Topics Needed for Performance Audit: The Joint Legislative Performance Audit and Oversight Committee (RSA 17-N) seeks input from House and Senate members for potential performance audit topics. LBA audit division is currently completing audits of the Division of State Police Forensic Laboratory and the self-funded State Employees Health Benefit Program. House and Senate members are encouraged to submit potential audit topics to Committee Chairman Senator Peter Bragdon or Committee Clerk Representative John Reagan. Subjects for performance audit should be focused on the member's perception of the problem they wish audited. Performance audits determine the degree with which the program fulfills the intent of the enabling legislation. For more information visit <http://www.gencourt.state.nh.us/lba>.
