 2013 to reflect the
2 requirements of this act. The recertification of such rates shall be a recalculation of those rates
3 previously established, using the same actuarial assumptions that were applied for the initial
4 calculation. This recertification shall not include the lower assumed rate of return recently approved
5 by the retirement system board of trustees which shall take effect in fiscal year 2014.
6 Notwithstanding the notice requirements of RSA 100-A:16, III, such employer contribution rates
7 shall be effective as soon as possible following July 1, 2011. The recertification of employer
8 contribution percentages shall be effective when provided to each employer within a reasonable
9 period of time not to exceed 30 days from the recertification. The exception to the notice
10 requirements of RSA 100-A:16, III in this section shall be limited to the applicable employer
11 contribution rates for the biennium beginning July 1, 2011.

12 195 Contingency; Retirement System Changes. If SB 3-FN-A-LOCAL of the 2011 legislative
13 session becomes law then sections 170 through 194 of this act shall not take effect.

16 (b) The contributions of each employer for benefits under the retirement system on
17 account of group II members shall consist of a percentage of the earnable compensation of its
18 members to be known as the “normal contribution,” and an additional amount to be known as the
19 “accrued liability contribution;” provided that ***beginning with state fiscal year 2012 and for***
20 ***each state fiscal year thereafter***, any employer~~[- other than the state, shall pay 70 percent of such~~

28 ~~provided further that, in case of group II members employed by the state, the state shall pay both~~
29 ~~normal and accrued liability contributions]~~. The rate percent of such normal contribution, including
30 contributions on behalf of group II members whose group II creditable service is in excess of 40
31 years, in each instance shall be fixed on the basis of the liabilities of the system with respect to the
32 particular members of the various member classifications as shown by actuarial valuations, except
33 as provided in subparagraphs (h) and (i).

34 (c) The contributions of each employer for benefits under the retirement system on
35 account of group I members shall consist of a percentage of the earnable compensation of its

10 basis of the liabilities of the system with respect to the particular members of the various member
11 classifications as shown by actuarial valuation, except as provided in subparagraphs (h) and (i).

12 197 Statutory Construction; Publication of Notice. Amend RSA 21:32 to read as follows:

13 21:32 Publication of Notice; ***Publication for Statewide Circulation.***

14 ***I.*** By the words “publish,” “published,” “publishing,” or “publication,” when notice is required
15 or permitted to be given by publication, shall be intended publication in a newspaper circulated in

28 198 Rest Areas and Welcome Centers. Amend RSA 12-A by inserting after section 43-a the
29 following new section:

30 12-A:43-b Rest Areas and Welcome Centers.

31 ***I.*** The department of resources and economic development shall be responsible for the
32 staffing of rest areas and welcome centers along the state’s highways. There is established in the
33 department a bureau of visitor service to administer this function. The commissioner may consult
34 with the local chambers of commerce relative to said function, and shall have the authority to enter
35 into contracts with private or public entities for said function as the commissioner deems
36 appropriate.

37 ***II.*** Notwithstanding paragraph I, the department of transportation and the liquor

1 commission may undertake and/or participate in the development of new welcome centers in
2 Hooksett on the northbound and southbound lanes of Interstate Route 93 as authorized by the
3 legislature.

4 199 Repeal. RSA 228:106, relative to the bureau of visitor service, is repealed.

5 200 Flood Control; Reimbursement to Cities and Towns. Amend RSA 122:4 to read as follows:

6 122:4 Reimbursement to Cities and Towns.

