**NOTICES**

In the very near future, the Statehouse Cafeteria dining room will be set up as a "Wi-Fi HotSpot." Anyone using an 802.11 wireless compatible device (laptop or PDA) will be able to access the Internet for free during the hours that the cafeteria dining room is open. Unlike other areas of the Statehouse complex, where an Encryption Key must be used, the Cafeteria will offer open access. This new HotSpot will be set up on a separate network so that the legislative network will remain secure. This was made possible through joint efforts of House and Senate leadership under the guidance of Stan Kelly, Manager of the Statehouse Information Systems.

Theodore L. Gatsas, Senate President
