- The Hampton Marine Memorial is located in Hampton but it is a state memorial.
- It was created in 1957 to provide a place where those buried at sea or lost at sea would be recognized.
- Most of the names on the Memorial are service members and merchant marine service members that were lost at sea during WWII.
- In 1990 the eligibility requirement was extended to include those before mentioned merchant marines and those from the Vietnam conflict.
- HB 1456 increases eligibility for inclusion on the Hampton Marine Memorial to include Operation Desert Shield, Desert Storm and the Wars on Terrorism.
- This will provide a chance to honor USMC CPL Jonathan Currier, a Hampton native who was lost at sea on August 9, 2018 off the coast of the Philippines.

Berkley Bennett – Commander of the American Legion Post, Hampton

- The idea for this Memorial came from Manchester resident William E. Downs whose son had died aboard ship while returning from the South Pacific during WWII and was buried at sea.
- After seven years of study, hard work, and fundraising, the “Lady of the Sea” Marine Memorial was dedicated on Decoration Day 1957.
- At the time, the Memorial included the names of 248 men, not only WWII veterans but also two service members who were killed when the USS Maine exploded in Havana Harbor Prior to the Spanish American War, five veterans of WWI who died when their ships were sunk en route to France, and one sailor who was lost when the destroyer USS Rueben James was torpedoed by a German U-Boat.
- In 1990, legislation was adopted to include Vietnam War Veterans and WWII Merchant Mariners on the Memorial.
- The Memorial presently has 290 names, but its design allows for over 400.

- This bill will allow more recent New Hampshire service members who were lost at sea to be added.
- Hampton native Marine CPL Jonathan Currier was believed to have fallen overboard while deployed in 2018.
- He was declared lost at sea; his body never recovered.
- Service member, Marine Captain Gary Dillon of Concord, a Marine Aviator, was killed in a helicopter mid air collision while conducting night vision training in the Arabian Sea.
- His body was also never recovered.
- Both of these heroes will be added if this legislation passes.
- The Marine Memorial needs to continue as a living monument to honor those lost at sea defending our country.

HB1456 - The Hampton Marine Memorial - Expanding Conflicts That Qualify

For the record my name is Mike Edgar and I represent Hampton in the New Hampshire House.

Thank you, mister Chairman and committee members, for this opportunity to introduce bill HB1456 and Amendment 2022-0039h.

The amendment addresses changing the effective date from 60 days after its passage to taking affect upon passage.

The Hampton Marine Memorial is located in Hampton, on Ocean Boulevard across from Ashworth by the Sea, which is at 295 Ocean Boulevard.

The Hampton Marine memorial was created in 1957 to provide a place where those buried at sea or lost at sea and the bodies were not recovered, would be recognized. It depicts a Gold Star Mother laying a wreath on the sea.

Most of the names on the memorial are service members and merchant marine service members that were lost at sea during WWII.

In 1990 the eligibility requirement was extended to include those before mentioned merchant marine members and those from the Vietnam conflict.

HB1456 increases eligibility for inclusion on the Hampton Marine Memorial to include Operation Desert Shield, Desert Storm and the Wars on Terrorism following the September, 2001.

This will provide a chance to honor those service members and merchant marine service members that would qualify, including USMC CPL Johnathan Currier who was lost at sea on August 9, 2018 off the coast of the Philippines. CPL Currier, Johnathan, was my neighbor and a fine young man.

Berk Bennett, Commander of American Legion Post 35 was the individual that initiated action on this bill and will be speaking today. He will provide more details concerning the Memorial and efforts to identify additional individuals that would qualify under this proposal.

Please consider OTP/A for amendment 2022-0039h and the underlying bill HB1456.

Remarks in support of HB 1456

Good afternoon, Chairman Gary, I would like to thank you and the members of this committee for the opportunity to speak in favor of HB 1456, which would include recent conflicts and allow additional names to be added to the Hampton Marine Memorial at Hampton Beach. My name is Berkley Bennett, I live in Hampton, and I am the Commander of American Legion Post 35 in Hampton. As a bit of background, the idea for a memorial came from Manchester resident William E. Downs. His son, Army Captain William D. Downs had died aboard ship while returning from the South Pacific in WW II, and was buried at sea in May 1945. Mr. Downs attempted to get a grave marker for a token burial plot for his son, but was told at the time the Federal government would not provide grave markers for those who had died at sea. Frustrated, he approached William Loeb of the Manchester Union Leader for help. This was the beginning of the creation of a memorial for those from NH who were lost at sea in all wars. In 1950, Governor Sherman Adams created the NH Marine Memorial Commission and after seven years of study, hard work, and fundraising, the "Lady of the Sea" Marine Memorial was dedicated on Decoration Day 1957. The Memorial included the names of 248 men, not only WW II veterans, but also two service members who were killed when the USS Maine exploded in Havana Harbor prior to the Spanish American War, five veterans of WW I who died when their ships were sunk enroute to France, and one sailor who was lost when the destroyer USS Rueben James was torpedoed by a German U-Boat, just prior to America's entrance into WW II.

In 1990, legislation was adopted to include Vietnam War veterans, and WW II Merchant Mariners on the Memorial. On Memorial Day 1993, the Memorial was rededicated, adding 42 names to the honor roll, including 24 Merchant Mariners. The Memorial presently has 290 names, but its design allows for over 400.

The purpose of this bill is to seek the addition of more recent New Hampshire service members who were lost at sea while serving in Operations Desert Shield/Desert Storm and the Global War on Terrorism.

One such member, Hampton native Marine Cpl Jonathan Currier, was believed to have fallen overboard while deployed aboard the amphibious assault ship USS Essex while sailing off the coast of the Philippines in August 2018. He was declared lost at sea, his body never recovered.

Another service member, Marine Captain Gary Dillon, of Concord, would also be eligible for inclusion if this bill is passed. Capt Dillon, a Marine Aviator, was killed in a helicopter mid air collision while conducting night vision google training in the Arabian Sea, just before the onset of hostilities in Desert Storm. His body was also never recovered.

When I spoke to the Division of Parks and Recreation about how to go about adding names to the Memorial, I was told the criteria is set through the Legislature, and that is when I reached out to Hampton State Representative Mike Edgar for help. His efforts have led to the bill that is before this committee. The Marine Memorial doesn't exist just to memorialize those lost in WW I or WW II. It needs to continue as a living monument, to honor those lost at sea defending our country today. Passing this bill will allow Jonathan's and Gary's names to be added to the stone. It would allow the "Lady of the Sea" Memorial to provide solace to the Currier family, where Jonathan played on the beach beneath her gaze as a child. With its location at the edge of the shore, overlooking the vast ocean that is the final resting place of so many of our heroes, an updated Memorial would allow the tens of thousands of people who visit Hampton Beach each year the opportunity to pause and reflect on the continuing cost of our freedom.

I thank you for the opportunity to address you this afternoon, and I strongly urge your support for this bill.