7 **I.** On a date not later than 30 days following the establishment and approval of tax rates for
8 each city and town affected by and subject to the provisions of this chapter, the state treasurer shall
9 pay to each town and city in which any taxable real estate or interest therein has been acquired
10 under this chapter by the United States and thus become tax exempt for such year, a sum equal to
11 the taxes which would have been assessed against the real estate or interest therein in such town or
12 city if the same had been included in the list of taxable property as proposed by the commissioner of
13 revenue administration in RSA 122:6. For land acquired by the United States under this chapter,
14 reimbursement shall be made upon a valuation determined as provided herein on a permanently
15 continuing basis, and if growing wood and timber was taxable as real estate on the date of
16 acquisition by the United States of the land on which it stood, it shall be deemed to be land
17 hereunder. For all artificial improvements on land acquired by the United States under this
18 chapter, including buildings, structures and other artificial real estate fixtures of any kind,
19 reimbursement shall be made upon a valuation determined initially as provided herein and
20 thereafter annually reduced by 2-1/2 percent so that at the end of 40 years reimbursement therefor
21 shall have terminated. On land and improvements thereon acquired by the United States under this
22 chapter the initial assessed valuation of the land and improvements for purposes of reimbursement
23 shall be the locally assessed valuation thereon for the tax year in which acquired as adjusted by the
24 assessors and the commissioner of revenue administration acting as a joint board, so as to make such
25 valuation proportional to the value of all other property in such town or city subject to taxation. For
26 purposes of this section the joint board may subdivide such assessment equitably between land and
27 improvements thereon or between real estate acquired and that not acquired, if the official
28 assessment was not thus subdivided. The valuations of improvements thus determined shall
29 thereafter be annually reduced over a 40-year period as above provided. On land, and artificial
30 improvements, the valuations initially established as above provided in a town or city shall be
31 reviewed by the commissioner at least once in every 5 years and more frequently if reasonably
32 necessary and be changed as necessary to make them proportional with the assessed value of all
33 other taxable property in such town or city. The amount of the reimbursement due to each town and
34 city hereunder shall be determined by the commissioner and certified by it to the state treasurer not
35 later than 30 days following the establishment and approval of the tax rates of each town and city
36 under this chapter. The commissioner shall reduce the amount of reimbursement thus determined
37 by any amount paid or due that town or city for that year by or from the United States, another

1 state, an interstate flood control agency or other source, because of such loss of taxable valuation.
2 The governor is authorized to draw ~~his~~ **a** warrant for the payment of such reimbursements out of
3 any money in the treasury not otherwise appropriated. Provided, however, that reimbursement
4 payments for loss of taxes on account of the acquisition of railroad or public utility property shall be
5 reduced to the extent that such railroad or public utility property is relocated and reconstructed in
6 the same town or city as a result of such acquisition, and thereby is included to that extent in the list
7 of taxable property in said town or city as relocated.

11 working along the shoreline, the waterfront buffer shall be divided into 50 by 50 foot segments.
12 Owners of land within the waterfront buffer shall measure, calculate, and maintain the tree, sapling,
13 shrub, and groundcover point score in each of these segments in accordance with the methods and
14 standards described in subparagraphs (i) through (ix).

15 (i) Tree and sapling diameters shall be measured at 4 1/2 feet above the
16 ground for existing trees and saplings, or by caliper at a height consistent with established nursery
17 industry standards when nursery stock is to be used, and are scored as follows:

18 Diameter or Caliper Score

19 1 to 3 inches – 1

20 3 to 6 inches – 5

21 6 to 12 inches –10

22 12 to 24 inches –15

23 Greater than 24 inches- 25

24 (ii) Shrubs and groundcover plants shall be scored as follows:

25 Four square feet of shrub area – 1 point.

26 Ground cover planted in the form of sod or mat – one point for every 50 square feet.

27 Shrub and groundcover shall not count for more than 25 points in each full segment.

28 (iii) Dead, diseased, or unsafe trees or saplings shall not be included in
29 scoring.

30 (iv) If the total tree and sapling score in any 50 foot by 50 foot segment
31 exceeds 50 points, then trees, saplings, and shrubs over 3 feet in height may be removed as long as
32 the sum of the scores for the remaining trees and saplings in that segment does not total less than 50
33 points. If for any reason there is insufficient area for a full segment, or the segment contains areas
34 incapable of supporting trees and saplings, such as areas of rock, ledge, or beaches, the point score
35 requirement for the remaining vegetation in that partial segment shall be reduced proportionally to
36 that required of a full segment. Vegetation shall not be removed from any segment which fails to
37 meet the minimum point score for that segment. Owners are encouraged to take efforts to plan the

1 maintenance of their waterfront buffer areas including the planting of additional non-invasive
2 vegetation to increase point scores within segments, thus providing sufficient points to allow the
3 future removal of vegetation as may become necessary while still meeting the requirements of this
4 paragraph.

