Amendment to SB 2

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; City Charters; Vote. Amend RSA 49-C:12 by inserting after paragraph II the following new paragraph:

III. Notwithstanding any contrary provision in paragraph I, the adoption of an override threshold provision to a spending cap included in a charter pursuant to RSA 49-C:33, I(d) shall provide for a supermajority vote of the elected body to adopt the annual budget.

2 New Subparagraph; City Charters; Optional Provisions; Spending Cap Added. Amend RSA 49-C:33, I by inserting after subparagraph (c) the following new subparagraph:

(d) A limit on the annual increases to spending under the city budget adopted pursuant to RSA 49-C:23. Such spending cap shall provide for an override threshold on a vote to exceed the limit on annual increases which shall be by a supermajority as determined in the charter. A spending cap provision in the city charter may provide for specific exclusions for dedicated, enterprise, or self-supporting funds or accounts, capital reserve funds, grants, or revenue from sources other than local taxes.

3 Town Charters; Optional Matters; Spending Cap. Amend RSA 49-D: 3, I(e) to read as follows:

(e) Other matters of local concern may be included in a charter including, but not limited to, conflict of interest provisions which shall be at least as strict as those established in the general laws, citizen powers of initiative, referendum and recall as described in RSA 49-C, ~~and~~ **the** adoption and periodic review of an administrative code, a merit personnel system, a purchasing system, and a town investment policy, **and the adoption of a spending cap limiting the annual increases in spending under the town budget. Such spending cap shall include an override threshold on a vote to exceed the limit on annual increases which shall be by a supermajority as determined in the charter. Such spending cap may specifically exclude certain dedicated, enterprise, or self-supporting funds or accounts, capital reserve funds, grants, or revenue from sources other than local taxes.**

4 Municipal Budget Law; Application. Amend RSA 32:2 to read as follows:

32:2 Application. RSA 32:1-13, shall apply to all towns, school districts, cooperative school districts, village districts, and any other municipal entities, including those created pursuant to RSA 53-A or 53-B, which adopt their budgets at an annual meeting of their voters, **except RSA 32:5-b, which shall apply only in those towns or districts adopting that section pursuant to RSA 32:5-c.** RSA 32:14-23, concerning budget committees, shall apply only in those towns or districts adopting that section pursuant to RSA 32:14, I, and shall apply automatically in school districts or village districts located wholly within towns adopting that section.

5 New Sections; Local Spending Cap; Adoption of Local Spending Cap. Amend RSA 32 by inserting after section 5-a the following new sections:

32:5-b Local Spending Cap.

I. This section shall be known as the local spending cap act.

II. In this section, the following terms shall have the following meanings:

(a) "Inflation rate" means the Consumer Price Index for all Urban Consumers (CPI-U), Northeast urban, as determined by the Bureau of Labor Statistics, for the 12-month period ending the fifth month prior to the annual meeting of the local subdivision or, for local subdivisions that have adopted RSA 40:13, the fifth month prior to the second session of the annual meeting.

(b) "Net fiscal year appropriation" means all appropriations approved by the legislative body for the fiscal year, including the operating budget and all amounts appropriated pursuant to special warrant articles and other individual warrant articles, less estimated revenues and credits.

(c) "Estimated revenues and credits" means the estimated revenues and credits for the ensuing year as shown on the budget certified by the governing body or budget committee and posted with the warrant for the annual meeting pursuant to RSA 32:5.

(d) “Taxes raised for the prior fiscal year” means the property taxes raised for the prior fiscal year as shown on the budget certified by the governing body or budget committee and posted with the warrant for the annual meeting pursuant to RSA 32:5.

III.(a) In any local subdivision that has adopted this section, the net fiscal year appropriation as defined in paragraph II shall not exceed the taxes raised for the prior fiscal year by more than the spending cap authorized when this section was adopted except as provided in this paragraph.

