Concord, NH – Senator Kevin Avard (R-Nashua) released the following statement on the passage of Senate Bill 62:

“Protecting our state’s environment from hazardous waste is an important step in keeping our families healthy, and safe,” stated Senator Avard.

“Senate Bill 62 corrects an important drafting mistake, clarifying landowner liability provisions, relative to the hazardous waste cleanup fund. Liability previously fell on the landowner, even if they were not involved with the hazardous waste on their property. This bill amends that provision, protecting property owners.