5 (v) The department shall approve applications pursuant to RSA 482-A or
6 RSA 483-B that include the planting of trees, saplings, shrubs, and groundcover as necessary to at
7 least maintain either the existing point score or the minimum score required. The department shall
8 not approve any application that would result in a combined vegetation score of less than the
9 minimum score required where the segment initially meets the minimum score or would result in
10 any reduction of the point score where the segment does not initially meet the minimum score.

11 (vi) Owners of lots and holders of easements on lots that were legally
12 developed prior to July 1, 2008 may maintain but not enlarge cleared areas, including but not
13 limited to existing lawns, gardens, landscaped areas, beaches, and rights-of-way for public utilities,
14 public transportation, and public access, and may repair existing utility structures within the
15 waterfront buffer. Conversion to or planting of cleared areas with non-invasive species of ground
16 cover, shrubs, saplings, and trees is encouraged but shall not be required unless it is necessary to
17 meet the requirements of subparagraph (g)(2) or (g)(3), or RSA 483-B:11, II.

18 (vii) Normal trimming, pruning, and thinning of branches to the extent
19 necessary to maintain the health of the planted area as well to protect structures, maintain
20 clearances, and provide views is permitted provided such activity does not endanger the health of the
21 plant.

22 (viii) When necessary for the completion of construction activities permitted
23 in accordance with RSA 483-B:6, a temporary 12 foot wide access path shall be allowed. On those
24 properties accessible only by water, this access path may be maintained provided it is stabilized with
25 a surface that will infiltrate stormwater. On other properties the access path shall be completely
26 restored and replanted with vegetation upon completion of construction except as allowed under
27 subparagraph (ix).

28 (ix) A permanent 6-foot wide foot path as well as access to any docks,
29 beaches, structures, existing open areas, and the water body, configured in a manner that will not
30 concentrate storm water runoff or contribute to erosion, are allowed.

31 (b) Maintenance of a Natural Woodland Buffer.

32 (1) A natural woodland buffer shall be maintained within 150 feet of the reference
33 line. The first 50 feet of this buffer is designated the waterfront buffer and is subject to the
34 additional requirements of subparagraph (a). The purpose of the natural woodland buffer shall be to
35 protect the quality of public waters by minimizing erosion, preventing siltation and turbidity,
36 stabilizing soils, preventing excess nutrient and chemical pollution, maintaining natural water
37 temperatures, maintaining a healthy tree canopy and understory, preserving fish and wildlife

1 habitat, and respecting the overall natural condition of the protected shoreland.

2 (2) Within the natural woodland buffer of a given lot the vegetation, except lawn,
3 within at least 25 percent of the area outside the waterfront buffer shall be maintained unaltered or
4 improved with additional vegetation. Owners of lots legally developed or landscaped prior to July 1,
5 2008 that do not comply with this standard are encouraged to, but shall not be required to, increase
6 the percentage of area to be maintained in an unaltered state. The percentage of area maintained in
7 an unaltered state on nonconforming lots shall not be decreased.

8 369 Impervious Surfaces. Amend RSA 483-B:9, V(g) to read as follows:

9 (g) Impervious surfaces.

10 (1) ~~[Subject to subparagraph (2),]~~ No more than 30 percent of the area of a lot
11 located within the protected shoreland shall be composed of impervious surfaces, ***unless a***
12 ***stormwater management system designed and certified by a professional engineer that will***
13 ***not concentrate stormwater runoff or contribute to erosion is implemented.***

14 (2) If the impervious surface area will exceed 20 percent, ***but is less than 30***
15 ***percent,*** a stormwater management system shall be implemented and maintained which is designed
16 to infiltrate increased stormwater from development occurring after the effective date of this
17 paragraph in accordance with rules established by the department under RSA 485-A:17.

