TESTIMONY

* Use asterisk if written testimony and/or amendments are submitted.

1. Rep Matthew Simon - As a courtesy to Rep Hopper, Rep Matthew Simon introduced HB559 (read bill text)

2. Rep Hopper - Prime Sponsor

- Brought this bill forward because of his constituents
- He had a lot of people asking him why the legislature is not doing anything
- Governor declared the law and ignored the Constitution
- The dangers of too many executive orders
- If the Governor over steps, the Legislature could vote to continue executive order or terminate it
- People feel like they have lost control of their Government
- Not good for Live Free or Die State
- When churches had to close, a lot of 12 step programs were closed because they take place in churches
- Addiction relapse and overdoses have risen with the lock down

Question: Rep Hill - People are feeling like they are not being heard, you said, but not too many people are signed up to speak to these bills today

Answer: Does not think that _____ as there are not a lot of adversary groups

Follow Up: Rep Hill - Only 4 wanted to testify to these bills.

Answer: Not sure it is relevant. We could end up with a Governor who hammers us with Executive Orders. We need to do something. The Governor has ignored the law. If he had to come to the Legislature, he'd have to have some sort of justification for it.

NOTES:

Rep Tim Harrigan - Unrealistic

Deb Johnson: She does not see freedom in our state and country. Angry about what is happening to our businesses and nursing homes.

Glen Comstock: The Legislature represents the people of the Granite State. The vast majority wonders what the Governor and Legislature are doing. We are the Live Free or Die state. Our constitutional rights are being trampled on.

Subject: State of emergency bills heard today
Importance: Normal

Good morning to the legislative committee,

Please support HCR 2 this morning and all bills related to ending the state of emergency and legislative oversight of the governor during a "state of emergency."

Please support:

HCR2
HB439
HB280
HB559
HB389
HB275
HB414
HB417
HB433

Please oppose:

HB439

I would argue it is time we put lawmaking back into the hands of the legislature as is dictated by the NH state constitution.

Please add this as testimony to this morning's 9am hearing.

Thank you,
Regina Barnes

Dear House Legislative Administration,

I am writing to express my support of HB559 regarding emergency declarations. I support this because it provides for the legislature to renew a state of emergency beyond an initial 21-day period. This is a necessary check to unlimited executive states of emergency. Please support this bill. Thank-you,

Mary Rogers (person)
