REPORT OF COMMITTEE

The Majority of the Committee on Transportation to which was referred HB 587-FN,

AN ACT relative to indicating citizenship or legal residency on drivers' licenses and nondrivers' identification cards. Having considered the same, report the same with the following resolution: RESOLVED, that it is INEXPEDIENT TO LEGISLATE.

Rep. Laura Telerski

MAJORITY COMMITTEE REPORT

Committee:	Transportation
Bill Number:	HB 587-FN
Title:	relative to indicating citizenship or legal residency on drivers' licenses and nondrivers' identification cards.
Date:	March 5, 2021
Consent Calendar:	REGULAR
Recommendation:	INEXPEDIENT TO LEGISLATE

STATEMENT OF INTENT

This bill would require “citizenship or legal residency” to be clearly indicated on drivers’ licenses, essentially creating two classes of drivers. A driver’s license indicates a person has safely passed testing and can legally drive as determined by the Division of Motor Vehicles. Currently, there are almost 29,000 permanent residents in New Hampshire who are not citizens and hold a license or non-driver ID card either as green card holders, international students, or their families. These people work here, raise their families here, and contribute to our economy and tax base. Adding such a marker opens up the possibility of profiling and discrimination in the many places a license is presented, such as going to a bank, getting medical care, a traffic stop, renting a car, or making a purchase. The majority has determined there is no compelling reason for this bill and it will in fact bring increased scrutiny to persons who are positive contributors to our state.

Vote 10-9.

Bill Number:	HB 587-FN
Title:	relative to indicating citizenship or legal residency on drivers' licenses and nondrivers' identification cards.
Date:	March 5, 2021
Consent Calendar:	REGULAR
Recommendation:	OUGHT TO PASS

STATEMENT OF INTENT

It is the belief of the minority that adding a security marking indicating citizenship or legal residency on the back of the drivers license would go further in identification of individuals eligibility to participate in certain functions within civic society. While the minority understands that drivers licenses were originally created for motor vehicle purposes, it also recognizes they are used today as identification for practically everything in our daily lives. This added information merely helps guarantee accuracy and fairness for all.

Put a marking on a license to indicate if you are a citizen or not to be able to vote.

Q- Rep. Telerski – Are you saying for ease in voting registration why does it say indication citizenship and legal residency? What you are saying one mark for citizenship and one for residency A. yes

Stephanie Bray – NH Legal Assistance – opposed we do not mark driver license for region, equal protection of all people, everyone treated the same way. Feels it would be challenged if passed.

Asma Elhni – Rights and Democracy- opposed see it as racist, and allow anyone who looks at my license would know my status if I was a citizen or not.

Jeanne Hruska – ACLU-NH Political director opposed – tern driver license into discrimination if you add a marking sends a message that if you do not have the mark you are a lesser citizen. Passport is expensive and birth certificate hard to get if you move fro that state.

Vioa Katusiime – Granite State Organizing Project opposed –

Grace Kindeke – American Friends Service Committee – opposed does not do what you want it to do, it will make people feel unwanted

Rep. Perez – opposed as an immigrant with my own experience, I was sent home three times to get my citizen ship papers and went back and brought passport to vote. This will help people to discriminate against and have to show their License

Bruno Soares – Catholic Charities of NH opposed it is discriminatory No voter fraud indicated in NH from non-citizens

Christine Willington – Opposed – NH Immigrant Rights Network

Kelly Brudniak – Opposed

Rep. Amanda Elizabeth Toll – Opposed

- Ann Grassi – Opposed

Rep. Horrigan – Opposed

Dear Representatives,

I am writing to urge your opposition to HB 587.

There is no need for this bill which could lead to increased incidents of discrimination and targeting towards immigrants.

Thank you

Members of the Committee,
I write urging you to OPPOSE HB 587, rwhich would provide citizenship/residency status on drivers' licenses and non-driver ID cards. While many of our communities have been acting to reduce discrimination based on documentation and citizenship status, this bill would be a step backwards. This bill would encourage undocumented workers to drive without a license, impacting public safety. It would also endanger those who get a license, possibly leading to deportation - which then breaks up families and deprives local businesses of skilled workers.

Please OPPOSE HB 587

Sincerely,
Diane Root

Honorable Representatives on the NH House Transportation Committee:

We are writing you to register our opposition to HB587. We know that drivers' licenses are essential to protect public safety. Demanding that drivers' licenses specify whether someone is or is not a U.S. citizen will discourage some who need to be properly trained to drive. This Bill will deter people from obtaining licenses out of fear. We urge you not to support this bill which would be detrimental to public safety.

Respectfully,

Margaret Jernstedt

Honorable members of the Transportation Committee:

I strongly urge you to vote "inexpedient to legislate" on HB587. This bill would have a disastrous effect on everyone's safety. Immigrants, including those providing essential services to Granite Staters during the pandemic, will be afraid to carry drivers' licenses. Thus they will either stop driving or else be forced to drive without licenses.

Dear committee members,

I oppose HB 587-FN. It requires that licenses and ID cards indicate whether or not the holder is a citizen of the USA. Someone's primary form of ID should not have to state citizenship. We already have forms of ID that deal with citizenship. This is racist and xenophobic at best, not to mention a needless cost.

METHODOLOGY:

This bill requires the addition of an approved security marking indicating citizenship or legal residency to driver’s license and non-driver identification cards. This bill also removes the requirement to notate “Golden Granite State Discount Card” on identification cards issued to a person who is over 65 years of age. It is assumed the proposed change would be effective at the time of renewal for a driver license or non-driver identification card. Full compliance with the proposed changes would be accomplished at the end of the 5-year renewal cycle. The Department of Safety estimates one-time state expenditures of approximately \$52,000, likely to be incurred in FY 2022, relative to updating the VISION software system (\$20,000) and making necessary changes to the identification card system (\$32,000).
