CONSENT CALENDAR REPORTS

COMMERCE

SB 95, relative to choice of pharmacy under workers' compensation.
Ought to Pass with Amendment, Vote 5-0.
Senator Hosmer for the committee.

This bill, as amended by the committee, establishes the right of an injured employee to select his or her own pharmacy or pharmacist for dispensing and filling prescriptions for medicines under workers' compensation.

ENERGY AND NATURAL RESOURCES

SB 31, relative to a ban on the incidental combustion of untreated wood at municipal transfer stations.
Ought to Pass with Amendment, Vote 5-0.
Senator Odell for the committee.

This bill repeals a prospective ban on the incidental combustion of untreated wood at municipal transfer stations, the amendment allows municipal health officers to address air quality violations for outdoor fires, with exceptions for campgrounds and camping parks.

HEALTH, EDUCATION AND HUMAN SERVICES

SB 113-L, relative to a school district's transportation responsibility for pupils of divorced parents with joint decision making responsibility.
Inexpedient to Legislate, Vote 5-0.
Senator Sanborn for the committee.

SB 113-L is no longer necessary because the language in the bill has been incorporated into HB 160 and are now identical pieces of legislation.

HB 160, relative to a school district's transportation responsibility for pupils of divorced parents with joint decision making responsibility.

Ought to Pass with Amendment, Vote 5-0.

Senator Reagan for the committee.

HB 160 makes a technical correction, to ensure that a school district is only responsible to transport students within the schools designated attendance area. This correction will help those school districts which incorporate a large geographic area. The amendment to the bill makes a grammatical change to align with the language that was in SB 113-L.

PUBLIC AND MUNICIPAL AFFAIRS

SB 197, relative to the inclusion of a default budget in separate warrant articles submitted by sewer commissions.

Ought to Pass with Amendment, Vote 5-0.

Senator Pierce for the committee.

This bill authorizes a sewer commission to propose its budget as part of the municipal budget or in separate warrant articles, and each article is to have its own default budget in the amount of the same appropriation as the previous year. The committee voted to amend the bill to include water as well as sewer funds. Typically, these budgets are funded by user fees rather than taxes. SB 197 will benefit SB 2 towns.

HB 208, relative to annual reports of county officers.

Ought to Pass, Vote 5-0.

Senator Pierce for the committee.

Current law requires county officers to publish annual reports within three months following the close of the fiscal year. But the NH Association of Counties testified that it is difficult for counties to have audited financial statements completed and published within that three month period. HB 208 extends the reporting period to the sixth month following the close of the county fiscal year to allow for the needed extra time.

HB 235, allowing counties to contract for professional real estate services for the sale or lease of county property.

Ought to Pass with Amendment, Vote 5-0.

Senator Forrester for the committee.

This bill allows county commissioners to contract for licensed real estate professionals when selling or leasing county property. The original language was amended to select licensed professionals who have demonstrated competence and qualifications to market the sale or lease of real property.

HB 309, relative to filing for office.

Ought to Pass, Vote 5-0.

Senator Lasky for the committee.

This bill clarifies requirements for a candidate who files for office on the last day of the filing period. If a person files with a town or city clerk on that last day he or she must do so in person. It also requires a primary election candidate declare that he or she is a registered New Hampshire voter.

TRANSPORTATION

HB 194, relative to collection of permit fees paid with insufficient fund checks.

Ought to Pass, Vote 5-0.

Senator Watters for the committee.

This bill was at the request of the Department of Safety to allow suspension of the registration privilege of a resident for paying a motor vehicle permit fee with a bad check. This change will implement a more efficient process for the towns and the Department when dealing with a bad check submitted for the permit fee since it will prohibit the registration of all vehicles of the resident. The Committee amended the bill to change the effective date to upon passage.

HB 195, relative to commercial driver learner permits.

Ought to Pass with Amendment, Vote 5-0.

Senator Watters for the committee.

