3 1 Statement of Purpose. The purpose of this act is to enhance the ability of the New Hampshire  
4 state police to patrol our state highways and protect the public, support other law enforcement  
5 agencies and to reduce civil liability, by ensuring that the laws defining state police jurisdiction are  
6 unambiguous and comprehensive. As the population increases and tourism grows, local and state  
7 law enforcement agencies are increasingly called upon to work in a coordinated and cooperative  
8 manner to address the public safety needs of this state, particularly in the area of stemming the  
9 flow of illegal drugs traveling into New Hampshire on our roadways. This act shall ensure there  
10 are no jurisdictional limitations on that cooperative law enforcement effort. This act is not intended  
11 to limit the critical role that local law enforcement agencies play in protecting public safety in their  
12 respective communities.

13 2 Authority and Duties of Police Employees. Amend RSA 106-B:12 to read as follows:

14 106-B:12 Authority and Duties of Police Employees. Police employees shall be ex-officiis  
15 constables throughout the state~~[, shall patrol the highways, enforce the highway traffic laws and~~  
16 ~~regulations, enforce the motor vehicle laws relative thereto]~~. *They shall have statewide*  
17 *authority to enforce all provisions of RSA title XXI relative to motor vehicle laws* and  
18 ~~[enforce]~~ *the regulations* relative to the transportation of hazardous materials, pursuant to RSA  
19 106-A:18 and RSA 106-B:15~~[, and]~~. The director, division of state police, shall report to the director,  
20 division of motor vehicles, all violations of and prosecutions under the motor vehicle laws. Police  
21 employees shall have general power to enforce all criminal laws of the state and to serve criminal  
22 processes and make arrests, under proper warrants, in all counties. They shall not serve civil  
23 processes. No police employee shall act, be used or called upon for service within any town in any  
24 industrial dispute unless actual violence has occurred therein, and then only upon order of the  
25 governor. When any police employee shall apprehend any person who has committed or attempted  
26 to commit a felony the director shall immediately make a report to the attorney and the sheriff of  
27 the county *and the chief of police of the municipality* in which the offense was, or was  
28 suspected of being, committed and such cases shall be investigated and prosecuted by said county  
29 officials with the cooperation of said police employees.

30 3 Jurisdiction of Police Employees. Amend RSA 106-B:15 to read as follows:

31 106-B:15 Jurisdiction of Police Employees.

32 I. Police employees have *primary* jurisdiction on all turnpikes, toll roads and interstate

1 highways and nothing in this section shall be construed to limit the authority of local police officers.

2       **II.** A police employee shall not act within the limits of a town having a population of more  
3 than 3,000 or of any city, except when he *or she is enforcing the motor vehicle laws or the*  
4 *regulations relative to the transportation of hazardous materials*, witnesses a crime, [~~or~~] is  
5 in pursuit of a law violator or suspected violator, [~~or when~~] *is* in search of a person wanted for a  
6 crime committed outside its limits, [~~or when~~] *is* in search of a witness of such crime, [~~or when~~  
7 ~~traveling through such town or city,~~] *is faced with public safety exigent circumstances*, or  
8 when acting as an agent of the director of motor vehicles enforcing rules pertaining to driver  
9 licenses, registrations and the inspection of motor vehicles, or when requested to act by an official of  
10 another law enforcement agency, or when ordered by the governor. No criminal case shall be  
11 abated, quashed, or dismissed and no evidence in a criminal case shall be suppressed or excluded  
12 because a police employee has failed to comply with the jurisdictional limits of this section,  
13 provided, that the police employee had a good faith belief that he *or she* had authority to act when  
14 he *or she* acted. *Nothing in this section shall be construed to limit the primary jurisdiction*  
15 *of the local police agency in a town having a population of more than 3,000 or any city.*

16       **III.** *No civil liability shall lie against the state or any state actor for any violation*  
17 *of this section as long as the individual was acting in good faith pursuant to this section*  
18 *and not in a wanton or reckless manner.*

**Who opposes the bill:** No one

**Who is neutral on the bill:** Chief Glen Drolet, NH Chiefs of Police

**Summary of testimony presented in support:**

**Senator Bradley**

- Was approached by the Attorney General's Office with a problem that needs careful resolution.
- Currently, the state police only have jurisdiction on state highways and in towns with less than 3,000 residents, and therefore, there are certain times state police are not covered by liability protection.
- Firstly, this bill ensures that our state troopers have the kind of liability protection that they need in this day and age.
- Secondly, with the drug crisis going on and the success of the Granite Hammer Program, this bill allows for jurisdiction authority and coordination.
- Local police chiefs have reached out to discuss the bill and they still have some concerns.
- Requests that the Committee wait to exec on this bill in order to allow for further discussion and a potential amendment.
- Local and state agencies need to work together in coordination for public safety and to ensure that there are not restrictions on cooperation between the jurisdictions.

**Attorney Ann Rice** (NH Attorney General) (provided written testimony)

- This bill will protect criminal prosecutions and charges, and eliminate liability

- questions for state police
- Motor vehicle enforcement is critical to the safety of NH's citizens and it is essential to stop the flow of drugs into the state.
  - Currently, in municipalities with more than 3,000 residents state police have jurisdiction if a trooper witnesses a crime, is in pursuit of a suspected law violation, in search of someone wanted for a crime, when traveling through, when acting as an agent of the department of motor vehicles to enforce certain rules, or when specifically requested to act by another law enforcement agency.
  - This law is in place to minimize competitive friction between law enforcement agencies and to ensure criminal laws get enforced.
  - The law has worked well in the past, but now that the population has grown and the world has become more litigious, problems have arisen.
  - State police routinely patrol Rts. 101, 209, 125, 16, etc which go in and out of municipalities with more than 3,000 residents.
  - There is implied permission that the state police have the authority to be there and no one is currently trying to push them out.
  - Increasingly though, people are asking for the location data from the motor vehicle locator in the troopers' vehicles and determining if they were in an over 3,000 town at the point of the charge.
  - There have been instances where charges have been dismissed due to this technicality.
  - This bill will only allow for motor vehicle law enforcement across the state, and not criminal enforcement.
  - A similar change was made to the fish and game laws back in 2014
  - The last part of the bill makes it clear that so long as the trooper is acting in good faith there is no liability.
  - This is not meant to alter in the relationship between local and state police, as it is simply eliminating barriers.
  - There are some concerns about this from local police and everyone is working together to address those concerns.

**Senator D'Allesandro**

- In Manchester, when the state police have asked to come in they have had a wonderful and cooperative relationship.
- Drugs are moving up and down those highways and there are situations that occur over these town borders.

**Summary of testimony presented in opposition :**

None.

**Neutral Information Presented:**

**Chief Glen Drolet (NH Chiefs of Police)**

- The relationship between local and state police has never been better
- The Chiefs recognize the concerns the state police and want to work on this bill with them
- Want to ensure any changes in the law are done correctly
- Both sides are working together achieve this while maintaining the appropriate authority
- Requests a delay on the voting, so that they can continue to work on the bill
