**CONSENT CALENDAR REPORTS**

**ENERGY AND NATURAL RESOURCES**

**HB 1380**, relative to the development of wetland mitigation banks.  
Ought to Pass, Vote 5-0.

Senator Merrill for the committee.

This is enabling legislation that permits the establishment of wetland mitigation banks by not only public but also private entities, provided that such banks comply with all federal, state, and Army Corps of Engineers requirements.

**FINANCE**

**HB 618-FN**, requiring state agencies to develop performance measures and to develop budgets for each biennium. Interim Study, Vote 7-0.

Senator Morse for the committee.

The Finance committee feels that in last years budget, reforms were made that have yet to come to fruition and although we appreciate the objectives the sponsor is trying to achieve the bill does not consider the extensive effort that will be required by state agencies to tie the performance measures to the budget.

**HB 652-FN**, establishing a commission relative to Medicaid managed care.

Inexpedient to Legislate, Vote 7-0.

Senator Morse for the committee.

The Senate Finance committee feels this bill is unnecessary. The Medicaid Managed Care program is moving forward and a separate commission is not needed.

**JUDICIARY**

**HB 574**, relative to the taking of private property during a state of emergency.

Ought to Pass with Amendment, Vote 5-0.

Senator Forsythe for the committee.

This bill revises the statute on the taking of private property to ensure that personal private property can not be taken by the state.

**HB 1526-FN**, relative to possession of less than one-half ounce of marijuana.

Inexpedient to Legislate, Vote 5-0.

Senator Houde for the committee.

The Committee does not support legislation decriminalizing possession of marijuana due to concerns about the message it sends to young people - as well as the potential for marijuana use to lead to use of other illegal substances.

**PUBLIC AND MUNICIPAL AFFAIRS**

**HB 1329**, relative to the default budget in certain towns.

Interim Study, Vote 5-0.

Senator Barnes for the committee.

This bill requires a default budget form include any reductions made by the governing body in the proposed operating budget, when demonstrating how the default budget amount was calculated. Committee members strongly urge this bill be incorporated into the duties of the committee established in SB 238, to assess the form of government in towns that have elected the official ballot referendum form of meeting.

**WAYS AND MEANS**

**HB 1251-FN**, establishing a committee to study requiring that all sales of alcoholic beverages for off-premises consumption be made at state liquor stores.

Inexpedient to Legislate, Vote 6-0.

Senator Boutin for the committee.

This bill sought to establish a committee to study requiring that all sales of alcoholic beverages for off-premises consumption be made at state liquor stores. The prime sponsor requested that the legislation be found inexpedient to legislate.

**HB 1698-FN-A**, establishing a committee to study implementing keno in the state of New Hampshire.

Inexpedient to Legislate, Vote 6-0.

Senator Luther for the committee.

This bill sought to establish a committee to study implementing keno in the state of New Hampshire. This was not the original intent of the prime sponsor and the committee does not believe this study is necessary as a great deal of information on the subject matter is already available.

XXVI. “Internet access”:

(a) Means a service that enables users to connect to the Internet to access content, information, or other services offered over the Internet;

(b) Includes the purchase, use, or sale of communications services by a provider of a service described in subparagraph (a) to the extent such communications services are purchased, used or sold:

(g) [Repealed.]

(h) Bad debt. For the purposes of this paragraph, bad debt means any portion of a debt that is related to a purchase at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectible, as determined under applicable federal income tax standards. ***(i) Charges for Internet access.***

5 Existing Assessments Not Enforceable. The department of revenue administration shall not enforce any existing assessment of communications services tax on charges for Internet access, shall promptly withdraw all such pending assessments, and shall issue no additional assessments with respect to such charges.

6 Transfer of Insurance Premium Tax Revenue to Department of Health and Human Services. ## STATE HOUSE COMPLEX DISPOSAL BOXES

The General Court is exploring the issue of the disposal of dirty syringes, needles, and any other sharps into the proper disposal boxes.

During the first phase of exploration, we will have a sharps box for collection in the Health Services Department to place all sharps in. This will assist us in planning if there is any viability of placing like containers in the complex.