This bill was requested by the Department of Safety to require that a person hold a valid driver's license in order to obtain a commercial driver learner permit and allows the permit to be valid for 180 days. This change will move New Hampshire in line with federal regulations, and the Committee amended the effective date of the bill to 60 days after passage, in order to implement this change quickly.

HB 196, relative to weight of commercial vehicles with idle reduction devices.
Ought to Pass with Amendment, Vote 5-0.
Senator Stiles for the committee.

This bill was requested by the Department of Safety and the Department of Environmental Services to increase the additional weight allowed for a commercial vehicle that utilizes an auxiliary power or idle reduction technology unit, in order to keep in line with federal regulations. This new technology may add to the weight of the vehicles, but it is exceedingly more environmentally and economically friendly, as it prevents a trucker from having to run the engine at all times in order to heat their cab or refrigerate their unit. The Committee amended the bill to change the effective date to upon passage to allow New Hampshire truckers to take advantage of this new technology as soon as possible.

Amendment to SB 38

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Pharmacy Rights During Audit. Amend RSA 318 by inserting after section 60 the following new subdivision:

Pharmacy Rights During Audit

318:61 Definition. In this subdivision "responsible party" means the entity responsible for payment of claims for health care services other than the individual to whom the health care services were rendered or that individual's guardian or legal representative.

318:62 Pharmacy Rights During Audit. Notwithstanding any other provision of law, whenever a managed care company, insurance company, third-party payer, or any entity that represents a responsible party conducts an audit of the records of a pharmacy, the pharmacy has a right to all of the following:

I. To have at least 7 days advance notice of the initial on-site audit for each audit cycle. A pharmacy that requests an additional 7 days prior to the commencement of an audit shall be granted 7 additional days.

II. To have any audit that involves clinical judgment be done with a pharmacist who is licensed and is employed or working under contract with the auditing entity.

III. Not to have clerical or record-keeping errors, including typographical errors, scrivener's errors, and computer errors, on a required document or record, in the absence of any other evidence, deemed fraudulent. This subdivision does not prohibit recoupment of fraudulent payments.

IV. If required under the terms of the contract, to have the auditing entity provide a pharmacy, upon request, all records related to the audit in an electronic format or contained in digital media.

V. To have the properly documented records of a hospital or any person authorized to prescribe controlled substances for the purpose of providing medical or pharmaceutical care for their patients transmitted by any means of communication in order to validate a pharmacy record with respect to a prescription or refill for a controlled substance or narcotic drug, in compliance with state laws.

VI. If an on-site audit is conducted for a reason other than an identified problem, the audit shall be limited to no more than 250 selected prescriptions and the third party plan or audit company must provide a masked list of prescriptions to the pharmacy to assist in preparation. The list is considered masked if the last 2 numbers of the prescription are marked with an "X." This procedure allows the pharmacy to pull the book the audited prescription is in, however it does not allow the pharmacy to pull the specific prescription audited. Additionally, all of the invoices for actual dispensed prescriptions, with prices redacted, may be obtained from pharmacy's wholesaler or distributor upon approval from the pharmacy.

VII. To be subject to no more than 2 audits in one calendar year, unless fraud or misrepresentation is reasonably suspected.

VIII. Except for cases of Food and Drug Administration regulation or drug manufacturer safety programs, to be free of recoupments based on any of the following unless defined within the billing requirements set forth in the pharmacy provider manual:

(a) Documentation requirements in addition to or exceeding requirements for creating or maintaining documentation prescribed by the pharmacy board or by the provider manual or contract.

(b) A requirement that a pharmacy or pharmacist perform a professional duty in addition to or exceeding professional duties prescribed by the board.

IX. To be audited under the same standards and parameters as other similarly situated pharmacies audited by the same entity.

X. To have the period covered by an audit limited to 24 months from the date a claim was submitted to, or adjudicated by, a managed care company, an insurance company, a third-party payer, or any entity that represents responsible parties, unless a longer period is permitted by a federal plan under federal law.

