

# Committee Report

**CONSENT CALENDAR**

**February 17, 2021**

**HOUSE OF REPRESENTATIVES**

**REPORT OF COMMITTEE**

**The Committee on Criminal Justice and Public Safety  
to which was referred HB 93-FN,**

**AN ACT relative to human trafficking and child  
exploitation prevention. Having considered the same,  
report the same with the following resolution:**

**RESOLVED, that it is INEXPEDIENT TO LEGISLATE.**

**Rep. John Bordenet**

**FOR THE COMMITTEE**

## COMMITTEE REPORT

Committee:	<b>Criminal Justice and Public Safety</b>
Bill Number:	<b>HB 93-FN</b>
Title:	<b>relative to human trafficking and child exploitation prevention.</b>
Date:	<b>February 17, 2021</b>
Consent Calendar:	<b>CONSENT</b>
Recommendation:	<b>INEXPEDIENT TO LEGISLATE</b>

### STATEMENT OF INTENT

This bill prohibits the manufacture, sale, or lease of an internet-enabled device unless the device includes a filter that blocks obscene material. Actually, those filters do not exist. We found this bill not feasible.

Vote 18-2.

Rep. John Bordenet  
FOR THE COMMITTEE

Original: House Clerk  
Cc: Committee Bill File

## CONSENT CALENDAR

Criminal Justice and Public Safety

**HB 93-FN**, relative to human trafficking and child exploitation prevention. **INEXPEDIENT TO LEGISLATE.**

Rep. John Bordenet for Criminal Justice and Public Safety. HB 93 prohibits the manufacture, sale, or lease of an internet-enabled device unless the device includes a filter that blocks obscene material. Actually, those filters do not exist. We found this bill not feasible. **Vote 18-2.**

Rep. Plett

TESTIMONY

\* Use asterisk if written testimony and/or amendments are submitted.

**Rep. Plett – Bill sponsor**

- Help prevent children from unnecessary content (offensive)

**\*Rep. Massamilla – Bill sponsor**

- People, children being stolen should have more harsh penalties than objects do

**Q:** Rep. Testerman – Do you think the penalty should be stronger?

**A:** Taking federal guidelines into account

**Darlene Pawlik – Supports**

- Victim of sex trafficking

**Q:** Rep. Testerman – Do you think someone under 20 should have different level of punishment?

**A:** Yes, brain not developed – don't always know

**Steve Kaneb – Supports**

- Gives a tool to make conviction stick

**Kam Quелlette – SB 93 Support**

- Prevent minds from early pornography

**Chris Sevier – Supports**

- Read facts – quickly

**Q:** Rep. Burt – How many states currently have this for computers?

**A:** Many

**John “Jr” – Supports HB 93**

- Child pornography and child trafficking are strongly linked

**Bob Donn – Roman Catholic Church – HB 180**

- Most aggressive charge needs to for this aggressive crime

**Christine Galaxy – Support HB 93**

- Supports families that have been subject to crime because of pornography

**Tiffany Marler – Support – HB 93**

- Victim of sex trafficking

Respectfully submitted,

Rep. Jennifer Rhodes

**Importance:** Normal

---

Thank you Chairman & Committee Members for choosing to hear this bi-partisan bill, the Human Trafficking and Child Exploitation Prevention Act, HB93. I was an everyday youth worker, the kind, those of you from the criminal justice lane, would serve next to in the trenches.

After a random rape, I spiraled into the porn industry. I went to the nations top sex trafficking recovery with a 95% success rate of girls who never return to a life of exploitation. Some of us were trafficked by our parents and never had a chance even upon seeing their 18th birthday. Trafficked by the government or Hollywood, we all had one thing in common. We all had a childhood interrupted by the Product of Pornography that was Distributed by the Product of the Internet sold on Defective Products.. Parental Controls are admittance to a Defective Product and I am here to remind "We the People" of the fight for the Consumer Protection Agency and Our Demand that Products be Sold Safe.

Who Remembers Cigarette Vending Machines and Big Tobacco? I am sure You remember. That product that distributed a harmful product to minors? I am here to put Big Tech on notice. Those cigarette vending machines knew they were a demon claw reaching out to a new generation after they knew how easily addictive their product was.

Big Tech and their whack a mole app store they can filter, like Big Tobacco, intentionally came up with new ways, hunted for new loopholes and deceptive rigged studies to profit off the addiction of the next generation. Wanton. Willful. Deliberate. Red Flag, Big Tech kept Tech from their own children but let it massacre a global population.

While speaking at an international sex trafficking and exploitation conference, I was introduced to law and legislation where many first-world, pro-prostitution countries were choosing to protect

children from pornography. They were using their CURRENT Obscenity Laws but the United States was choosing not to.

Pro Prostitution Countries like the UK, Australia, & Canada could agree on one thing. Protect Our Children from Pornography. We all know by now, Big Tech showed their hand. They KNOW how to Filter.

Why couldn't the United States choose to protect our children using current laws like those that define the Netflix child pornography film "Cuties" as Child Pornography?

We are not demanding new laws. We are simply demanding the enforcement of our current laws.

