FOR THE COMMITTEE

COMMITTEE REPORT

Committee:	Health, Human Services and Elderly Affairs
Bill Number:	HB 1045
Title:	requiring legislative oversight over the emergency powers of the department of health and human services.
Date:	March 7, 2022
Consent Calendar:	CONSENT
Recommendation:	OUGHT TO PASS WITH AMENDMENT 2022-0902h

STATEMENT OF INTENT

This bill changes the composition of the ethics oversight advisory committee, a group charged with initiating advice to be given to the Commissioner of DHHS on various departmental decisions involving ethical questions and receiving requests from the Commissioner for such advice. The previous composition of the committee did not place an emphasis on those actually trained in the formal study of ethics and thus did not prove useful. Leaders in the fields of law, education, medicine and psychology and the Commissioner were consulted as to their thoughts on what a good ethics oversight advisory committee would look like.

Vote 21-0.

Dear Members of the House Health and Human Services and Elderly Affairs Committee:

I ask that you strongly support HB 1045 which would provide legislative oversight with respect to orders of the Department of Health and Human Services during a state of emergency. This bill is essential to serve as a check on--and balance to--DHHS' excessively broad powers during a state of emergency. Please vote OTP and do whatever you are able to ensure its passage into law.

Thank you.

Dear Committee Members,

Please support HB 1045, requiring legislative oversight over the emergency powers of the department of health and human services. The governments of our state and country must function this way - in normal situations and in "emergency" situations - to protect citizens from unlawful actions by a small minority. These checks and balances are crucial to ensuring that no one entity takes too much power in any situation.

Dear committee:

Please do the right thing for our children and the future of NH. You are in a unique position to make the right decisions for our youth. You were elected by the people to do a job that is in the best interest of the people. While it is your choice to get vaccinated or wear a mask or attend public schools, it is never ok to force or coerce or mandate anything that has a risk to the citizens you represent. It is clear that this shot is not like the others and does not work since everyone I know that is fully boosted has gotten Covid in the last 2 months. Studies are coming out that these shots do not prevent or stop the spread of the virus. I have been to 4 healthcare facilities Urgent care and ERs in the last month and each time I went in I got the services I needed and got right out. The first DH urgent care in Nashua didn't have the ability to do deep sutures. The Elliot ER got us right in and out in New Years Day none the less, 1 person in the waiting room not having breathing difficulties or coughing or sneezing. Went back 16 days later to the Londonderry Urgent care online it said 6.5 hour wait. She said sign right in and I was seen in 5 mins. The door was open and everyone I saw was able to be at their desk no one was overwhelmed all were pleasant. There is a ton of mis information but it's from those that are pushing this shot. DHHS is now a political tool that the government is using and funding to sway things in favor of the shot. We have all been informed of the dangers this shot poses to young people. The tv ads say this is like the other school vaccines. It is not! Former Pfizer executives have said this is not for children yet the FDA approves it and CDC recommends it but puts out a report in Dec to the VEARS website of their findings which were tremendously high adverse incidents to children and young people. Including death. Everyday something else comes out about this shot. Just stop it. Stop going back and forth with new bills to try to sneak this in with different wording. No mandates for this poison.

Oppose- HB-1369 for Cov required vaccine mandates at performing Arts venues.

Support-HB-1045 giving Legislative oversight over emergency orders issued by DHHS

OPPOSE- HB-1633 mandating the Covid 19 vaccination in schools

SUPPORT-HB-1035 school vaccination mandate exemptions

On Feb 8

SUPPORT HB-1431 The parents Bill of rights. We decided to have our children. We are responsible for their care. If they are vaccine injured or mentally impaired that lies on the parents to take care of them for the rest of their lives. Let us be involved in what their future holds. It is not a states right or duty to keep parents from making those decisions. Your job is to make laws for the good of the citizens not usurp power or give power to any government dept or committee. You have a unique job to be the voice of the people to enforce the Constitutional laws and rights of our Country and state! Do not mandate anything allow the people to make decisions. Thank you for stepping up now as the great Bill Belichick says do your job!....How ever I will add Do Not do mine.