XI. Not to be subject to the initiation or scheduling of audits during the first 5 calendar days of any month for any pharmacy who averages in excess of 600 prescriptions per week due to the high volume of prescriptions filled during that time and for patient care considerations, without the express consent of the pharmacy. The pharmacy shall cooperate with the auditor to establish an alternate date should the audit fall within the days excluded.

XII. Not to have the accounting practice of extrapolation used in calculating recoupments or penalties for audits, unless otherwise required by federal requirements or federal plans.

XIII. The auditor shall not include dispensing fees in the calculations of overpayments unless the prescription is considered a misfill. A misfill shall be defined as a prescription not dispensed, a medication error, a prescription whereby the prescriber denied authorization, or where an extra dispensing fee was charged.

XIV.(a) Auditors shall only have access to previous audit reports on a particular pharmacy if the previous audit was conducted by the same entity, except as required for compliance with state or federal law.

(b) Additionally, pharmacies subject to an audit may use the following records at the time of the audit to validate a claim for a prescription, refill, or change in a prescription:

(1) Electronic or physical copies of records of a health care facility, or a health care provider with prescribing authority.

(2) Any prescription that complies with state law.

318:63 Mandatory Appeals Process.

I. Each entity that conducts an audit of a pharmacy shall establish an appeals process under which a pharmacy may appeal an unfavorable audit report to the entity.

II. If, following the appeal, the entity finds that an unfavorable audit report or any portion of the unfavorable audit report is unsubstantiated, the entity shall dismiss the unsubstantiated portion of the audit report without any further proceedings unless outlined in the contract.

III. Each entity conducting an audit shall provide a copy, if required under contractual terms, of the audit findings to the plan sponsor after completion of any appeals process.

318:64 Pharmacy Audit Recoupments.

I. Recoupments of any disputed funds shall occur only after final internal disposition of an audit, including the appeals process, unless fraud or misrepresentation is reasonably suspected or the discrepant amount exceeds \$10,000.

II. Recoupment on an audit shall be refunded to the responsible party as contractually agreed upon by the parties.

III. The entity conducting the audit may charge or assess the responsible party, directly or indirectly, based on amounts recouped if both of the following conditions are met:

(a) The responsible party and the entity conducting the audit have entered into a contract that explicitly states the percentage charge or assessment to the responsible party.

(b) A commission or other payment to an agent or employee of the entity conducting the audit is not based, directly or indirectly, on amounts recouped.

318:65 Audit Information and Reports. An audit report shall be delivered to the pharmacy within 75 days, unless otherwise agreed to, after the conclusion of the audit. A pharmacy shall be allowed at least 30 days, unless otherwise agreed to, following receipt of the audit report to appeal any discrepancy found in the audit. A final audit report shall be delivered to the pharmacy within 90 days, unless otherwise agreed to, after receipt of the appeal. A charge-back, recoupment, or other penalty may not be assessed until the appeal process has been exhausted and the final report issued except as specified in RSA 318:64. Except as provided by state or federal law or contract, audit information may not be shared. Auditors may have access only to previous audit reports on a particular pharmacy conducted by that same entity.

318:66 Applicability. This subdivision shall not apply to any audit, review, or investigation that is based on suspected or alleged fraud, willful misrepresentation, or abuse. Nothing in this subdivision shall apply to claims that were paid for in part or in whole by Medicare or Medicaid program funds.

2 Effective Date. This act shall take effect January 1, 2014.

The attorney general may investigate any dealer who has filed a registration form under paragraph V-a and has failed to file a report demonstrating how the contracts are secured pursuant to paragraph V-b. The attorney general may prosecute any person who makes a false statement on the report required under paragraph V-a for the crime of unsworn falsification under RSA 641:3 and a violation of the consumer protection act under RSA 358-A. Failure to file the report required under paragraph V-b shall constitute an unfair trade practice under RSA 358-A.