In the United States, who was stopping my legislation in 40 states? The Family Policy Makers . They are currently profiting from the for-profit porn filter companies at the expense of an entire generation. The fantasy that Parents should purchase the Family Policy Makers filters, assumes that all parents parent equally. How has that worked for my generation?

It had not reached above 0 degrees that one winter of 2013. While driving back to the Kentucky holler, after a recovery meeting, I realized I didn't look like Kentucky, Sound like Kentucky and while everywhere we went in Kentucky, folks adopted us like Family, I knew the girls in that van had no Family to return to and all my Friends were dead. I concluded that I was not relatable. I looked at the Refuge for Women Director as My words broke the cold silence, "Will the Real World accept us like you do?"

In the recovery home, Our feet had to be on the floor every morning at 7:30 because at 7:31, there would be consequences. I realized, every human has had that moment where they did not know what awaited them on the other side of choosing life. Everyone has had that moment of facing the unknown and choosing to embrace it, all while embracing it afraid.

Living out of my car while Pushing this legislation in 36 states, has not afforded me time to research the committees I was to speak to. Last night, I combed through these committees, sponsored bills, in the search of being relatable.

I saw HB569 by Representative Abbas, a bi-partisan bill that encourages vocational training with drug courts. Fueling stories of Redemption.

I saw HR7 by Representative Abramson to take the child Pornography movie named "Cuties off Netflix

I saw Rep Marston's, HB525, make the connection between technology its tie to child abuse.

After looking over every member's bills, I saw on both sides of the aisle those who have burnt out on making the next right choice. I can relate. Then I saw one bill both, sides of the isle agreed on, HB123FN, it is a bill that grants a Sex Industry Survivor.... Mercy.

In 2013, I was clawing for a nugget of wisdom from my mentor, she told me to " Seek Justice, Love Mercy, and Walk Humbly." At the time, I thought that was the stupidest wisdom anyone could ever give me as I attempted to be relatable.

Today, I beg both sides of the Isle to come together to make the next right choice over the subject, that was in a bill you filed together. I challenge you today to do more than show Mercy to a sex industry survivor, I beg you to have Mercy on my Generation by showing Big Tech what Justice is.

I encourage you to stoke the flame of the story that put you in this state house and demand that all products that distribute the product of the internet be sold safe and together, save our children. Vote in favor of HB93.

---

Thank you for the opportunity to address the committee. I Julie Hernando support bill HB93.

As the founder of Lighthouse Sanctuary, an organization that focuses on the rehabilitation of children who have been sexually abused or trafficked, I see the desperate need for such a bill.

Pornography is often a tool of perpetrators to prepare their victims and perpetrators are statistically getting younger because of the overwhelming exposure to pornography. Pornography is also considered a means of easy money luring teens and desperate parents who resort to selling their own children into online sexual exploitation.

The damage/trauma of these victims is real and it can transcend generations if left unattended. The need for healing is already greater than the ability to address it. It is time to get pornography under control and bill HB93 is the perfect solution for it.

Thank you for your consideration!

Sincerely,

Julie Hernando

I am the founder of Camille Place. We are an organization in Alabama that is committed to supporting underage survivors of human trafficking. We also tackle prevention through our Camille Place Cares Program. We support HB93, the Human Trafficking and Child Exploitation Prevention Act that is being presented before the House Justice and Public Safety Committee.  
Thank you-

This is from jessica.joy@thisismystory.solutions  
She was unable to get in to the meeting today.. thank you so much.

👏 Thank you Chairman & Committee Members for choosing to hear this bi-partisan bill, the Human Trafficking and Child Exploitation Prevention Act, HB93.

I was an everyday youth worker, the kind, those of you from the criminal justice lane, would serve next to in the trenches.

😞 After a random rape, I spiraled into the porn industry.

I went to the nations top sex trafficking recovery with a 95% success rate of girls who never return to a life of exploitation. 🙏🙏🙏

Some of us were trafficked by our parents, Trafficked by the government or Hollywood we all had one thing in common. 🙏 We all had a childhood interrupted by the Product of Pornography that was Distributed by the Product of the Internet sold on Defective Products.. 🙏♀️ Parental Controls are admittance to a Defective Product.

I am here to remind "We the People" of the fight for the Consumer Protection Agency and Our Demand that Products be Sold Safe.

I am here to put Big Tech on notice. .

Big Tech and their wack app store they can filter, intentionally came up with new ways, hunted for new loopholes and deceptive rigged studies to profit off the addiction of the next generation.

Willful. Deliberate. ▶ Red Flag, Big Tech kept Tech from their own children but let it massacre a global population.

Big Tech showed their hand.

They KNOW how to Filter.

🌐 While speaking at an international sex trafficking and exploitation conference, I was introduced to law and legislation where many first-world, pro-prostitution countries were choosing to protect children from pornography. 🚫 They were using their CURRENT Obscenity Laws but the United States was choosing not to.

⚠️ Pro Prostitution Countries like the UK, Australia, & Canada could agree on one thing. Protect Our Children from Pornography. We all know by now,

🤔 Why couldn't the United States choose to protect our children using current laws like those that define the Netflix child pornography film "Cuties" as Child Pornography?

😞 We are not demanding new laws. We are simply demanding the enforcement of our current laws.