(b) Once the legislative body has approved a net fiscal year appropriation that reaches the limit of the spending cap, each subsequent appropriation that increases the net fiscal year appropriation shall be deemed approved only if it receives an affirmative vote of those present and voting equal to or greater than the override threshold authorized when this section was adopted. If an appropriation that causes the net fiscal year appropriation to exceed the spending cap is approved by a simple majority but less than the override threshold, the appropriation shall be deemed approved only to the amount that is within the spending cap. If an appropriation is initially approved by the legislative body but subsequently disapproved upon reconsideration, that appropriation shall not be counted against the spending cap. Any subsequent appropriation that exceeded the spending cap when voted upon by the legislative body, but that would be within the spending cap when the reconsidered item is removed, shall be deemed approved if it has received a affirmative vote of a simple majority of the legislative body present and voting, even if it was initially deemed disapproved for failure to achieve the override threshold.

(c) For a legislative body that has adopted an official ballot form of meeting under RSA 40:13 or under a charter adopted pursuant to RSA 49-D, appropriations shall be deemed approved in the order that they appear on the official ballot.

(d) Any increase over the prior year’s costs under a collective bargaining agreement entered into pursuant to RSA 273-A shall not be counted toward the spending cap.

IV. The governing body shall inform the legislative body of the maximum amount of appropriations that will result in a net fiscal year appropriation that complies with the spending cap. This information shall be contained in a notice placed conspicuously on the warrant or, in the case of a legislative body that uses an official ballot form of meeting under RSA 40:13 or under a charter adopted pursuant to RSA 49-D, on the official ballot. The governing body may, in its discretion, include an explanation of how the proposed appropriations compare to the amount permitted by the spending cap. Any reasonable explanation shall be sufficient, and any errors contained in such notice, if made in good faith and without an intent to mislead the legislative body, shall not be a basis for invalidating any actions of the legislative body.

V. A spending cap established pursuant to this section shall not apply to appropriations made at any special meeting held due to an emergency pursuant to RSA 31:5, I(a) or (b) or a disaster pursuant to RSA 31:5-a.

32:5-c Adoption of Local Spending Cap Act.

I. The provisions of RSA 32:5-b may be adopted by any local political subdivision of the state whose legislative body raises and appropriates funds through an annual meeting. A 3/5 majority of those voting on the question shall be required to adopt the provisions of RSA 32:5-b. Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.

II. The question shall be placed on the warrant of the annual meeting by the governing body or by petition under the procedures set out in RSA 39:3 or RSA 197:6.

III. A public hearing shall be held by the local governing body on the question at least 15 days, but not more than 30 days, before the question is to be voted on. In multi-town districts, a public hearing shall be held in each town embraced by the district, none of which shall be held on the same day. Notice of the hearing shall be posted in at least 2 public places in the town and at least 2 public places in each town of multi-town districts, and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.

IV. The wording of the question shall be: “Shall we adopt the provisions of RSA 32:5-b, known as the local spending cap act, and limit annual spending increases to (spending cap), with (override threshold) vote required to exceed that limit?” The “spending cap” shall be a fixed dollar amount, a fixed percent or a percent derived from the inflation rate. The “override threshold” shall be either three-fifths or two-thirds.

V. Voting on the question shall be by ballot, but the question shall not be placed on the official ballot used to elect officers, except in the case of a legislative body that uses an official ballot form of meeting under RSA 40:13 or under a charter adopted pursuant to RSA 49-D. Polls shall remain open and ballots shall be

accepted by the moderator for a period of not less than one hour following the completion of discussion on the question. If a 3/5 majority of those voting on the question vote “yes,” RSA 32:5-b shall apply within the local subdivision for the fiscal year and for all subsequent years until it is rescinded as provided in paragraph VI.

VI. Any local subdivision which has adopted RSA 32:5-b may consider rescinding its action in the manner described in paragraphs I through V. The wording of the question shall be: “Shall we rescind the provisions of RSA 32:5-b, known as the local spending cap act, as adopted by the (local subdivision) on (date of adoption), so that there will no longer be a limit on annual spending increases?” A 3/5 majority of those voting on the question shall be required to rescind the provisions of this section, except in the case of repeal by charter enactment under RSA 49-D. Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.

