**HB 310-FN - FISCAL NOTE**

**AN ACT** relative to reimbursement of mileage for judges and marital masters.

**FISCAL IMPACT:**

The Judicial Branch states this bill will decrease state expenditures by \$28,717 in FY 2010 and each year thereafter. There will be no fiscal impact on state, county and local revenues or county and local expenditures.

**METHODOLOGY:**

The Judicial Branch states this bill would amend several statutes to provide that judges and marital masters will be reimbursed for mileage to commute from their residences to their assigned court only if the mileage is in excess of 50 miles each way. Current law provides reimbursement for commuting mileage only if the mileage is in excess of 25 miles each way.

The Branch reviewed actual taxable mileage payments (at \$0.25 per mile) to judges and marital masters from July 2008 to November 2008 to estimate that \$31,908 of mileage would be paid in FY 2009. The Branch also estimates 90% of all commuting mileage payments fall under the 50 miles each way threshold. The Branch anticipates this proposed amendment will reduce the annual commuting mileage reimbursement by 90%, which translates to a cost savings of \$28,717 ( $\$31,908 \times 90\%$ ) in FY 2010 and in each year thereafter.

This bill was submitted in consideration of the current fiscal crisis. There are two reasons for paying for mileage.

- 1) Junior judges of the Superior Court may be posted to courts far from their homes.
- 2) Any Supreme Court justice living in the North Country would otherwise bear the cost of a long commute.

The Fiscal Note should reflect the fact that state expenditures will decrease by about \$24,000, not the \$28,717 as stated.

Approximately 90% of justices have a commute that is less than 50 miles.

Respectfully submitted,