👉 The fantasy that Parents should purchase the Family Policy Makers filters, assumes that all parents parent equally. How has that worked for my generation? it hasn't.

Last night, I combed through this committees, sponsored bills, in the search of being relatable.

👁️ I saw HB569 by Representative Abbas, a bi-partisan bill that encourages vocational training with drug courts. Fueling stories of Redemption.

I saw HR7 by Representative Abramson to take the child Pornography movie named "Cuties off Netflix

I saw Rep Marston's, HB525, make the connection between technology its tie to child abuse.

After looking over every member's bills, I saw on both sides of the aisle those who have burnt out on making the next right choice. I can relate. 😊 Then I saw one bill both, sides of the isle agreed on, HB123FN, it is a bill that grants a Sex Industry Survivor.... Mercy. 😊

👁️♀️ Today, I beg both sides of the Isle to come together to make the next right choice over the subject, that was in a bill you filed together. I challenge you today to do more than show Mercy to a sex industry survivor, I beg you to have Mercy on my Generation by showing Big Tech what Justice is.

🔥 I encourage you to demand that all products that distribute the product of the internet be sold safe and together, save our children. Vote in favor of HB93.

---

I am Kevin Whitt a former transsexual prostitute until six years ago when I choose to live a healthier lifestyle and left the sex worker and transsexual lifestyle. I am testifying in favor of HB 93.

I lived as a trans sex worker for almost 20 years. The normalization of Pornography played a huge part in me being a sex worker because I had been exposed to pornography, sexually abused, and sex so I felt like sex was just as normal as any other daily activity so I began charging for sex because I had to make a living and it was easy. Pornography has ruined many people's lives by them getting involved in the sex industry and even marriages. I urge you to vote your conscious and vote in favor of HB 93.

I support the bill because I have children and grandchildren and we need to uphold our moral values and ethics that we have already but technology has crested a new window for sexual exploitation. No one is on the street corner anymore they are now on their phones. The people who are traffickers and prostitution rings are taking advantage of the technology before its regulated. Children are being taken advantage of and as a father, grandfather, minister something needs to be done about this.

Sincerely,

Tim Wiehle

**Subject:** HB93 Would Ban All Internet Devices  
**Importance:** Normal

---

Honorable members of the House Criminal Justice and Public Safety Committee,

I write to you today because it has come to my attention that a bill before you, HB93, would ban all internet-enabled devices.

The bill title claims it is to prevent human trafficking. But what it actually does is ban the sale, manufacture, and/or lease of any Internet-enabled device that does not have an "obscene material" filter installed from the factory. No such filters exist from the factory and Google, Apple, Microsoft, etc. will not bother to make such software or hardware available to the New Hampshire market for a few reasons: the first of which is we are too small, and second because most devices are not sold directly by the manufacturer, they are sold to a distributor or retailer.

One unintended consequence of this bill is that if passed, all Internet devices will be purchased from outside the state, whether that be from online vendors or retail shops along the borders of Massachusetts, Vermont, and Maine. Lots of New Hampshire businesses would suffer a massive drop in sales and likely close, resulting in less tax revenue for the state.

As an IT professional, it is my experienced opinion that such a content filter is easily bypassed. For example, on a Windows PC, simply reinstalling Windows would be sufficient to remove all filters and in the case of a phone, installing a mobile operating system for a different region would easily bypass this filter.

Common sense demands that you vote ITL on this totally unimplementable bill.

Sincerely,

Harrison deBree

Rochester, NH

Bill as  
Introduced

HB 93-FN - AS INTRODUCED

2021 SESSION

21-0137  
05/04

HOUSE BILL            ***93-FN***

AN ACT                relative to human trafficking and child exploitation prevention.

SPONSORS:            Rep. Plett, Hills. 6

COMMITTEE:          Criminal Justice and Public Safety

---

ANALYSIS

This bill prohibits the manufacture, sale, or lease of an internet-enabled device unless the device includes a filter that blocks obscene material and establishes a fee for deactivating the filter. The bill also establishes a live adult entertainment admission fee. Both fees would be deposited in a human trafficking and child exploitation prevention grant fund, to be administered by the attorney general.

-----

Explanation:          Matter added to current law appears in ***bold italics***.  
                              Matter removed from current law appears ~~[in brackets and struckthrough.]~~  
                              Matter which is either (a) all new or (b) repealed and reenacted appears in regular type.

STATE OF NEW HAMPSHIRE

*In the Year of Our Lord Two Thousand Twenty One*

AN ACT relative to human trafficking and child exploitation prevention.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

1 1 Legislative Findings and Intent. The general court finds that:

2 I. The United States Supreme Court in *Ashcroft v. American Civil Liberties Union*, 542 U.S.  
3 656 (2004) found that the legislative branch “may undoubtedly act to encourage the use of filters. It  
4 could also take steps to promote their development by industry, and their use by parents,” which was  
5 the Supreme Court’s way of signaling to the legislative branch to pass filter legislation that requires  
6 consumers to opt-in to having access to obscene materials that are harmful to minors on Internet-  
7 enabled devices, since filters are the least restrictive means.