6 Municipal Budget Law; Limitation on 10 Percent Increase. Amend introductory paragraph of RSA 32:18 to read as follows:

32:18 Limitation of Appropriations. In any municipality electing this subdivision, or any district wholly within a town electing this subdivision, the total amount appropriated at any annual meeting shall not exceed by more than 10 percent the total amount recommended by the budget committee for such meeting. Provided, however, that in any town or district which has adopted the provisions of RSA 32:5-b, any increase which would exceed the spending cap may only be adopted according to the procedures for exceeding the spending cap in RSA 32:5-b. In official ballot referendum municipalities, the recommendation of the budget committee made for the first session of the meeting shall be used for determining the 10 percent limitation. These totals shall include appropriations contained in special warrant articles. Money may be raised and appropriated for purposes included in the budget or in the warrant and not recommended by the budget committee, but not to an amount which would increase the total appropriations by more than the 10 percent allowed under this paragraph. The 10 percent increase allowable under this paragraph shall be computed on the total amount recommended by the budget committee less that part of any appropriation item which constitutes fixed charges. Fixed charges shall include appropriations for: 7 Home Rule Municipal Charters; Preservation. Amend RSA 49-B:13 to read as follows:

49-B:13 Separability; Preservation.

I. The provisions of this chapter and of charters created under this chapter are separable. If any portion of this chapter, or of any charter adopted under the provisions of this chapter, or if the application of the chapter or such charter to any person or circumstance shall be invalid, the remainder of the chapter or such charter or the application of such invalid portions to other persons or circumstances shall not be affected by such invalidation.

II. All town and city charters which have been adopted, revised or amended; all charter commissions which have been properly established and elected; all elections properly held; and actions properly taken pursuant to such charters are hereby **endorsed, ratified, validated, and** legalized, [~~provided that such charters at the time of their adoption were not contrary to the general laws and constitution of the state~~] **and are fully enforceable.**

III. RSA 32 shall not apply to a municipality adopting, revising, or amending a charter under RSA 49-C or RSA 49-D unless that municipality adopts a budgetary town meeting, official ballot town meeting, an official ballot town council, or representative town meeting pursuant to RSA 49-D:3, I-a, II, II-a and III. ***Except that a municipality may adopt a spending cap as provided in RSA 49-C:33, I(d) or RSA 49-D:3, I(e), notwithstanding the provisions of RSA 32:5-b and RSA 32:5-c.***

8 Use of Official Ballot; Vote. Amend RSA 40:13, XIII to read as follows:

XIII. Approval of all warrant articles shall be by simple majority except for questions which require a **3/5 or 2/3** vote by law, contract, or written agreement.

XVII. "Earnable compensation" shall mean:

(a) For [aH] members *who have attained vested status prior to January 1, 2012* the full base rate of compensation paid, ***as determined by the employer***, plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities ~~[or for other extra or special duty]~~, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except cash incentives paid by an employer to encourage members to retire, supplemental pay paid by the employer while the member is receiving workers' compensation, and teacher development pay that is not part of the contracted annual salary. ***Compensation for extra and special duty, as determined by the employer, shall be included but limited during the highest 3 years of creditable service as provided in paragraph XVIII.*** However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position, with the limited exceptions of disability related severance pay paid to a member or retiree no later than 120 days after a decision by the board of trustees granting the member or retiree disability retirement benefits pursuant to RSA 100-A:6 and of severance pay which a member was entitled to be paid within 120 days after termination but which, without the consent of the member and not through any fault of the member, was paid more than 120 days after the member's termination. The member shall have the burden of proving to the board of trustees that any severance payment paid later than 120 days after the member's termination of employment is earnable compensation and meets the requirements of an asserted exception to the 120-day post-termination payment requirement.

(b) *For members who begin service after December 31, 2011 or who are not in vested status on January 1, 2012 the full base rate of compensation paid, as determined by the employer, plus any overtime pay, holiday and vacation pay, sick pay, longevity pay, cost of living bonus, additional pay for extracurricular and instructional activities, and any military differential pay, plus the fair market value of non-cash compensation paid to, or on behalf of, the member for meals or living quarters if subject to federal income tax, but excluding other compensation except supplemental pay paid by the employer while the member is receiving workers' compensation and teacher development pay that is not part of the contracted annual salary. Compensation for extra and special duty, as determined by the employer, shall be included but limited during the highest 5 years of creditable service as provided in paragraph XVIII. Earnable compensation shall not include incentives to encourage members to retire, severance pay, and pay for unused sick or vacation time. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. Earnable compensation shall not include compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.*

