## **COMMITTEE REPORT**

Committee:	<b>Criminal Justice and Public Safety</b>
Bill Number:	<b>HB 286</b>
Title:	<b>establishing a committee to study the response of law enforcement and the criminal justice system to homelessness in New Hampshire,</b>
Date:	<b>February 17, 2021</b>
Consent Calendar:	<b>CONSENT</b>
Recommendation:	<b>OUGHT TO PASS</b>

### **STATEMENT OF INTENT**

This bill would gather much needed state data regarding homelessness and incarceration. Some displaced New Hampshire residents do not get the assistance they need and continuously end up in the prison system. This results in tax payers repeatedly paying for the same cycle. This data is crucial to amending outdated laws and providing new solutions to the state's response on homelessness.

Vote 19-2.

As a resident of Manchester, I was horrified to watch the state response to an encampment of homeless people in my city last November. We had been bringing supplies and support to our neighbors, only to watch as state law enforcement broke down the camp, literally slicing up people's tents with knives... their only means of shelter... and in direct violation of CDC guidelines for a pandemic. There is no reason, no excuse for such disrespectful and unhumanitarian behavior. Proper, long term shelter was never provided, and several folks subsequently died as a result of the harsh conditions. There absolutely needs to be a study on this and a better way found for dealing with the crisis that we are seeing this winter.

Hello,

Please see below my written testimony for HB286:

I am a resident of Concord and In November I participated in an action protecting our unhoused neighbors in Manchester who were residing on public property from an illegitimate and unethical eviction. After five days, the cops forcibly removed the encampment; many people lost all of their possessions and were left with nowhere to go. The cops were violent towards residents of the encampment and protestors, including myself. I witnessed officers beating a minor in the street, kneeling on their chest so they couldn't breathe. I saw them gleefully shredding tents (the only shelter that many unhoused people have, particularly in these freezing months).

Treating people like criminals for not having access to safe and affordable housing is reprehensible, especially when there are plenty of empty buildings in the state that could be used to provide that for these people. Shelters are not enough, and there are countless reasons why some unhoused people do not feel safe or welcome inside them. Criminalizing and brutalizing them, rather than providing accessible resources is unacceptable.

I'm writing today in support of HB286.

I was horrified after hearing about the courthouse encampment eviction in November and brought about 80 handwamers to help the people living there on November 18th.

We have to do better to take care of our neighbors. Dignity and respect are free and I was infuriated to see state police slashing tents and a landscaping company put up fencing to block the lawn.

Our homeless neighbors need options for shelter or support to stay where they are. For many, going into a shelter is not an option as they have to be sober, or they are concerned about the pandemic.

We shouldn't allow police to destroy peoples homes on public land just because they don't like the way it looks.

Thank you.