8 II. The United States Supreme Court found in *Ginsberg v. New York*, 390 U.S. 629 (1968)  
9 that a physical display state statute that required physical brick and mortar stores to put physical  
10 obscene material behind a physical blinder rack was constitutional under First Amendment  
11 heightened scrutiny, which means that a digital blinder rack statute that requires digital retailers to  
12 put digital obscene material behind a digital blinder rack is also constitutional on the same legal  
13 basis.

14 III. Because the Supreme Court of the United States in *Paris Adult Theatre I v. Slaton*, 413  
15 U.S. 49 (1973) made it clear that the states have a compelling interest to uphold community  
16 standards of decency, a statute requiring a filter deactivation fee regarding websites displaying  
17 obscene material and an adult service business admission fee are constitutional for being rationally  
18 related to a narrowly tailored compelling state interest.

19 IV. The Texas Supreme Court in *Combs v. Texas Entertainment Association, et al.*, 347  
20 S.W.3d 277 (Sup. Ct. Tex. 2011), relying on federal Constitutional law, found that a statute that  
21 required a \$5 admission fee to an adult service business that was to be remitted back to the state to  
22 enable the state to uphold community standards of decency was constitutional under First  
23 Amendment heightened scrutiny, which means that a one-time \$20 filter deactivation fee to enter  
24 the digital strip club on Internet-enabled devices is Constitutional on the same legal basis, if  
25 remitted to the state to be used in the same manner.

26 V. Sex trafficking has moved from the street corner to the smartphone, which means that  
27 making websites that facilitate human trafficking and prostitution inaccessible by default on  
28 Internet-enabled devices will do more to curb the demand for such offenses more so than any other  
29 measure since the inception of the Internet.

30 VI. Live adult entertainment establishments contribute to a culture that tolerates the  
31 sexual objectification and exploitation of women, and contribute to the need for community-based

1 services to respond to victims of all forms of sexual exploitation, including sexual harassment,  
2 trafficking, and sexual assault.

3 VII. Crime statistics show that the presence of live adult entertainment establishments may  
4 result in an increase in prohibited secondary sexual activities, such as prostitution, and other crimes  
5 in the surrounding community.

6 VIII. The legislature is generally opposed to online censorship unless the content is injurious  
7 to children or promotes human trafficking - only then is the legislature for limited censorship.

8 IX. This state has a compelling interest in holding certain social media websites to higher  
9 standards for having substantially created a digital public square.

10 X. This state has an interest in helping its citizens enjoy their free exercise rights in certain  
11 semi-public forums commonly used for religious and political speech, regardless of which political  
12 party or religious organization they ascribe to.

13 XI. Retailers of Internet-enabled devices market their products as being family-friendly  
14 when they are often not, and major social media websites market themselves as being neutral and  
15 free and open to all political and religious speech when they are often not, constituting unfair trade  
16 practices.

17 2 New Chapter; Indecent Deceptive Trade Practice. Amend RSA by inserting after chapter 359-  
18 R the following new chapter:

19 CHAPTER 359-S

20 INDECENT DECEPTIVE TRADE PRACTICE

21 359-S:1 Short Title. This chapter may be cited as the human trafficking and child exploitation  
22 prevention act.

23 359-S:2 Purpose. The purpose of this chapter is to regulate indecent deceptive trade practices,  
24 causing existing laws to catch up to modern technology, and to deter the erosion of contemporary  
25 community standards of decency.

26 359-S:3 Definitions. In this chapter:

27 I. "Cellular telephone" means a communication device containing a unique electronic serial  
28 number that is programmed into its computer chip by its manufacturer and whose operation is  
29 dependent on the transmission of that electronic serial number along with a mobile identification  
30 number, which is assigned by the cellular telephone carrier, in the form of radio signals through cell  
31 sites and mobile switching stations.

32 II. "Child pornography" has the same meaning as defined under 18 U.S.C. section 2256 and  
33 describes an offense under RSA 649-A.

34 III. "Computer" shall have the same meaning as in 18 U.S.C. section 1030 or RSA 649-A:2,  
35 VII.

36 IV. "Consumer" means an individual, business, or entity that purchases or leases for  
37 personal, family, household purposes, or any other reason an Internet-enabled device.

1 V. "Data communications device" means an electronic device that receives electronic  
2 information from one source and transmits or routes it to another, including, but not limited to, any  
3 such bridge, router, switch, or gateway.

4 VI. "Filter" means a digital blocking capability, hardware or software that restricts or blocks  
5 Internet access to websites, electronic mail, chat, or other Internet-based communications based on  
6 category, site, or content, and the term means a digital blinder rack that can be deactivated by a  
7 retailer upon the satisfaction of certain nominal conditions.

8 VII. "Disseminate" shall have the same meaning as in RSA 650:1, I.

9 VIII. "Human trafficking" means the offense of trafficking in persons described in RSA  
10 633:7.

11 IX. "Internet" has the same meaning as in 31 U.S.C. section 5362.

12 X. "Internet-enabled device" means a cellular telephone, computer, data communications  
13 device, or other product manufactured, distributed, or sold in this state that provides Internet access  
14 or plays a material role in distributing content on the Internet.