2 Retirement System; Definitions; Average Final Compensation. Amend RSA 100-A:1, XVIII to read as follows:

XVIII. "Average final compensation" shall mean:

(a) For members who have attained vested status prior to January 1, 2012, the average annual earnable compensation of a member during his or her highest 3 years of creditable service, or during all of the years in his or her creditable service if less than 3 years. **For purposes of this calculation, the inclusion of the average annual compensation for extra and special duty in the 3 years shall not exceed the average annual amount of compensation for extra and special duty paid to the members over the member's last 7 years or over all of the years in his or her creditable service if less than 7 years.**

I. In this section, "small incumbent local exchange carrier" means an incumbent local exchange carrier serving fewer than 25,000 access lines.

II. ***Solely at its option***, a small incumbent local exchange carrier subject to rate of return regulation, ***and only such small incumbent local exchange carrier***, may petition the public utilities commission

for approval of an alternative form of regulation providing for regulation of such carrier's retail operations comparable to the regulation applied to competitive local exchange carriers, subject to paragraph III, due to its status as carrier of last resort.

III. The commission shall approve the alternative regulation plan if it finds that:

(a) ~~[Competitive wireline, wireless, or broadband service is available to a majority of the retail customers in each of the exchanges served by such small incumbent local exchange carrier;]~~ ***The small incumbent local exchange carrier has 25 percent fewer access lines in service than it did on December 31, 2004;***

(b) The plan provides for maximum ***stand-alone*** basic local service rates at levels that do not exceed the comparable rates charged by the largest incumbent local exchange carrier operating in the state and that do not increase by more than ~~[10]~~ **5** percent in each of the 4 years after a plan is approved with the exception that the plan may provide for additional rate adjustments, with public utilities commission review and approval, to reflect changes in federal, state, or local government taxes, mandates, rules, regulations, or statutes;

IV. The alternative regulation plan may allow the small incumbent local exchange carrier to offer bundled services that include combinations of telecommunications, data, video, and other services.

V. Following approval of the alternative regulation plan, the small incumbent local exchange carrier shall no longer be subject to rate of return regulation or be required to file affiliate contracts or seek prior commission approval of financings or corporate organizational changes, including, without limitation, mergers, acquisitions, corporate restructurings, issuance or transfer of securities, or the sale, lease, or other transfer of assets or control.

VI. Notwithstanding any other provision of law, competitive entry in the service territory of a small incumbent local exchange carrier which has petitioned for approval of an alternative regulation plan, is consistent with the public good for the specific purpose of RSA 374:22-g and approval of such competitive entry shall not require a hearing as required under RSA 374:26.

Amendment to SB 50

Amend the bill by replacing all after section 1 with the following:

2 New Section; Wills; Enforcement of No-Contest Provision. Amend RSA 551 by inserting after section 21 the following new section:

551:22 Enforcement of No-Contest Provision.

I. For the purposes of this section, a "no-contest provision" means a provision of a will that, if given effect, would reduce or eliminate the interest of any beneficiary of such will who, directly or indirectly, initiates or otherwise pursues:

(a) Any action to contest the admission or validity of such will;

(b) Any action to set aside or vary the terms of such will;

(c) Any action to challenge the acts of the executor of such will or other fiduciary of such will in the performance of such executor's or other fiduciary's duties as described in such will; or

(d) Any other act or proceedings to frustrate or defeat the testator's intent as expressed in the terms of such will.

II. A no-contest provision shall be enforceable according to the express terms of the no-contest provision without regard to the presence or absence of probable cause for, or the beneficiary's good or bad faith in, taking the action that would justify the complete or partial forfeiture of the beneficiary's interest in the will under the terms of the no-contest provision.