3 Effective Date. This act shall take effect 60 days after its passage.

Amendment to SB 138-FN

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court recognizes that long-term care facilities are an integral partner in the health and care of some of the state's most vulnerable citizens, and that the financial viability of long-term care facilities is crucial to the ongoing ability of the state to care for the elderly and disabled. The general court also recognizes that long-term care facilities are often significantly harmed by prohibited asset transfers which result in a Medicaid penalty being applied against a resident of a facility, or by the failure of persons with a fiduciary relationship to residents who are potential Medicaid applicants to act in a timely manner concerning the making of an application for Medicaid assistance. These harms affect not just facilities, their Medicaid residents, and their employees, but they also impact private payers in the facilities as well as county property taxpayers, who subsidize the costs of those who are receiving free care due to such acts or omissions. Therefore, the general court hereby establishes the provisions contained in this act regarding liability for care.

2 New Section; Liability for Costs of Care. Amend RSA 151-E by inserting after section 18 the following new section:

151-E:19 Support for Certain Residents of Nursing Homes and Assisted Living Facilities.

I. In this section:

(a) "Costs of care" means all costs of health care and lodging and all related costs, including transportation, medical, and personal care and any other costs, charges, and expenses incurred by the facility in rendering care to the individual.

(b) "Long term care facility" means a facility licensed by the department pursuant to He-P 803, 804, or 805.

(c) "Person" includes persons both natural and otherwise.

II. Persons who receive or who have received assets from an individual who is residing in, or who has resided in, a long-term care facility shall be strictly liable to the long-term care facility for all costs of patient

care up to the amount transferred to the person when that asset transfer has resulted in a determination of asset transfer disqualification by the department. The person shall be liable at the facility's Medicaid rate for services for the period of asset transfer disqualification.

III. Persons who have a fiduciary relationship with an individual who resides in a long-term care facility shall be strictly liable to the long-term care facility for all costs of patient care which are not covered by Medicaid due to any failure to promptly and fully complete and pursue an application for coverage for the individual under Medicaid. The person shall be liable at the facility's Medicaid rate for services for the period of liability. Any person who is an agent under a power of attorney over the individual or the individual's assets, or is a guardian of the individual, or controls or has authority over the individual's accounts, shall conclusively be deemed to be a fiduciary of the individual for purposes of this section.

IV. Any person who possesses or controls the income or assets of an individual covered under Medicaid or Medicare who is residing in, or who has resided in, a long-term care facility shall be strictly liable to the long-term care facility to the extent that any such person fails to pay the patient liability amount due under Medicaid or the co-pay amount due under Medicare.

V. No judgment obtained in any proceeding under this chapter shall be acted upon through execution, levy, or otherwise during the pendency of any actually completed and filed application for Medicaid or other support program or insurance policy coverage. Attachments and trustee process to secure any judgment or potential judgment shall be permitted subject to the discretion of the court to protect facilities from non-payment or from the failure of the individual receiving care or assistance, or that individual's agents, to cooperate in obtaining Medicaid, other support program, or insurance coverage.

VI. Nothing contained in this section shall prohibit or otherwise diminish any other causes of action possessed by any such long-term care facility. The death of the individual receiving assistance shall not nullify or otherwise affect the joint and several liability of the person or persons charged with the cost of care rendered or the patient liability amount or co-pays as referenced in this section. A long-term care facility which prevails in an action brought pursuant to this section also shall be entitled to its reasonable costs and attorney's fees.

3 New Section; Liability for Care. Amend RSA 507 by inserting after section 8-h the following new section:

507:8-i Actions Under RSA 151-E:19. Under the circumstances set forth in RSA 151-E:19, a long-term care facility is entitled to recover for the costs of care of a current or former resident of the facility. The defendant in any such action shall be strictly liable to the long-term care facility in the event that the factual elements of RSA 151-E:19 are established. Nothing contained in RSA 151-E or this section shall prohibit or otherwise diminish any other causes of action possessed by any such long-term care facility. A long-term care facility which prevails in an action brought pursuant to this section shall be entitled to its reasonable costs and attorney's fees.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill allows an assisted living facility or nursing home facility in certain circumstances to pursue recovery of costs of care rendered to a client from entities or certain other persons when an application for Medicaid is not timely made or when the client is not able to receive Medicaid assistance due to the transfer of the client's assets within the 5-year Medicaid look-back period.