15 XI. "Internet service provider" means a person engaged in the business of providing a  
16 computer and communications facility through which a consumer may obtain access to the Internet.  
17 The term does not include a common carrier if it provides only telecommunications service.

18 XII. "Live adult entertainment establishment" means a business in which, as the major  
19 activity, customers congregate primarily for the purpose of viewing or associating with employees  
20 who display anatomical areas designed to provide sexual stimulation or sexual gratification: human  
21 genitals, the immediate pubic region, or pubic hair; buttocks to the extent of exposing the immediate  
22 anal area; female breasts to points below the nipples; male genitals in a state of erection, even if  
23 covered with opaque clothing; all of the above anatomical areas when covered only by transparent or  
24 diaphanous clothing.

25 XIII. "Material" shall have the same meaning as in RSA 650:1, II.

26 XIV. "Minor" means a person under the age of 18.

27 XV. "Non-government group" means a nonprofit organization exempt from federal income  
28 taxation under Section 501(c)(3), Internal Revenue Code of 1986, having as a primary purpose  
29 ending sexual violence in this state, for programs for the prevention of sexual violence, outreach  
30 programs, and technical assistance to and support of youth and rape crisis centers working to  
31 prevent sexual violence. The term also includes individuals and or any group that is doing anything  
32 to uphold community standards of decency.

33 XVI. "Obscene" shall have the same meaning as in RSA 650:1, IV, and shall include visual  
34 representation. The term includes websites that:

35 (a) Are known to facilitate human trafficking or prostitution; and

36 (b) Display or depict images that are harmful to minors or that constitute  
37 sadomasochistic abuse, sexually explicit conduct, or, revenge pornography.

1 XVII. "Personal identification information" means any information that identifies a person,  
2 including an individual's photograph, social security number, driver identification number, name,  
3 email address, address or telephone number.

4 XVIII. "Prostitution" shall have the same meaning as in RSA 645:2.

5 XIX. "Retailer" means any person who regularly engages in the manufacturing, sale, offer  
6 for sale or lease of Internet-enabled devices or services in this state that make content accessible on  
7 the Internet. The term includes Internet service providers and suppliers and manufacturers of  
8 Internet-enabled devices that materially play a role in distributing content on the Internet or that  
9 make content accessible that are subject to the jurisdiction of this state.

10 XX. "Revenge pornography" means the nonconsensual disclosure of private sexual images  
11 under RSA 644:9-a.

12 XXI. "Sexually explicit conduct" shall have the same meaning as in RSA 649-A:2, III.

13 XXII. "Sexual conduct" shall have the same meaning as in RSA 650:1, VI.

14 XXIII. "Social media website" means an Internet website or application that enables users to  
15 communicate with each other by posting information, comments, messages, or images and that  
16 meets all of the following requirements:

17 (a) Is open to the public;

18 (b) Has more than 75 million subscribers;

19 (c) From its inception, has not been specifically affiliated with any one religion or  
20 political party; and

21 (d) Provides a means for the website's users to report obscene materials and has in place  
22 procedures for evaluating those reports and removing obscene material.

23 359-S:4 Continuing Duties of Retailers of Internet-enabled Devices.

24 I. A retailer that manufactures, sells, offers for sale, leases, or distributes an Internet-  
25 enabled device shall ensure that the product is equipped with an active and operating filter prior to  
26 sale that blocks by default websites that:

27 (a) Are known to facilitate human trafficking or prostitution; and

28 (b) Display child pornography, revenge pornography, or obscene material harmful to  
29 minors.

30 II. A retailer that manufactures, sells, offers for sale, leases, or distributes an Internet-  
31 enabled device shall:

32 (a) Make reasonable and ongoing efforts to ensure that the filter functions properly;

33 (b) Establish a reporting mechanism, such as a website or call center, to allow a  
34 consumer to report unblocked websites displaying content described in paragraph I or to report  
35 blocked websites that are not displaying content described in paragraph I;

1 (c) Report child pornography received through the reporting mechanism to the National  
2 Center For Missing and Exploited Children's CyberTipline in accordance with 18 U.S.C. section  
3 2258A;

4 (d) Not block access to websites that:

5 (1) Are social media websites that provide a means for the website's users to report  
6 obscene materials and have in place procedures for evaluating those reports and removing obscene  
7 material;

8 (2) Serve primarily as a search engine; or

9 (3) Display complete movies that meet the qualifications for a "G," "PG," "PG-13," or  
10 "R" rating by the Classification and Ratings Administration, as those qualifications existed on  
11 September 1, 2020.

12 III. Except as provided by paragraph IV, a retailer of an Internet-enabled device shall not  
13 provide to a consumer, methods, source code, or other operating instructions for deactivating a  
14 product's filter.

15 IV. A retailer of an Internet-enabled device shall deactivate the filter after a consumer:

16 (a) Requests that the capability be disabled;

17 (b) Presents personal identification information to verify that the consumer is 18 years  
18 of age or older;

19 (c) Acknowledges receiving a warning regarding the potential danger of deactivating the  
20 filter; and

21 (d) Pays a one-time \$20 filter deactivation fee to be remitted quarterly to the department  
22 of revenue administration to be deposited into the New Hampshire human trafficking and child  
23 exploitation prevention grant fund established under RSA 359-S:8, I.

