**Summary of testimony presented in support:**

**Representative Betty Gay**

- This will allow election officials who must staff multiple voting polls in their town or their ward to do that with people who do not live in that town or ward.
- It was requested by the town moderator who wants to follow the law but it is hard to find skilled people to manage elections.
- In Salem there are five voting districts and this will allow people from outside of a certain district to staff a polling station in that district.
- Senator Gray asked if this would apply to cities or just towns.
  - Representative Gay replied that in part two it refers to cities and amends RSA 658:18.

**Kelly Potenza**

- She believes this is a simple change that would have passed last year if not for COVID-19.
- It makes sense to be able to have people helping from other wards or districts.
- It is hard to find people with the restrictions that are in place currently.

- This is a related amendment but they wanted to be sure people had a chance to comment on it.

**Senator Jeb Bradley**

- The town of Middleton had made a mistake in the posting of warrant article 20 in their community.
- The town voted that they were okay with the Select Board posting the article two days late.
- Because it technically did not comply with posting laws they have asked the legislature to ratify the actions of the voters of Middleton.
- Inadvertent mistakes like this happen almost every year in one of the 234 towns in New Hampshire so this is a common practice.

**Representative Betty Gay**

- This amendment will in no way change the underlying bill and she supports it.

**Subject:** HB 476 Relative to election officers at additional polling places

Dear Senators of the Election Law Committee,  
Senators James Gray, Regina Birdsell, Ruth Ward,  
Donna Soucy, and Rebecca Perkins Kwoka,  
And Aide Tricia Melillo,

Despite being passed by the House last year, HB 476 never made it to the Senate because of the shutdown. Fortunately it is a simple bill.

Testimony Supporting Election Law HB 476

*HB 476 Relative to election officers at additional polling places*

**PURPOSE** of HB 476 This bill allows election officials, who must staff multiple polling places in a town or a ward, to appoint multiple election officials from anywhere in that town or ward rather than only from the district where they will be working.

It is challenging enough to find well-trained election officials, but when a town or ward has multiple polling places, it is almost impossible to find these people whose domiciles are evenly distributed throughout the town. This change allows people to work in voting districts other than their own but still within their own town or ward as prescribed by law for their domicile.