18 (3) If the impervious surface area will exceed ~~[20]~~ **30** percent and the ~~[natural]~~ tree,
19 ~~[and]~~ sapling ~~[cover],~~ ***shrub, and groundcover*** in the waterfront buffer does not meet the ~~[50-point~~
20 ~~minimum]~~ ***point*** score ***requirement*** of RSA 483-B:9, V(a)(2)(D) in any segment, then such segment
21 shall be planted, as determined by rule of the department, with ~~[native]~~ trees, saplings, ***shrubs,*** or
22 ~~[natural ground cover]~~ ***groundcover*** in sufficient quantity, type, and location either to meet the
23 minimum score or to provide at least an equivalent level of protection as provided by the minimum
24 score and shall be maintained in accordance with RSA 483-B:9, V(a).

25 370 Waivers. Amend RSA 483-B:9, V(i) to read as follows;

26 (i) The commissioner shall have the authority to grant ~~[variances]~~ ***waivers*** from the
27 minimum standards of this section. Such authority shall be exercised ~~[subject to the criteria which~~
28 ~~govern the grant of a variance by a zoning board of adjustment under RSA 674:33, I(b)]~~ ***if the***
29 ***commissioner deems that strict compliance with the minimum standards of this section***
30 ***will provide no material benefit to the public and have no material adverse effect on the***
31 ***environment or the natural resources of the state. Waivers shall also be granted to***
32 ***accommodate the reasonable needs of persons with disabilities.***

33 371 Nonconforming Lots of Record. Amend RSA 483-B:10, I to read as follows:

34 I. Except when otherwise prohibited by law, present and successive owners of an individual
35 undeveloped lot may construct a single family residential dwelling ***and appurtenant accessory***
36 ***structures*** on it, notwithstanding the provisions of this chapter. Conditions may be imposed which,
37 in the opinion of the commissioner, more nearly meet the intent of this chapter, while still

1 accommodating the applicant’s rights.

2 372 New Paragraph; Nonconforming Lots of Record; Merger. Amend RSA 483-B:10 by inserting
3 after paragraph II the following new paragraph:

4 III. Consistent with RSA 674:39-a, a municipality shall not merge adjacent nonconforming
5 lots in common ownership without the consent of the owner.

6 373 Nonconforming Structures. RSA 483-B:11 is repealed and reenacted to read as follows:
7 483-B:11 Nonconforming Structures.

8 I. Except as otherwise prohibited by law or applicable municipal ordinance, nonconforming
9 structures located within the protected shoreland may be repaired, replaced in kind, reconstructed in
10 place, altered, or expanded. Repair, replacement-in kind, or reconstruction in place may alter or
11 remodel the interior design or existing foundation of the nonconforming structure, but shall result in
12 no expansion or relocation of the existing footprint within the waterfront buffer. However, alteration
13 or expansion of a nonconforming structure may expand the existing footprint within the waterfront
14 buffer, provided the structure is not extended closer to the reference line and the proposal or
15 property is made more nearly conforming than the existing structure or the existing conditions of the
16 property.

17 II. For the purposes of this section, a proposal that is “more nearly conforming” means
18 alteration of the location or size of the existing footprints, or redevelopment of the existing conditions
19 of the property, such that the structures or the property are brought into greater conformity with the
20 design standards of this chapter. Methods for achieving greater conformity include, without
21 limitation, reducing the overall square footage of structural footprints, enhancing stormwater
22 management, adding infiltration areas and landscaping, upgrading wastewater treatment,
23 improving traffic management, or other enhancements that improve wildlife habitat or resource
24 protection.

25 III. An expansion that increases the sewerage load to an onsite septic system, or changes or
26 expands the use of a septic system, shall require a subsurface approval issued by the department.

27 IV. Under paragraph I, and except as otherwise prohibited by law or applicable municipal
28 ordinance, primary nonconforming structures may be entirely demolished and reconstructed, with
29 continued encroachment into the waterfront buffer, provided the replacement structure is located
30 farther back from the reference line than the preexisting nonconforming structure.