24 V. The department of revenue administration shall prescribe the administration, payment,  
25 collection and enforcement of the fee imposed by paragraph IV. The department of revenue  
26 administration may annually adjust the one-time fee to account for inflation.

27 VI. Nothing in this chapter shall be construed to prevent a retailer of an Internet-enabled  
28 device from charging a reasonable separate fee to deactivate the filter, which it may retain for profit.

29 VII. The attorney general shall prepare and make available to retailers a form that includes  
30 all content that shall be in the warning described in subparagraph IV(c).

31 VIII. Nothing in this chapter shall be construed to require a retailer of an Internet-enabled  
32 device to create a database or registry that contains the names or personal identification information  
33 of adults who knowingly chose to deactivate a product's filter. A retailer of an Internet-enabled  
34 device shall take due care to protect the privacy rights of adult consumers under this section and  
35 shall not disclose the names or personal identification information of an adult consumer who decided  
36 to deactivate a product's filter.

37 359-S:5 Quality Control, Civil Action, Unfair and Deceptive Trade Practice, Affirmative Defense.

1 I. Pursuant to RSA 359-S:4, II(b), if the filter blocks a website that is not displaying content  
2 described in RSA 359-S:4, I, and the block is reported to a call center or reporting mechanism, the  
3 website shall be unblocked within a reasonable time, but in no event later than 5 business days after  
4 the block is first reported. A consumer may seek judicial relief to unblock a website that was  
5 wrongfully blocked by the filter. The prevailing party in a civil litigation may seek attorney fees,  
6 costs, and other forms of relief.

7 II. Pursuant to RSA 359-S:4, II(b), if a retailer of an Internet-enabled device is unresponsive  
8 to a report of a website displaying content described in RSA 359-S:4, I, that have breached the filter,  
9 the attorney general or a consumer may file a civil suit. The attorney general or a consumer may  
10 seek damages of up to \$500 for each website that was reported but not subsequently blocked. The  
11 prevailing party in the civil action may seek attorneys' fees, costs, and other forms of relief.

12 III. A retailer of an Internet-enabled device that fails to comply with a duty described in  
13 paragraphs I and II has engaged in an unfair and deceptive trade practice in violation of RSA 358-  
14 A:2 and shall be subject to the penalties for violating that chapter.

15 IV. It shall be an affirmative defense in a civil action to a charge of violating this section  
16 that the dissemination of the content described in RSA 359-S:4, I, was limited to institutions or  
17 organizations having scientific, educational, or other similar justifications for displaying the  
18 material.

19 359-S:6 Unlawful Practices; Penalties.

20 I. A retailer of an Internet-enabled device is guilty of an offense if it knowingly:

21 (a) Sells an Internet-enabled device without activated blocking capability that at least  
22 makes an attempt to block by default websites that display content described in RSA 359-S:4, I;

23 (b) Violates RSA 359-S:4, III;

24 (c) Fails to comply with the requirements of RSA 359-S:4, IV, before deactivating a  
25 product's filter; and

26 (d) Discloses to a third party the name or the personal identification information of adult  
27 consumers who have elected to deactivate a product's filter in violation of RSA 359-S:4, VIII, without  
28 a court order directing otherwise.

29 II. Any right, remedy, or power set forth in RSA 358-A, including those set forth in RSA 358-  
30 A:4, may be used to enforce the provisions of this chapter. Such remedies shall be in addition to any  
31 other remedies provided by law or equity.

32 359-S:7 Exemptions.

33 I. This chapter shall not apply to:

34 (a) An occasional sale of an Internet-enabled device by a person that is not regularly  
35 engaged in the trade business of selling Internet-enabled devices;

36 (b) Products produced or sold before the effective date of this chapter; and

1 (c) Independent third-party routers that are not affiliated with an Internet service  
2 provider.

3 II. This chapter shall not apply to a retailer of an Internet-enabled device that is not subject  
4 to the jurisdiction of this state.

5 359-S:8 New Hampshire Human Trafficking and Child Exploitation Prevention Grant Fund.

6 I. There is established a special fund to be known as the New Hampshire human trafficking  
7 and child exploitation prevention grant fund to be administered by the attorney general. The  
8 nonlapsing fund shall be kept separate and distinct from all other funds and shall be continually  
9 appropriated to the department of justice for the purposes of this section.

10 II. The purpose of the fund shall be:

11 (a) To promote the development throughout the state of locally-based and supported  
12 nonprofit programs for the survivors of sexual-related offenses and to support the quality of services  
13 provided;

14 (b) To empower any government and, especially, non-government groups working to  
15 uphold community standards of decency, to protect children, to strengthen families, or to develop,  
16 expand, or to prevent or offset the costs of sex-related offenses; and

17 (c) Not to promote a culture of perpetual victimhood but to maximize human flourishing  
18 and to protect the public's safety, health, and welfare.

19 III. The purposes of the fund stated in paragraph II shall be interpreted broadly to meet the  
20 evolving needs of the state.

