Legislators are invited to a catered lunch at St. Paul's Church, 21 Church Street, in Concord, from 12:00 p.m. to 1:00 p.m. to meet representatives from some of New Hampshire's most innovative companies. Come learn how translational research funding through the NHIRC helps companies innovate, stay, and grow in New Hampshire, and how the NHIRC is a proven job creator for NH with 15:1 leverage on dollars spent.

Business representatives will have a chance to describe their company, highlight the technology developed with NHIRC support, and describe the value added in terms of increased profits, revenue streams, and new jobs for our state on an 18x22" poster board. These will be displayed by region throughout the room as a focal point for engagement and dialogue about why the NHIRC is important and why state support, in addition to other sources of capital, is essential.
