The estimated date of commencement of work and the completion date may be changed if work cannot begin or end due to circumstances beyond the control of the contractor, including, but not limited to, the lack of readiness of the job site, the unavailability of building materials, or weather conditions.

VII. Any contingencies that would materially change the approximate completion date.

Except as otherwise provided in this section, any right or remedy available under RSA 358-A, including the civil penalties under RSA 358-A:4 and the criminal penalties under RSA 358-A:6, shall apply to this chapter. The state shall have the sole authority to bring an action under RSA 358-A for violations of this chapter. No person may bring a private action under RSA 358-A:10 for a violation of this chapter.

II. If the home improvement contractor has committed more than one violation of this chapter within one year, factors the court may consider in assessing a civil penalty include, but are not limited to, the following:

(a) The volume of business which the home improvement contractor performs on an annual basis.

(b) The number of contracts in violation.

(c) The actual financial loss or exposure to financial loss suffered by any consumer as a result of the violations.