III. Paragraph II of this section shall not apply to:

(a) Any action brought by the executor or other fiduciary of any such will that incorporates a no-contest provision, provided that such executor or other fiduciary is not a person against whom the no-contest provision would be enforced for bringing the action;

(b) Any agreement among the beneficiaries under the will in settlement of a dispute or resolution of any other matter relating to such will;

(c) Any action to determine whether a proposed or pending motion, petition, or other proceeding constitutes a contest within the meaning of a no-contest provision;

(d) Any action brought by a beneficiary under a will or on behalf of any such beneficiary for a construction or interpretation of the will; or

(e) Any action brought by the attorney general for a construction or interpretation of a will containing a charitable trust or charitable bequests or if a provision exists in a will or trust purporting to penalize a charity or charitable interest for contesting the will or trust or instituting other proceedings relating to the estate or trust if probable cause exists for instituting proceedings.

IV. It is the intent of this section to enforce the testator's intentions as reflected in a no-contest provision described in paragraph II of this section to the greatest extent possible. The provisions of this section shall be construed and applied in a manner consistent with such intent.

V. This section shall apply to all judicial proceedings concerning the enforcement or interpretation of a no-contest provision commenced on or after its effective date.

3 Testamentary Trusts; Bond and Surety Requirements for Trustees. Amend RSA 564:1 to read as follows:

564:1 Bonds.

I. Every trustee to whom any estate, real or personal, is devised in trust for any person shall give bond to the judge of probate, with sufficient sureties, or without sureties in estates of five thousand dollars or less where the judge finds it in the interest of the estate, in such sum as the judge may order, except as provided in RSA 564:2, conditioned:

[I-] **(a)** That [he] ***the trustee*** will make and file in the probate office a true inventory of the real estate, goods, chattels, rights and credits so devised, at such time as the judge shall order.

[II-] **(b)** That [he] ***the trustee*** will annually render an account to the judge of the annual income and profit thereof, unless excused by the judge of probate as provided by law.

[III-] **(c)** That at the expiration of the trust [he] ***the trustee*** will adjust and settle his ***or her*** account with the judge, and pay and deliver over all balances, money, and property with which [he] ***the trustee*** has been intrusted.

[IV-] **(d)** That [he] ***the trustee*** will faithfully execute the trust according to the true intent of the deviser.

II. This section shall not apply with respect to any trust exempted from the accounting requirements under RSA 564:19, II and III.

4 Testamentary Trusts; Bonds of Banks. Amend RSA 564:5 to read as follows:

564:5 Bond of Banks. ***Except as otherwise provided in RSA 564:1***, such trust company or national bank when appointed trustee shall give a surety company bond in such sum as the judge may order.

5 Testamentary Trusts; Filing Accounts. Amend RSA 564:19 to read as follows:

564:19 Filing Account.

I. Except as otherwise provided in paragraphs II and III, every trustee shall file in the probate court an annual account of administration, unless upon petition [he] **the trustee** is excused by the judge of probate; but in no event shall [he] **the trustee** be excused for a period longer than three years, except that in cases where such filing may be impractical and may work financial hardship to the trust estate the judge of probate upon written approval of the attorney general may extend said period not exceeding in the aggregate five years. Such annual account of administration provided for herein may be allowed by the judge of probate without publication unless he **or she** shall otherwise order. Before giving notice to settle a final account the trustee shall file it in the probate office and shall cause the fact of such filing to appear in the notice and shall at the same time file a statement of the names and residences of the beneficiaries in the trust estate.

II. The following trusts under will shall be exempt from the accounting requirements of paragraph I:

(a) A trust created under a will admitted to probate on or after January 1, 2012, under which the testator expressly waives the requirement for annual accountings under the terms of the will creating the trust.

(b) A trust created under a will admitted to probate on or after January 1, 2012, that is not exempt from the accounting requirement under subparagraph (a) with respect to which one or more interested parties, including the director of charitable trusts if the director is a “qualified beneficiary” of the trust under RSA 564-B:1-110(c) have petitioned the court having jurisdiction over the trust for approval of the interested parties’ nonjudicial settlement agreement under RSA 564-B:1-111 seeking a waiver of the requirement of future accountings. The presiding judge shall grant such petition and approve the nonjudicial settlement agreement unless the presiding judge finds that doing so would (i) jeopardize a material purpose of the testator of the will under which the trust was created, based on the language of the will clearly indicating the intention of the testator that the trust be subject to full judicial supervision, including the accounting requirement; or (ii) adversely affect the interests of any stakeholder who is not a signatory to the nonjudicial settlement agreement.