## LEGISLATIVE ETHICS COMMITTEE

The Legislative Ethics Committee has voted to issue the following advisory opinion, which is printed below in its entirety.

### Advisory Opinion 2012-3 Response to a Request for an Advisory Opinion from Representative John A. Burt (April 6, 2012)

Pursuant to RSA 14-B:3, I (c), Representative John A. Burt has requested an Advisory Opinion whether, consistent with applicable statutes and the Ethics Guidelines, he may proceed with promotion and organization of an event he refers to as “Representative Burt’s Hot Dog Day.”

According to information provided to the Committee by Rep. Burt, the event would be a hot dog roast to take place at lunch time on the State House Plaza. Financial support for the event would come in the form of cash donations from lobbyists and others including fellow Representatives, as well as in-kind contributions, in response to requests from Rep. Burt. Donations would be received by Representative Burt. Cash donations would be deposited by him in a special bank account, from which he would disburse funds to pay the expenses of the event. After all expenses had been paid, any remaining funds would be donated to a charity of Rep. Burt’s choice.

Specifically, Rep. Burt asks whether, based on the facts he has provided, he may proceed with the event as described.

Relevant provisions of applicable law are:

**RSA 15-B:2 Definitions.** – For the purposes of this chapter:

\* \* \*

V. (a) “Gift” means:

(1) Money in any amount, whether in the form of cash, check or any other negotiable or non-negotiable instrumentality for the transfer of money.

(2) Any other tangible thing, intangible thing, service, or the use thereof having more than insignificant economic value. Any such item with a value of less than \$25 is presumed to be of insignificant economic value.

**RSA 15-B:3 Prohibition on Gifts.** –

I. It shall be unlawful to knowingly give any gift as defined in this chapter, directly or indirectly, to any elected official, public official, public employee, constitutional official, or legislative employee.

\* \* \*

III. No elected official, public official, public employee, constitutional official, or legislative employee shall knowingly accept, directly or indirectly, any gift, as defined in this chapter.

**Ethics Guidelines, Section 4, Prohibited Activities.**

I. Legislators shall not solicit, accept, or agree to accept anything of value from another for themselves or other persons, if the legislator receives such thing of value:

\* \* \*

(b) Knowing or believing that the giver is or is likely to become subject to or interested in any matter or action pending before or contemplated by the legislator or the General Court.

\* \* \*

VII. Nothing in this section on prohibited activities should be construed to prohibit the following:

\* \* \*

(h) Acceptance of anything permitted to be accepted pursuant to RSA 15-B \* \* \* \*

We advise as follows:

While we commend efforts of legislators to promote fellowship and comity among their colleagues, we are concerned that direct solicitation and receipt by legislators of cash contributions for the proposed event, from

any source, would violate the prohibitions set forth in RSA 15-B:3 and Ethics Guidelines. Section 4, I(b). We have previously approved of legislators organizing and promoting legislature-related events and activities, so long as there is no direct solicitation or receipt of cash by legislators, and the contributions are directed to charitable organizations which sponsor the event. See Advisory Opinions 2008-2 (White-Blaisdell Golf Tournament) and 2009-3 (Concord Hospital-Payson Center Rock 'n' Race)(summaries and full texts available at: [http://gencourt.state.nh.us/ethics/Advisory\\_Opinions/AO\\_Blurbs.htm](http://gencourt.state.nh.us/ethics/Advisory_Opinions/AO_Blurbs.htm) ).

We therefore advise that for this event, violation of the statute and Guidelines may be avoided if arrangements are made for sponsorship by a charitable organization registered as such with the New Hampshire Department of Justice, announcement of the event is limited to publication in legislative calendars or other general means of communication, and all cash contributions are directed to the sponsoring charitable organization, rather than to any legislator. Any cash contributions for the event previously received by Rep. Burt or other individual legislators, should be returned to the donors. Non-cash contributions valued at less than \$25 may be solicited and received.

We appreciate the opportunity to be of assistance.

For the Committee,  
Martin L. Gross  
Chairman

[Vote 6-0]
