Deb Martone, Legislative Aide

HB 269-LOCAL -- *An Act authorizing a city or town to conduct a special meeting necessitated by changes in adequate education funding.*

Hearing Date: May 1, 2013

Time Opened: 9:15 am

Time Closed: 9:28 am

Members of the Committee Present: Senators Boutin, Forrester, Stiles, Lasky and Pierce.

Bill Analysis: Authorizes a city or town to conduct a special meeting necessitated by changes in adequate education funding.

Sponsors: Representatives Boehm and L. Ober.

Who supports the bill: Representative Boehm; Dean Michener, NH School Boards Association (supports with corrections).

Summary of testimony presented in support:

Representative Boehm:

- Representative Boehm offered Amendment #2013-1487h, as an error was detected in the bill as amended by the House. An incorrect statutory reference was given in Section 2 of the bill. Rather than RSA 39:3, the correct cite should be RSA 197:2.
- Over the past years we have had changes to the education funding formula, and the changes usually occur after school districts have had their votes on the next year's budget.
- We need to insert in statute the ability for towns to hold a special meeting to either increase or decrease their spending because of the change.
- HB 269-LOCAL allows for a budget committee, if one exists, to have a say in the budget changes. The bill makes it clear this special meeting can only be held if the adequacy formula changes are made in law after the school district meeting, and only if the changes are for that year's budget.
- Senator Stiles remarked that currently the way the adequacy formula is structured communities should be able to predict what they are going to get, thus providing some stability.

Dean Michener, NH School Boards Association:

- This bill has generally been contained in HB 2, whenever there were changes to the adequacy formula.

- Mr. Michener supports the bill but has additional technical changes he'd like to offer, as long as the committee is contemplating Representative Boehm's amendment.
- School districts are the recipients of the distributions of state aid. The title of the bill should be amended to read, "Authorizing a *school district* to conduct a special meeting..." It is not the city or town calling the meeting.
- The bill seeks to give authority for calling the special meeting, and it does that for official ballot communities, but it doesn't really do it for traditional meeting communities.
- Throughout Section 2 of the bill reference is made to the "political subdivision". It would be much clearer if "school district" replaced "political subdivision".
- The legislative body does not consult with the budget committee. The governing body consults with the budget committee; then it goes for a vote by the legislative body.
- A portion of Section 3 states, "...the governing body of a city may call a special meeting..." Governing bodies of cities, generally, are the city council or board of aldermen. They can take action on their budget. The school board or school committee would be the governing body for the school district, but they seek their budget approval from the city council, except for the cities under SB2. Therefore, Section 3 of the bill may or may not be necessary.
- Senator Boutin addressed the question of keeping Section 3 in the bill to Atty. Cordell Johnston, NH Municipal Association. Atty. Johnston indicated the situation is different in different cities. In some cities the school district is a department of the city; in others it is not.
- Per Mr. Michener, where the school district is a department, the school board has control of its budget, but it seeks budget approval from the city council.
- Senator Boutin suggested Representative Boehm consult with Atty. Johnston regarding Section 3. Based on that discussion, Representative Boehm can then have a new amendment drafted, which would incorporate Mr. Michener's proposed changes as well.

THE COMMITTEE ON Public and Municipal Affairs

to which was referred House Bill 269-LOCAL

AN ACT authorizing a city or town to conduct a special meeting
necessitated by changes in adequate education funding.

Having considered the same, the committee recommends that the Bill:

OUGHT TO PASS WITH AMENDMENT

BY A VOTE OF: 5-0

AMENDMENT # 1619s

CONSENT CALENDAR VOTE: 5-0

Senator Bette Lasky for the Committee

The bill as amended by the House seeks to allow a city or town to conduct a special meeting as may become necessary by changes in the state education adequacy formula. This bill makes it clear that this special meeting can only be held if the adequacy formula changes are made in law after the school district meeting, and only if the changes are for that year's budget. The amendment replaces the city or town authorization with school district authorization, after consultation with the budget committee.