If a person who is or has been employed or volunteered at a child care institution or child care agency is offered employment or volunteers at another child care institution or child care agency or a child day care agency, the person shall, before entering employment or volunteering with the new agency, undergo a New Hampshire state criminal records check through the department of safety and shall complete a sworn statement as set forth in paragraph III.

V. If any person whose name has been submitted for a check under this section has been convicted of a violent or sexually-related crime against a child, or of a crime which shows that the person might be reasonably expected to pose a threat to a child, such as a violent crime or a sexually-related crime against an adult, the department shall:

(a) If the person is the applicant or owner, revoke or deny the license.

(b) If the person is a board member, household member, or child care institution or child care agency personnel, or any other person having regular contact with the enrolled children:

(1) Inform the child care institution or child care agency that the person poses a threat to children and give the program an opportunity to take immediate corrective action to remove the person from the program, and, in conjunction with the department, to develop a corrective action plan, approved by the department, which shall ensure that the person will not be on the premises of the child care institution or child care agency and shall have no contact with children enrolled in the child care institution or child care agency; and/or

(2) Suspend, deny, or revoke the license or permit if the child care institution or child care agency refuses to take corrective action as indicated in subparagraph (b)(1), or subsequently fails to comply with the corrective action plan approved by the department.

VI. If any person whose name has been submitted for this check has been convicted of a felony offense or violent crime deemed directly or indirectly harmful to children in child residential care, crimes against minors or adults, except crimes as provided in paragraph V, or is the subject of a founded complaint of child abuse or neglect, the department may deny, revoke, or suspend a license, permit, or registration pending the development and implementation of a corrective action plan approved by the department. The department shall conduct an investigation in accordance with rules adopted under this subdivision to determine whether the person poses a present threat to the safety of children. The investigation shall include an opportunity for the person to present evidence on his or her behalf to show that the person does not pose a threat to the safety of children.

VII. At the time the licensee is next due to renew the license, the licensee shall submit a notarized criminal conviction record release authorization form and a set of fingerprints to the department of safety for any existing employee or household member who is 17 years of age or older and who has not undergone a national criminal background check as of the effective date of this section. Upon receiving the results of the state and national criminal records check, if the licensee learns that a current employee has been convicted of any felony, a sexual assault, any-other violent crime, assault including simple assault, abuse, neglect or any other crime that shows that they may pose a threat to well-being of children, such as a violent crime or a sexually-related crime against an adult, or has a founded allegation of abuse, neglect or exploitation against children, the licensee shall either terminate the employee or suspend the employee and promptly request a waiver from the department allowing the employee to resume working in the program. Upon receiving the results of the state and national criminal records check, if the licensee learns that a current household member has been convicted of any felony, a sexual assault, any other violent crime, assault including simple assault, abuse, neglect or any other crime that shows that the person may pose a threat to well-being of children, such as a violent crime or a sexually-related crime against an adult, or has a founded allegation of abuse, neglect or exploitation against children, the licensee shall take immediate corrective action to remove the person from the child care institution or child care agency, and, in conjunction with the department, develop a corrective action plan, approved by the department, which shall ensure that the person will not be on the premises of the child care institution or child care agency and shall have no contact with children residing in the child care institution or agency. If the licensee fails to take such corrective action, the department shall suspend the license until such time as the licensee does implement the corrective action, or it shall revoke the license.

VIII. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the confidentiality of information collected under this section and to the release, if any, of such information.

3 Effective Date. This act shall take effect 60 days after its passage.
