## New Hampshire Fish and Game Department

### Testimony in Support of House Bill 195

#### An Act relative to Special Permits for Transportation of Deer

#### House Fish and Game and Marine Resources Committee

January 25, 2011

Chairman Hopper and members of the Fish and Game Committee. For the record my name is Kevin Jordan and I am the Assistant Chief of Law Enforcement for the Fish and Game Department. The New Hampshire Fish and Game Department requested this bill and the Fish and Game Commission voted to support it.

A minor hunting whitetail deer in New Hampshire is required by law to be accompanied by a properly licensed adult 18 years of age or older. If the minor harvest a whitetail deer, they are required to complete the deer tag provided in the back of the New Hampshire Hunting Digest Law Publication and to place it on the deer carcass. Minors are then required to present this whitetail deer to a New Hampshire Deer Registration Station within twenty-four (24), hours for state registration. All successful Whitetail Deer hunters are required to meet these two requirements if they harvest a deer. In addition, minors are also required under **RSA 208:14 Special Permit** a third step which is to contact a N.H. Conservation Officer to receive a special wildlife permit from the Executive Director within twenty-four hours. New Hampshire Fish and Game feels this is an unnecessary burden placed upon the minors choosing to hunt whitetail deer. In an effort to correct this, the Department respectfully requests to have the added requirement for a minor to contact a Conservation Officer for this *special permit from the Executive Director* removed from the language contained in **RSA 208:14**.

Chairman Hopper and members of the Committee I want to thank you for the opportunity to testify before you today regarding this issue and I would respectfully request the Committee vote to support this proposal contained in HB195.
