### **Sen. Bradley statement on SB 294 – Ensuring violent criminals do not automatically qualify for bail**

CONCORD, NH – Senate Majority Leader Jeb Brady issued the following statement today regarding SB 294:

“We must continue to ensure that defendants are not denied access to reasonable bail just because they are unable to pay. But public safety also requires that violent criminals not be let back into the community. This bill ensures that people accused of violent crimes will go in front of a judge to determine if they are a danger to the community. No more catch and release of violent criminals.”