I firmly believe the legislature should have as much oversight **over the emergency powers of the department of health and human services** as possible. The DHHS can get drunk with power and will do anything, including eliminating our God-given rights in the name of "safety" and "public health" as well as take away our children for non-sound reasons. We should be very careful not to sacrifice our freedom in the name of safety. Our **elected** legislative body should have a short leash on the DHHS. PLEASE SUPPORT HB 1045! Thank you.

Dear Members of the Health and Human Service & Elderly Affairs Committee:

One thing that Democrat's & Republican's have in common that I must plead guilty to is we both become elderly, So I believe it is necessary to join together and go back to basics. First of all there was no authorization or healthcare in either the NH Constitution or the U.S. Constitution. The Founders believed that our people then were strong and independent and most of all smart enough to know what was best for their own health. Today we have the "nanny state" that believes just the opposite that every time we have a runny nose they want to be there with the Kleenex. Such "faux compassion" is boughten and hides an evil agenda.

People who become dependent on government throughout history have become slaves to the government because every bit of wealth that the government has is taken away from the productive wealth producers which is actually forced government stealing. How genuine is their care for us , if they steal what is not theirs from one citizen and give it to another, and all the while get a fat paycheck.? We have a pandemic not only with the Wuhan virus, all over the world we have a pandemic of the manufactured fear that will benefit only those who lust for power. New Hampshire citizens as all state citizens today more than ever, need representation that will stand up to "abuse of power from the federal government," but here most specifically from the Department of Health and Human Services. Soviet dictator , Lenin made a statement that reveals how necessary "freedom in Healthcare" is: "Healthcare is the key-stone in the arch of the Communist state." Brick masons will tell you that without the "keystone" the arch will fall. And so it is with "healthcare," without the "keystone "healthcare arch" in the communist state," the communist state will fall.

I plead with you all to take this as a "liberty problem," not as an issue that each party should fight over, but join together to stop the power hungry unelected bureaucrats who have no degree in healthcare, from ruling over our personal healthcare issues. What happened to the HIPPA law to protect our privacy? HB 1045 to mandate legislative oversight over emergency powers of DHHS should be ruled OTP. Citizens need protection from the federal government more than ever.

Sincerely & Respectfully

Russ Payne

Please consider retrospectively how massive the expansion of “emergency” actions has been both on the state and national levels over the last two years, and what this means for our future if we do not begin to check the open-ended power grabs. Please support this bill.

Dear Members of House Committee on Health , Human Services and Elderly Affairs,

I realize the Hearing on February 7th for HB 1045 and there will a Committee vote soon. This legislation to limit the DHHS unelected bureaucrats who use their budget to limit liberty of the people who pay their salaries is a necessity. Government by “decree” by a bunch of government workers who only burden taxpayer is a dangerous course of action. The idea of Legislative oversight by the Legislative Ethics Committee is a good one. Trusting “elected government officials” with public money has its dangers. It is even more dangerous to trust “unelected” personal that taxpayers have no direct control to hire and fire at the ballot box. The Ethics Committee evaluation is a good strategy. I remind you of Jefferson famous warning: “Speak not to me of confidence in men, but bind them down from mischief to the chains of the Constitution.” The federal government when it created the DHHS , did so outside the boundaries of the Supreme Law of the Land.” Without the Chains of the Constitution limiting their behavior, we had better have legislative oversight. Vote OTP on HB 1045.

Sincerely & Respectfully

Dear Health and Human Services Committee

I urge your YES vote to pass bill HB 1045 limiting emergency powers of the DHHS. Legislative Oversight and Ethics are necessary examinations of an agency granted executive powers. Otherwise the law becomes whatever that agency OR its agents say it is at any given time --- which lacking the usual rules of logic and statutory interpretation begs the question "What is a legitimate law in a Constitutional system?" --- is it not the agreement of necessary regulation between the elected government and the governed electorate? To give unelected officials these broad powers to shut down businesses, ruin the economy, fine and arrest individuals and generally and arbitrarily revoke constitutional freedoms without legislative examination and oversight would be a grave mistake for our state.
