GOVERNOR'S VETO MESSAGE ON SB 145

June 5, 2003

To the Honorable Members of the General Court:

By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, I have vetoed Senate Bill 145, an Act relative to the duties of the board of trustees of the department of regional community-technical colleges.

S.B. 145 would allow the board of trustees of the department of regional community-technical colleges to disburse non-general fund revenue from each of the colleges to the community-technical college foundation. My objection to S.B. 145 arises not from a lack of confidence in the board of trustees, but from a belief that the decision to disburse such funds should be subject to statutory limitation or subject to additional oversight. Because S.B. 145 does not clearly establish sufficient limitation or oversight, I have vetoed it.

Currently, the department maintains a non-lapsing account, funds from which can be used for limited purposes. See RSA 188:14-c. Funds in this account may be disbursed only with the prior approval of the fiscal committee and with the approval of the governor and council. I think that there should be no less oversight for the disbursement of funds contemplated in S.B. 145. Not only does it appear that S.B. 145 would allow the transfer of any non-general-fund revenue out of the colleges and into the foundation, but it does so without the requirement for governor and council approval. In addition, S.B. 145 does not make it sufficiently clear that prior fiscal committee approval is still required before funds may be disbursed.

Although the bill provides that the presidents of the regional community-technical colleges may make "recommendations to the board of trustees" about the disbursement of the funds, S.B. 145 would not require that the board follow the recommendation of the presidents. S.B. 145 would allow the board of trustees to move funds from the regional community-technical colleges even if some, most or even all of the presidents of the regional community-technical colleges object. The power of the board of trustees under S.B. 145 would be unfettered.

Finally, the purpose of the foundation is to raise money from private sources. Money raised by the foundation should be flowing to the colleges to support their programs, not the other way around. If the foundation raises funds as promised, there should be no need to transfer money from the colleges into the foundation. The operating expenses of the foundation should be a small percentage of the private donations received by the foundation. If the purpose of S.B. 145 is to pay the initial operating expenses of the foundation using non-general-fund revenue, then the better approach would be for the department to justify this expenditure and seek legislative approval in the usual manner, rather than to delegate such broad and unchecked authority to the board of trustees. Because S.B. 145 chose the latter approach and does not contain sufficient safeguards, limitations or oversight, I have vetoed S.B. 145.

Respectfully submitted,

Craig R. Benson

GOVERNOR'S VETO MESSAGE ON SB 179

June 24, 2003

To the Honorable Members of the General Court:

By the authority vested in me as Governor of New Hampshire, pursuant to Part II, Article 44 of the Constitution of New Hampshire, I have vetoed Senate Bill 179, an act establishing 14 new positions in the banking department.

I have vetoed this bill because I believe that we should be very cautious prior to expanding State government during these difficult economic times. This bill adds 14 new positions to the Department of Banking representing a 50% increase in the number of employees in that department. Rather than adding positions, I believe that we should be looking at ways to reduce government and to use existing resources to meet our needs.

I also note that this bill is duplicative. I understand that these positions are included in the committee of conference budget that is currently being considered by both Houses. If those positions are added through the budget, both Houses and the Governor will have an opportunity to reconsider whether those positions are necessary during the formulation of the budget in the next biennium.

Respectfully submitted,

Craig R. Benson
Governor

463:6 Notice.

I. After the filing of a petition, the court shall set a date for a hearing, and issue orders of notice in reasonably understandable language. The orders of notice shall be sent by certified mail, return receipt requested to both parents of the minor and to any person or persons alleged to have had principal care and custody of the minor during the 60 days preceding the filing of the petition, and by first class mail to:

- (f) The petitioner or petitioners.

II. The orders of notice required by paragraph I shall further specify that:

- (c) The nature and purpose of the proceeding and hearing as set forth in RSA 463:8, and that the parent or parents with legal custody are required to attend the hearing whether consenting or objecting to the petition.

III. A written consent to the petition is submission to the jurisdiction of the court.

IV. If the location of the parent or parents is unknown and this fact is sworn to under oath by the petitioner, the court may take whatever steps it deems necessary to ensure due process is satisfied unless, for good cause shown, it determines that process is impracticable or would serve no purpose, in which case notice may be waived.

II. Ex parte or temporary orders issued may include the appointment of a guardian or co-guardian, injunctive relief, support orders, restraining orders, visitation orders, or such other orders as the court may enter on the merits.