21 IV. The fund shall consist of:

22 (a) Deactivation fees collected by the department of revenue administration from  
23 retailers of Internet-enabled devices under RSA 359-S:4, IV(d);

24 (b) Admission fees collected by the department of revenue administration from live adult  
25 entertainment establishments under RSA 359-S:9, I; and

26 (c) Any other appropriations, gifts, grants, donations, and bequests.

27 V. Money deposited into the fund shall be used only by:

28 (a) The attorney general for grants to public and private entities and individuals that  
29 are working to uphold community standards of decency, to protect children, to strengthen families,  
30 or to develop, expand, or strengthen programs for victims of human trafficking or child exploitation,  
31 including providing grants for:

32 (1) The needs of any human trafficking task force or coalition based in New  
33 Hampshire;

34 (2) The needs of victim compensation;

35 (3) Services to help women with substance abuse problems stay clean;

36 (4) Counselors and victim advocates who are trained to assist victims of domestic  
37 violence and sexual abuse;

**HB 93-FN - AS INTRODUCED**  
**- Page 8 -**

1                   (5) Shelters for women, particularly those who have been exposed to prostitution or  
2 sex trafficking;

3                   (6) Research-based organizations;

4                   (7) Faith-based organizations working to uphold community standards of decency  
5 and assisting victims of human trafficking or other sex offenses;

6                   (8) Child advocacy centers;

7                   (9) Organizations that provide legal advocacy to abused, neglected, and at-risk  
8 children;

9                   (10) Physical and mental health services;

10                  (11) Temporary and permanent housing placement;

11                  (12) Employment, placement, education, training;

12                  (13) Independent school districts;

13                  (14) Family counseling and therapy;

14                  (15) Law enforcement;

15                  (16) Musical, writing, design, cinematic, or pictorial creative art projects that  
16 promote decency;

17                  (17) Regional nonprofit providers of civil legal services to provide legal assistance for  
18 sexual assault victims;

19                  (18) Grants to support technology in rape crisis centers;

20                  (19) Sexual violence awareness and prevention campaigns;

21                  (20) Scholarships for students demonstrating outstanding character or leadership  
22 skills; and

23                  (21) Sexual assault examinations established under RSA 21-M:8-c or RSA 169-C:12-  
24 c.

25                  (b) Any other state agency or organization for the purpose of conducting human  
26 trafficking enforcement programs or to uphold community standards of decency.

27                  VI. Notwithstanding any law to the contrary, interest accruing on investments and deposits  
28 of the fund shall be credited to the fund shall not revert to the general fund, and shall be carried  
29 forward into the subsequent fiscal year.

30                  VII. Any balance in the fund remaining unexpended at the end of a fiscal year shall not  
31 revert to the general fund but shall be carried forward into the subsequent fiscal year.

32                  VIII. The attorney general shall evaluate activities conducted under this section each year  
33 and, on or before February 15, submit an annual report containing the evaluation to the senate  
34 president and the speaker of the house of representatives. The report shall include:

35                  (a) The amount of filter deactivation fees received under RSA 359-S:4, IV(d);

36                  (b) The amount of admission fees received under RSA 359-S:9, I;

**HB 93-FN - AS INTRODUCED**  
**- Page 9 -**

1           (c) The manner in which the funds in the account maintained under paragraph V, were  
2 distributed; and

3           (d) The manner in which each entity receiving a grant under paragraph V used the  
4 grant money.

5           IX. The attorney general or the attorney general's designee may adopt rules under RSA 541-  
6 A to:

7               (a) Determine eligibility requirements for any grant awarded under this section;

8               (b) Require a grant recipient to offer minimum services for a period of time before  
9 receiving a grant and to continue to offer minimum services during the grant period; and

10              (c) Require a grant recipient to submit financial and programmatic reports.

11           X. The attorney general shall not spend more than 10 percent of the available funds on the  
12 administration of the fund.

13           359-S:9 Live Adult Entertainment Admission Fee.

14           I. A \$5 admission fee is imposed for each entry by each customer admitted to a live adult  
15 entertainment establishment to be remitted quarterly to the department of revenue administration  
16 and deposited into the New Hampshire human trafficking and child exploitation prevention grant  
17 fund established under RSA 359-S:8, I. The department of revenue administration shall prescribe  
18 the method of administration, payment, collection, and enforcement of the fee imposed by this  
19 section.

20           II. Each live adult entertainment establishment shall record daily in the manner required  
21 by the department of revenue administration the number of customers admitted to the business.  
22 The business shall maintain the records for the period required by the department of revenue  
23 administration and make the records available only for inspection and audit on request by the  
24 department of revenue administration. The records shall not contain the names or personal  
25 information of any of the customers.

26           III. This section shall not require a live adult entertainment establishment to impose a tax  
27 on a customer of the business. A business has the discretion to determine the manner in which the  
28 business derives the money required to pay the fee imposed under this section.

29           3 New Subparagraph; Dedicated Funds; New Hampshire Human Trafficking and Child  
30 Exploitation Prevention Grant Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (364)  
31 the following new subparagraph:

32               (365) Moneys deposited in the New Hampshire human trafficking and child  
33 exploitation prevention grant fund established in RSA 359-S:8.