(c) A trust, if (i) the court grants a petition for the acceptance of jurisdiction over that trust with respect to which a court of another state has released its jurisdiction, and (ii) the court releasing jurisdiction did not require the trustee or trustees of that trust to file accounts with that court, or required that the trustees of the trust file accounts less frequently than annually, then the court accepting jurisdiction over such trust shall not require accountings whatsoever, or shall require accountings less frequently than annually, as the case may be, on the same basis as may have been required by the court releasing jurisdiction.

III. A trust under will described in paragraph II, with respect to which no judicial accountings will be required, shall in all respects be subject to the beneficiary reporting and information requirements of RSA 564-B, the Uniform Trust Code, and all other pertinent provisions of such Code, except to the extent that a contrary provision appears in the will under which the trust was created, provided that such contrary provision does not violate any of the mandatory rules of RSA 564-B:1-105. For these purposes, the pertinent terms of the will shall have the same meaning as “terms of a trust” and the “will creating the trust” shall have the same meaning as “trust instrument”, as defined in RSA 564-B:1-103(19) and (20), respectively. Nothing in this paragraph shall be interpreted to limit the ability of persons with standing to petition the probate court having jurisdiction over a trust under will to require any trustee of that will to make a judicial accounting, or the jurisdiction of any such court to require an accounting on its own initiative.

IV. Nothing in this section shall limit the authority of the attorney general otherwise provided by common law or other statute.

6 New Section; Uniform Trust Code; Application to Testamentary Trusts. Amend RSA 564 by inserting after section 24 the following new section:

564:25 Application of the Uniform Trust Code. The provisions of RSA 564-B, the Uniform Trust Code, shall apply to all trusts under will governed by this chapter, except to the extent that any provisions of the Uniform Trust Code conflict with the express provisions of this chapter, in which case the provisions of this chapter shall control.

7 Uniform Trust Code; Clarifying Terms of Trust Instrument Control. Amend RSA 564-B:1-105(b)(3) to read as follows:

(3) the requirement that a trust and its terms be for the benefit of its beneficiaries ***as their interests are defined under the terms of the trust***, and that the trust have a purpose that is lawful, not contrary to public policy, and possible to achieve;

8 Uniform Trust Code; Clarifying Terms of Trust Instrument Control. Amend RSA 564-B:1-112 to read as follows:

564-B:1-112 Rules of Construction. Amendment to SB 114

Amend the bill by replacing section 1 with the following:

1 Failure to be Renominated or Reelected. Amend RSA 189:14-a to read as follows:

189:14-a Failure to be Renominated or Reelected.

I.(a) Any teacher who has a professional standards certificate from the state board of education and who has taught for one or more years in the same school district shall be notified in writing on or before April 15 or within 15 days of the adoption of the district budget by the legislative body, whichever is later, if that teacher is not to be renominated or reelected, provided that no notification shall occur later than the Friday following the second Tuesday in May.

(b) Any such teacher who has taught for [3] 5 consecutive years or more in the same school district and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of said request, shall provide for a hearing on the request to be held within 15 days. The school board shall issue its decision in writing within 15 days of the close of the hearing.

II. Any teacher who has a professional standards certificate from the state board of education and who has taught for [3] 5 consecutive years or more in any school district in the state shall, after having taught for [2] 3 consecutive years in any other school district in the state, be entitled to all of the rights for notification and hearing *set forth* in [paragraphs I(b), III, and IV of] this section.

III. In cases of nonrenomination because of unsatisfactory performance, [~~the superintendent of the local school district shall demonstrate, at the school board hearing, by a preponderance of the evidence, that the teacher had received written notice that the teacher's unsatisfactory performance may lead to nonrenomination, that the teacher had a reasonable opportunity to correct such unsatisfactory performance, and that the teacher had failed to correct such unsatisfactory performance. Nothing in this paragraph shall be construed to require the superintendent or the school board to provide a teacher with remedial assistance to correct any deficiencies that form the basis for such teacher's nonrenomination~~] ***a teacher's performance shall not be based solely on state or national assessment scores received by pupils in such teacher's class.***

[~~IV. In all proceedings before the school board under this section, the burden of proof for nonrenewal of a teacher shall be on the superintendent of the local school district by a preponderance of the evidence.~~]

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Applicability. Section 1 of this act shall not apply to any teacher who has taught for 3 or 4 consecutive years in any school district in the state as of the effective date of this act.