4 Conduct of Hearing. Amend RSA 463:8, III(b) to read as follows:

(b) If a parent objects to the establishment of the guardianship of the person requested by a non-parent, ***the court shall set a date for the hearing specified in this section.*** The burden of proof shall be on the petitioner to establish by clear and convincing evidence that the best interests of the minor require substitution or supplementation of parental care and supervision to provide for the essential physical and safety needs of the minor or to prevent specific, significant psychological harm to the minor.

5 New Paragraphs; Conduct of Hearing. Amend RSA 463:8 by inserting after paragraph VI the following new paragraphs:

VII. If a parent consents to the appointment of a guardianship, such consent shall be executed by an instrument in writing, signed by the parent, in the presence and with the approval of the court of the county in which the case is pending. The court may designate a person or another court to take the parent's consent on the court's behalf for good cause shown. The court, or its designee, shall also question the consenting parent regarding his or her understanding and knowledge of the nature and consequences if the petition is granted; and to insure that the parent understands he or she has the right to contest the petition. If the court, based on its own determination or its duly certified designee, finds:

(a) That consent is being given voluntarily and knowingly, the court may conduct a hearing pursuant to this section and thereon make all orders authorized by this chapter; or

(b) That consent is not being given voluntarily and knowingly for any reason such as because the parent lacked the mental capacity to give such consent. In this case, the court may:

(1) Hold a hearing pursuant to this section within 6 months, or earlier, if it is reasonably likely that the parent's mental capacity will be restored within a shorter time period, and during the interim make or renew whatever temporary orders under RSA 463:7 the court deems necessary; or

(2) If it is unlikely that capacity will be restored within 6 months, schedule and conduct a hearing pursuant to this section as if the parent was objecting under paragraph III and make or renew whatever temporary orders under RSA 463:7 the court deems necessary until the hearing is conducted.

VIII. If the parent does not appear at the hearing and the court has not received a properly and duly executed consent form, the court may conduct such hearing as necessary to make the determinations required by this section and thereon make all orders authorized by this chapter.

IX. When the court grants guardianship as part of the permanency plan for a child in the department's custody pursuant to the Adoption and Safe Families Act of 1997, Public Law 105-89, the court shall so specify in its order.

6 Letters of Guardianship. Amend RSA 463:11, I (c)-(d) to read as follows:

(c) The nature and scope of the guardianship, whether over the person and estate, or the person, or the estate; ~~and~~

(d) Limitations imposed by the court on the guardian[-]; ***and***

(e) Whether the guardianship is part of the permanent plan for a child previously under the custody of the department pursuant to the Adoption and Safe Families Act of 1997, Public Law 105-89.

7 Section Heading. Amend the section heading of RSA 463:13 to read as follows:

463:13 Order for Support for the Benefit of a Minor Under Guardianship ***and Visitation.***

8 New Paragraph; Order for Support; Visitation Rights. Amend RSA 463:13 by inserting after paragraph II the following new paragraph:

III. The court may award reasonable visitation rights to the parent or parents. The presumption shall be in favor of liberal visitation rights absent a showing of harm to the minor. If a party wishes to have any pre-existing court visitation orders incorporated into the guardianship order, that party has the burden of providing said visitation orders to the court for its consideration. The court shall incorporate such visitation orders in its order, unless there has been a change in circumstances that warrants different visitation arrangements. In guardianships granted as part of the permanency plan for a child previously in the department's custody pursuant to the Adoption and Safe Families Act of 1997, Public Law 105-89, the court may give the guardian discretion to determine visitation.

9 Periodic Court Review. RSA 463:17 is repealed and reenacted to read as follows:

463:17 Periodic Court Review. The status of all minors for whom guardianship or co-guardianship has been granted shall be reviewed by the court at 6, 12, and 24 months and annually thereafter, except that the court may waive (1) any or all reviews in cases in which a parent or the parents are co-guardians and (2) any or all reviews in all other cases after the 24-month review upon good cause shown. The guardian shall file a report with the court on or before each review date. The parent may file a statement or report with the court on or before each review date. The court may also, as part of the review, conduct a hearing on its own motion, or upon the request of a parent or guardian who seeks to substantially change the existing orders upon a showing by the parent that he or she has a reasonable likelihood of prevailing, if allowed a hearing. If termination of the guardianship is sought as part of the review proceeding, the burdens and standards of proof set forth in RSA 463:15 shall apply. Failure of any party to appear at any hearing held under this section without good cause, shall not cause the hearing to be continued.

10 Effective Date. This act shall take effect January 1, 2005.
