## **COMMITTEE REPORT**

Committee:	<b>Legislative Administration</b>
Bill Number:	<b>HB 277</b>
Title:	<b>relative to termination of a state of emergency by the legislature.</b>
Date:	<b>March 29, 2021</b>
Consent Calendar:	<b>CONSENT</b>
Recommendation:	<b>INEXPEDIENT TO LEGISLATE</b>

### **STATEMENT OF INTENT**

This legislation seeks to give the legislature the power to end a state of emergency through petition. The committee, upon receiving written testimony, believes the solution to be unconstitutional. It is also superfluous, since another bipartisan bill, HB 417, addressing this same issue has been addressed by another committee and is working through the legislative process.

Vote 15-0.

- Intent to allow Legislature to declare or terminate a State of Emergency
- There was no reason why the Legislature could not meet during the Current State of Emergency

Question: Rep Ley - If the petition is voted on via mail or remote, it would pass?

Answer: Yes, correct

**NOTES:**

Rep Tim Harrigan - Unwise because it gives a small body to rule over others

Deb Johnson - Does not see freedom in our State and Country. Angry about what is happening to our businesses and nursing homes.

Glen Comstock - The Legislature represents the people of the Granite State. The vast majority wonders what the Governor and Legislature are doing. We are a Live Free or Die State. Our constitutional rights are being trampled on.

Dear Legislative Admin Committee Members,

As a citizen of New Hampshire I cannot believe we have been living under “mandates” written by one person and one branch of government for over a year. You are supposed to be the representatives of “we the people”. Laws are supposed to be written by you with our input. **By allowing this to continue you are subjecting us to a dictatorship. I ask that you do everything in your power to bring us back to a representative democracy and make sure this can never happen again.** Please support HCR2, HB 277, HB 280, HB 325, And HB 559. We are counting on you to be our voice.

---

Good afternoon NH House Committee on Legislative Administration:

I would like to lend my support to HB 277, terminating the state of emergency. It is time for New Hampshire to get back on track. The shut down has gone on long enough; too long, actually.

I would also like to register my support for the following pending bills:

HB 280

HB 325

HB 559

HB 389

For a year now our state has been run like a monarchy, not a democracy. There are three branches of government for a reason, the protection of the people from overreaching by government. In the last year, because the Legislature erroneously delegated their non-delegatable powers to the governor, the balance of power shifted from the people of the State of New Hampshire (as reflected in the Legislature), to one man: the governor. It is time for the voices of the people to be heard once again and the laws changed to be sure that this never happens again. Please pass these bills and bring a proper balance of power back to our state.

Thank you.

To the committee,

Please support these bills to amend emergency powers. Take back the legislative power you've been given by the Constitution to keep a check on the executive branch. We ceased to be in an emergency last spring. Rather than protect our freedoms, the legislature allowed one man to rule unrestrained. Our branches of government were created to keep this from happening.

Thank you,

Deb Turcotte

**Dear Committee,**

**I support efforts to amend emergency powers.** In the N.H. House Committee on Legislative Administration, those efforts include: **HB 277**, relative to termination of a state of emergency by the legislature, **HB 280**, relative to termination of an emergency order issued by the governor, **HB 325**, relative to termination of a state of emergency by simple resolution, **HB 559**, relative to state of emergency declarations, and **HB 389**, relative to the establishment of a joint legislative emergency executive order oversight committee during a declared state of emergency.

Sincerely,

Good Morning House Legislative Administration Committee Representatives,  
I am writing to respectfully urge you to vote in favor of HB277. It is crucial to have checks and balances in the legislative chambers so that either or both has the ability to terminate a state of emergency if it is deemed wise to do so.

Thank you,

I support HB277.

There was no need for a SOE and there needs to be some oversight.