34           4 Contingency. This act shall take effect on the date that the attorney general certifies to the  
35 secretary of state and the director of the office of legislative services that 4 other states have enacted  
36 substantially similar legislation.

37           5 Effective Date. This act shall take effect as provided in section 4 of this act.

**HB 93-FN- FISCAL NOTE  
AS INTRODUCED**

AN ACT relative to human trafficking and child exploitation prevention.

**FISCAL IMPACT:**     State             County             Local             None

STATE:	Estimated Increase / (Decrease)			
	FY 2021	FY 2022	FY 2023	FY 2024
<b>Appropriation</b>	\$0	\$0	\$0	\$0
<b>Revenue</b>	\$0	Indeterminable Increase	Indeterminable Increase	Indeterminable Increase
<b>Expenditures</b>	\$0	Indeterminable	Indeterminable	Indeterminable
<b>Funding Source:</b>	<input checked="" type="checkbox"/> General <input type="checkbox"/> Education <input type="checkbox"/> Highway <input checked="" type="checkbox"/> Other - Human Trafficking and Child Expoitation Grant Fund			

**COUNTY:**

<b>Revenue</b>	\$0	\$0	\$0	\$0
<b>Expenditures</b>	\$0	Indeterminable	Indeterminable	Indeterminable

**METHODOLOGY:**

This bill prohibits the manufacture, sale, or lease of an internet-enabled device unless the device includes a filter that blocks obscene material and establishes a fee for deactivating the filter. The bill also establishes a live adult entertainment admission fee. Both fees would be deposited in a human trafficking and child exploitation prevention grant fund, to be administered by the attorney general. The bill contains penalties that may have an impact on the New Hampshire judicial and correctional systems. There is no method to determine how many charges would be brought as a result of the changes contained in this bill to determine the fiscal impact on expenditures. However, the entities impacted have provided the potential costs associated with these penalties below.

Judicial Branch	FY 2021	FY 2022
Violation Level Offense	\$53	\$53
Class B Misdemeanor	\$55	\$55
Class A Misdemeanor	\$78	\$78
Routine Civil Case	\$526	\$526
Complex Civil Case	\$794	\$794
Simple Criminal Case	\$309	\$309

Routine Criminal Felony Case	\$494	\$494
Appeals	Varies	Varies
It should be noted that average case cost estimates for FY 2021 and FY 2022 are based on data that is more than ten years old and does not reflect changes to the courts over that same period of time or the impact these changes may have on processing the various case types. An unspecified misdemeanor can be either class A or class B, with the presumption being a class B misdemeanor.		
Department of Corrections		
FY 2020 Average Cost of Incarcerating an Individual	\$47,691	\$47,691
FY 2020 Annual Marginal Cost of a General Population Inmate	\$6,407	\$6,407
FY 2020 Average Cost of Supervising an Individual on Parole/Probation	\$584	\$584
NH Association of Counties		
County Prosecution Costs	Indeterminable	Indeterminable
Estimated Average Daily Cost of Incarcerating an Individual	\$105 to \$120	\$105 to \$120

This legislation would require providers of “internet-enabled devices” to automatically include a filter that blocks obscene material and then charge consumers a fee to deactivate the filter. It further charges an additional fee to access establishments that provide “live adult entertainment.” Those fees are then deposited into a new special fund called the “New Hampshire Human Trafficking and Child Exploitation Prevention Grant Fund.” It would require the Department of Justice to produce a warning “regarding the potential danger of deactivating the filter,” grant the Department the authority to initiate civil suits for violations of the obscene content filter provisions as unfair and deceptive practices under the Consumer Protection Act, charge the Department with the administration of the new fund, and require the Department to submit annual reports regarding fees collected and funds expended.

The Department of Justice states this bill creates new offenses that would be handled by the Consumer Protection Bureau. It would likely increase the number of complaints filed with the Bureau, but it is not known how many additional complaints may be filed. This would likely increase the workload of the Consumer Protection Bureau. The bill also makes the Department responsible for administration of the new fund including monitoring the fund and reviewing grant applications and distributing from the fund. This would increase the work of the Department’s administrative and Grants Management Unit staff. The amount of revenue the law would generate and the increase in work are unknown. Therefore, the fiscal impact on the Department is indeterminate.

The Judicial Council indicates the indigent defense delivery system is rarely called on to provide representation to someone who violates laws governing business and industry. The Council assumes a bill that regulates commercial transactions would have no effect on the Judicial Council's expenditures for the defense of the indigent accused. If a retailer, as defined in the bill, were to be charged with violating this proposed legislation, the violation would take place in the context of his or her occupation, and it would be unlikely that he or she would meet the eligibility standards for the appointment of counsel established by RSA 604:A-2-c. It is likely that the business would defend or indemnify the employee or agent.

The Department of Revenue Administration is unable to calculate the fiscal impact of this bill. The fiscal impact is contingent upon four other states enacting substantially similar legislation and the Department does not know when or if that contingency will occur. Should the contingency be met, the Department has no basis to estimate the number of deactivation fees or adult entertainment admission fees that would be paid. If the bill becomes law, the Department believes it would incur additional general fund expenditures to incorporate administration of the new fees into the Revenue Information Management System (RIMS) and for staff costs to administer the fees.