31 374 Rulemaking. Amend RSA 483-B:17, IV to read as follows:

32 IV. Procedures and criteria for the size~~[-]~~ **and** placement~~[-, and construction]~~ of small
33 accessory structures such as storage sheds and gazebos, which are consistent with the intent of this
34 chapter, between the reference line and the primary building line.

35 375 Penalties. RSA 483-B:18, III is repealed and reenacted to read as follows:

36 III. Persons violating the provisions of this chapter and damaging the public waterway who,
37 after notification by the department, fail to make a good faith effort at remediation and restoration

1 shall be subject to the following:

2 (a) Upon petition of the attorney general or of the municipality in which the violation
3 occurred, the superior court may levy upon any person violating this chapter a civil penalty in an
4 amount not to exceed \$5,000 for each continuing violation. The superior court shall have jurisdiction
5 to restrain a continuing violation of this chapter, and to require remediation.

6 (b) The commissioner, after notice and hearing pursuant to RSA 541-A, may impose an
7 administrative fine of up to \$5,000 for each offense upon any person who violates this chapter.
8 Rehearings and appeals relating to such fines shall be governed by RSA 541. Imposition of an
9 administrative fine under this section shall not preclude the imposition of further civil penalties
10 under this chapter.

11 (c) Notwithstanding the \$5,000 fine limit in subparagraph (b), the administrative fine
12 for each repeat violation of this chapter may be multiplied by a factor of 2 for every previous
13 violation committed by the person or entity.

14 376 New Paragraph; Shoreland Advisory Committee. Amend RSA 483-B:21 by inserting after
15 paragraph VII the following new paragraph:

16 VIII. Any permit applications denied under any section of this chapter shall be reported to
17 the shoreland advisory committee by the department.

18 377 Permit Application Fees; Effective Date. Amend 2008, 5:28, II to read as follows:

19 II. Section 27 of this act shall take effect July 1, ~~[2011]~~ **2016**.

20 378 Definitions. Amend RSA 483-B:4, XVII(a) to read as follows:

22 surface elevation as listed in the Consolidated List of Water Bodies subject to the ~~[Comprehensive]~~
23 shoreland **water quality** protection act as maintained by the department.

24 379 Shoreland Advisory Committee. Amend the introductory paragraph of RSA 483-B:21 to
25 read as follows:

26 There is established a shoreland advisory committee. All members shall be New Hampshire
27 residents representing diverse geographic areas of the state. The primary focus of this committee is
28 to address residential shorefront owner input and perspective relating to shoreland development
29 regulated under the ~~[comprehensive]~~ shoreland **water quality** protection act under this chapter and
30 the regulation of shoreline structures under RSA 482-A.

31 380 Approval to Increase a Load on a Sewage System. Amend RSA 485-A:38, II-a(c) to read as

2 status of the transition of the healthy kids program from the New Hampshire healthy kids

8 Pediatric Care; Contracts and Rate Setting. Beginning July 1, 2011, the department of health and
9 human services shall only contract with New Hampshire hospitals which provide high intensive
10 neonatal and high intensive pediatric care unless the commissioner of health and human services
11 finds that the high intensive neonatal and high intensive pediatric care needed is not available in
12 New Hampshire, in which case, the department of health and human services may contract with an
13 out-of-state hospital to provide such care. On or before August 1, 2011, the commissioner of health
14 and human services shall develop a new rate structure for high intensive neonatal and high
15 intensive pediatric care for New Hampshire hospitals which provide such care.

32 same class.

35 385 Appropriations to New Hampshire Public Television. Notwithstanding any other provision
36 of law, any appropriation made in the capital or operating budget for New Hampshire public
37 television shall be made directly to New Hampshire public television, and shall not be appropriated

1 through or expended by the university system of New Hampshire, the trustees of the university
2 system of New Hampshire, or any other state agency.

11 sizing” shall be undertaken in a collaborative fashion with the 10 area agencies and the 10
12 community mental health centers. Such plans shall be focused on reducing the cost structure of the

15 the needs of the systems to prepare for any future enhanced increase in the Medicaid population.
16 Savings to the state general fund in the amount of \$1,800,000 for the biennium shall be identified,
