HB 273: relative to the 50th anniversary of the passage of the 26th amendment,

office holding  
April 28, 2021**

Good afternoon, Senator Sharon Carson, Chair, and other esteemed members of the Senate Executive Departments & Administration Committee. My name is Meg Helming and I am the Director of Advocacy for the YMCA Alliance of New Hampshire, which is comprised of the nine YMCAs in our state. The nine YMCAs in New Hampshire serve more than 100,000 Granite Staters each year.

The YMCA Alliance of New Hampshire supports HB 273: *relative to the 50th anniversary of the passage of the 26th amendment, granting the right to vote to 18-21 year olds and celebrating youth voting and office holding*. The YMCA has a long history of promoting civic engagement in our country's youth; our flagship youth civic engagement program is YMCA Youth & Government. This national program involves thousands of teens nationwide in state-organized, model-government programs. Here in New Hampshire, the YMCA Youth & Government program has been running for more than 70 years. Our program serves 300 teens from 30 schools throughout New Hampshire each year. The purpose of the YMCA Youth & Government program is to prepare teens for political citizenship in local, state, or national government roles. The program provides guidance, training and an experience in the American democratic process through the form of state government.

We support the celebration of youth voting and civic engagement, today and every day. We look forward to working with our partners in state government to continue to promote civic engagement in New Hampshire's youth.

Respectfully submitted,

YMCA Alliance of New Hampshire

**Subject:** HB273 Celebrating Passage of 26th Amendment to US Constitution

Honorable members of the Senate Executive Departments and Administration,

I urge you to support HB273 – Celebrating the 50<sup>th</sup> Anniversary of the passage of the 26<sup>th</sup> amendment to the US Constitution. There is a little unknown story of the grassroots effort to pass this amendment. In 1967, I was fortunate to be at the heart of initiating the creation of the Youth Franchise Coalition which became the sponsoring organization/movement to establish enabling 12 million new voters to enable them to participate as voters in the election process. What follows is a brief summary and a video on the origins of the youth franchise movement.

Representative Mel Myler  
Merrimack County 10 – Hopkinton, Ward 5 Concord

March 23, 2021 marked the Golden Anniversary of the passage of the 26<sup>th</sup> amendment to the US Constitution – the 18 year old vote. Fifty years ago, among the crises of the Viet Nam war protest, civil rights movement, and the free speech battle on college campuses, a group of student teachers initiated an effort to secure voting rights for 12 million 18 to 20 year olds. While protests against the system in which they had no voice were taking place in the streets, these altruistic young educators chose to work within the system to fight change via the use of the ballot box. So, how did this happen? What is the back story that initiated the galvanizing of young people to exert their voice within the system? It is really an untold story. I was privileged to be at the right place at the right time, to be an original organizer of the effort. 1967 was an exciting and challenging time. As a member of the staff of the Student National Education Association, I took on the task to create an endeavor to bring groups of like interest to form the Youth Franchise Coalition which was the group that organized the grassroots effort to pass the 26<sup>th</sup> amendment. Note: There are only two amendments to the US Constitution that have come from the grassroots – the 19<sup>th</sup> Amendment (women's right to vote) and the 26<sup>th</sup> Amendment (18 year old vote). All other amendments have been created out of Congress. In just four months, the 26<sup>th</sup> Amendment was ratified by the required number of states. This was the fastest ratification of any amendment to the Constitution.

On May 13, 1971 New Hampshire became the 28<sup>th</sup> state to ratify the 26 amendment.

If you are interested in how all this got started, you will find a link to a 14 minute interview I had ten years ago when we celebrated the 40<sup>th</sup> anniversary. If not interested, thanks for allowing me to share the above important bit of history.

How the 18 year old movement to the ratification of the 26<sup>th</sup> Amendment to the US Constitution got started?