Amendment to SB 170

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court finds that the New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA) is a mutual form of insurance plan funded in the first instance by

premiums paid by policyholders. Since 1986, the NHMMJUA has amassed more funds through premium payments than is necessary to sustain operations. Return premiums should be issued to all policyholders who have contributed to the current surplus of funds.

2 New Section; New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA). Amend RSA 404-C by inserting after section 13 the following new section:

404-C:14 New Hampshire Medical Malpractice Joint Underwriting Association (NHMMJUA).

I. Notwithstanding any provision of law to the contrary, no officer or agent of the state shall take or transfer, through taxation or otherwise, any funds now held by the NHMMJUA in a manner inconsistent with this section.

II. All funds held as of the effective date of this section by the NHMMJUA in excess of the amount required for the fund to remain actuarially sound, as determined by a qualified actuary, shall constitute excess surplus funds and shall not be less than \$110,000,000 in accordance with 2009, 144:1. Such determination shall be completed under the direction of the NHMMJUA board of directors not more than 45 days from the effective date of this section. All such excess surplus funds have resulted from premiums paid under assessable and participating medical malpractice insurance policies, belong to the policyholders who paid these premiums, and shall be returned as directed under this section. Within 60 days from the effective date of this section, all excess surplus funds, except for a reserve of \$25,000,000 for the payment of any federal tax liability, shall be interpleaded into the Merrimack County Superior Court, docket no. 217-2010-CV-00414 for the purpose of adjudicating all policyholders' claims to excess surplus funds. All distributions made to policyholders shall be subject to a claim from the NHMMJUA to reclaim a pro rata portion of the distribution to satisfy any federal tax liabilities in excess of the \$25,000,000 reserved for such claims.

III. Within 30 days of the effective date of this section, the NHMMJUA, the insurance commissioner, or designee, and a representative of NHMMJUA policyholders, designated by the president of the New Hampshire Medical Society, shall jointly approach the United States Internal Revenue Service to obtain a closing agreement, or its equivalent, determining whether the NHMMJUA has any federal tax liability arising from the excess premiums paid and that shall be returned to policyholders.

IV. Amendment to SB 175

Amend RSA 359-K:3 as inserted by section 2 of the bill by replacing it with the following:

359-K:3 Transferability. The right to control the commercial use of one's identity is a property right that is freely transferable and descendable, in whole or in part, during and after a person's life by means of (1) a written contract, license, conveyance, or assignment or a will, trust, or other testamentary instrument, executed before or after the enactment of this chapter, and by the original holder or his or her successor-in-interest, or (2) by intestate succession occurring before or after the enactment of this chapter. In the absence of an express transfer in a testamentary instrument of the right to control commercial use of a person's identity, a provision in a testamentary instrument that provides for the disposition of the residue of the deceased person's assets shall be effective to transfer that right in accordance with the terms of that provision.

Amend RSA 359-K:4 as inserted by section 2 of the bill by inserting after paragraph III the following new paragraph:

IV. The right protected under this chapter, insofar as it extends beyond a person's death, applies only to any person who died a domiciliary of the state of New Hampshire. With regard to any person still living, this paragraph shall not be construed to alter or expand the in personam jurisdiction or choice of law principles to be applied in an action brought under this chapter.

Amend RSA 359-K:5, I as inserted by section 2 of the bill by replacing it with the following:

I. Any use of a person's identity during the term of the right protected under this chapter, on or in products, merchandise, or goods, or for the purpose of advertising, marketing, selling, or soliciting purchases of products, merchandise, goods or services, requires the written authorization, including by electronic means, of that person or his or her successor-in-interest.

