The Office of Legislative Budget Assistant states that, in the subsequent paragraphs, state agencies have identified state expenditure increases in FY 2017 and in some instances in FY 2018. However, the proposed changes will likely impact future budgets and increase state expenditures by an indeterminable amount in FY 2018 and each year thereafter.

The Department of Information Technology states this bill will increase state salary and benefits costs by approximately \$24,529 in FY 2017 and \$37,715 in FY 2018. The table below details the increase in state expenditures:

Position	FY 2017			FY 2018		
	Current Salary & Benefits	New Salary & Benefits	Increase/ (Decrease)	Current Salary & Benefits	New Salary & Benefits	Increase/ (Decrease)
Chief Information Security Officer	\$132,985	\$146,000	\$13,015	\$133,892	\$150,000	\$16,108
Deputy Commissioner	\$138,486	\$150,000	\$11,514	\$139,393	\$161,000	\$21,607
		Total	\$24,529		Total	\$37,715

The New Hampshire Veterans Home states this bill will increase the salary and benefits paid to the Commandant by approximately \$6,740 in FY 2017 and \$10,308 in FY 2018.

The Department of Corrections states this bill will increase the salary and benefits paid to the Executive Assistant to the Parole Board by \$7,294 in FY 2017.

The New Hampshire Liquor Commission states this bill will increase the salary and benefits costs of the Chairman by \$7,234 in FY 2017. This bill will increase the salary and benefits costs of the Deputy Commissioner by \$10,309 in FY 2017.

The Department of Safety states this bill will increase the salary and benefits of the Deputy

Director of Motor Vehicles by \$2,880 in FY 2017 which is the difference between FF step 6 and GG step 5. In FY 2018 and each year thereafter, this bill will increase state expenditures by \$8,874, which is the difference between FF step 6 and GG step 6.

The Judicial Council states this bill upgrades the Executive Director position from CC to HH. The salary range for HH starts at \$80,419 and maxes out at \$106,825. The FY 2016-2017 operating budget (Chapter 275, Laws of 2015) appropriates \$101,169 each year for the Executive Director position. The Department assumes the salary and benefits of the position will be less than the appropriated amounts for the biennium ending June 30, 2017. However, if the Executive Director is paid at step 5 or 6 in FY 2018 or FY 2019 then state expenditures could increase by \$2,405 in FY 2018 and by \$2,405 to \$7,792 in FY 2019 and each year thereafter.

The Office of Professional Licensure and Certification states this bill will have no fiscal impact on its operations. The Executive Director position was funded in the FY 2016-2017 operating budget (Chapter 275, Laws of 2015) at the proposed funding level included in this bill.

The Public Utilities Commission states this bill will have no fiscal impact on its operations. The unclassified position of Administrator of the Site Evaluation Committee was established pursuant to Laws of New Hampshire 2014, Chapter 217:7 and budgeted at the GG grade in the FY 2016-2017 operating budget. This bill codifies the decision to assign a salary grade of GG made by the Joint Committee on Employee Classification at its March 9, 2015 meeting.