Amend RSA 359-K:6 as inserted by section 2 of the bill by replacing it with the following:

359-K:6 Exceptions. This chapter shall not apply to the following:

I. Use of a person's identity in an attempt to portray, describe, impersonate, or refer to that person in any of the following informational or expressive works, regardless of length or format, appearing in any medium now known or hereafter devised, provided that the work does not in and of itself constitute a commercial advertisement for a product, merchandise, goods, or services, and provided further that the work is not a videogame or other similar digital or electronic device:

(a) A news, public affairs, public interest, or sports broadcast or account.

(b) A play, book, story, graphic novel, article, editorial, commentary, or other similar written or theatrical work.

(c) A speech.

(d) A musical composition or musical lyrics.

(e) A radio program, sound recording, or other similar audio work.

(f) A documentary, motion picture, television program, or other similar audiovisual work.

(h) Any work used in connection with any political campaign.

(i) An article, editorial, commentary, magazine, newspaper, periodical, or other work of political or newsworthy value.

II. Use of a person's image in a photograph that does not single the person out as an individual, but rather depicts the person as a member of a group or the public, provided that the person is not named or otherwise identifiable in connection with the use of the photograph.

III. Truthful identification of a person as the author, composer, performer, or creative contributor to or of a work or lawfully recorded performance, under circumstances in which the work or recorded performance is otherwise lawfully reproduced, exhibited, or broadcast.

IV. Promotional materials, advertisements, or commercial announcements for a use described in paragraph I, II, or III, or the facilitation of the same, provided that the use of the person's identity in such promotional materials, advertisements, or announcements is related to the promoted, advertised, or announced use of that same person's identity.

V. Use of a person's identity in promotional material or an advertisement for a news reporting or an entertainment medium that:

(a) Uses such identity solely as originally contained in all or part of a past or future edition of the medium's own broadcast or publication; and

(b) Does not convey or reasonably suggest that the person endorses the news reporting or entertainment medium.

VI. Use of a person's identity in promotional material or an advertisement for an aggregator of news reporting and/or entertainment content that:

(a) Uses such identity solely as originally contained in all or a part of the content of any news medium or entertainment medium available via the aggregator to the aggregator's customers; and

(b) Does not convey or reasonably suggest that the person endorses the news and/or entertainment aggregator. As used in this paragraph, the term "aggregator" means a party who receives content not of its own creation from others which it transmits or otherwise provides to others.

VII. Use of a person's identity in connection with the efforts of a government agency to promote travel and tourism in this state, portray historical events, or commemorate persons or physical sites that are significant in the history of this state, except where the use is directly connected with commercial use, benefit, or sponsorship by a nongovernmental agency; provided, however, that if a government agency intends to have photographs taken at a public event for use pursuant to this paragraph, the government agency shall, if practical, announce or otherwise inform the public, or request the sponsor of the event to announce or otherwise inform the public, that photographs may be taken that can be used in materials for the promotion of travel and tourism in this state without permission from the person photographed.

VIII. Use of a person's identity that is merely descriptive and used in good faith solely for the purpose of referring to products, merchandise, goods, or services that have been marketed, advertised, or sold by means of an authorized use of that person's identity, or the facilitation of the same.

Amend RSA 359-K:7, III-V as inserted by section 2 of the bill by replacing them with the following:

III. In any suit brought to enforce the right protected under this chapter, the plaintiff may recover an amount equal to the greater of \$2,500 or actual damages incurred as a result of the prohibited use and any profits that are attributable to the prohibited use but not otherwise taken into account in computing actual damages. In establishing profits attributable to a prohibited use, the plaintiff shall be required to present proof only of the gross revenue attributable to use, and the defendant shall be required to prove his, her, or its deductible expenses.

IV. Any plaintiff or defendant that prevails in an action to enforce the right protected under this chapter shall be entitled to recover reasonable attorney's fees, costs, and expenses.

V. No owner, employee, or provider of any medium used for the distribution, transmission, or aggregation of advertising, news reporting, and/or entertainment content is liable pursuant to this chapter for any prohibited use of a person's identity in an advertisement promoting the goods or services of a third party unless it is established that the owner, employee, or provider had actual knowledge that the use was unauthorized and the owner, employee, or provider did not create the advertisement.

VI. Nothing in this chapter may be construed to impose liability for offering the transmission, routing, or providing of connections for communications, between or among points specified by a user, of material of the user's choosing, without modification to the content of the material sent or received.
