Ought to Pass, Vote 5-0.

**HB 608**, relative to the sale of certain uninspected poultry and rabbits to licensed restaurants.

Ought to Pass, Vote 5-0.

Senator Reagan for the committee.

This bill allows for the sale of certain uninspected poultry and rabbits in licensed restaurants and defines “uninspected” to mean poultry or rabbits that are not individually marked as having passed inspection as prescribed by the United States Department of Agriculture or in accordance with RSA 427. All packaging containing uninspected poultry and rabbits shall be clearly labeled to include the name and address of the farm where the product originates and the date of slaughter. The Committee believes that this bill is a positive step in promoting the sale of local products in New Hampshire.

**HB 1128**, establishing a committee to study issues related to students receiving special education services while attending a chartered public school.

Ought to Pass with Amendment, Vote 5-0.

Senator Reagan for the committee.

Ought to Pass, Vote 5-0.

Senator Kelly for the committee.

This bill raises the maximum annual gross sales for homestead food operations exempt from licensure from \$10,000 to \$20,000. **HB 1141**, requiring chartered public schools to share enrollment information with school districts.  
Interim Study, Vote 5-0.  
Senator Sanborn for the committee.

This bill would require that a chartered public school share certain information about each child who enrolls with the child's resident district. **HB 1238**, relative to access to assessment materials.  
Ought to Pass, Vote 5-0.  
Senator Kelly for the committee.

## **JUDICIARY**

Ought to Pass, Vote 5-0.  
Senator Lasky for the committee.

This bill corrects a technical error in the CHINS statute that was amended last year and was inadvertently left out. It also removes the need to prove that a sexual abuse act was harmful in the Child Protection Act. Sexual abuse is in and of itself a harm and this bill acknowledges that.

## **TRANSPORTATION**

**HB 1317**, relative to driver education.  
Ought to Pass, Vote 5-0.  
Senator Watters for the committee.

This bill was requested by the Department of Safety. It clarifies the requirements for driver education regarding insurance and hour thresholds and also deletes obsolete references to the department of education. This bill has the support of the driver education community and is simply a housekeeping bill.

**HB 1329**, prohibiting the use of facial recognition technology in connection with driver's license photographs.  
Ought to Pass, Vote 5-0.  
Senator Boutin for the committee.

This bill prohibits the use of facial recognition technology in connection with driver's license photographs. ### **Amendment to HB 1624-FN**

Amend the bill by replacing section 22 with the following:

22 Release and Discharge from Youth Development Center. RSA 621:19, I-a is repealed and reenacted to read as follows:

I-a. The board shall release, pursuant to paragraph I, any child committed to its care for a delinquency adjudication based on an offense other than a violent crime as defined in RSA 169-B:35-a no later than 6 months from the date of the child's commitment pursuant to RSA 169-B:19, I(j), unless the board determines that continued commitment is necessary in order to protect the safety of the child or the community, and in such case declines to release the child. If the board declines to release a child pursuant to this paragraph, it shall provide written notice to the child of his or her right to seek review of the board's decision, of his or her right to the assistance of counsel during the review process, and of the procedure the child may follow to initiate such a review. Parole review and release under this paragraph are not required during the period that a child is the subject of a delinquency petition which is awaiting adjudication or disposition.

I-b. Any child denied parole under this section may petition the court that committed the child to order the child released on parole. Upon receipt of the petition, the court shall schedule the matter for hearing within 15 business days. At a hearing on the petition, the child shall be entitled to the assistance of counsel. At a hearing on the petition, the court shall consider the findings of the juvenile parole board, the offense and placement history of the child, and the need for continued commitment in order to protect the safety of the child or the community. Unless the court, after a hearing, finds by clear and convincing evidence that continued commitment is necessary in order to protect the safety of the child or the community, the court shall order that the child be released by the board on parole and take such further action the court may deem appropriate.

I-c. The right to counsel provided for in this section shall not be waived except following consultation between the child and a parent or counsel. Consultation between a child and parent is not sufficient to support waiver under this section if the parent was a victim or complainant in the underlying proceeding or has been a witness or provided information in support of the basis for revocation in a parole revocation proceeding involving the child. Children known to the department of health and human services or the court to have an emotional disorder, intellectual disability, or any other condition which may be expected to interfere with the child's ability to understand the proceedings, make decisions, or otherwise handle the proceedings without the assistance of counsel shall not waive the right to counsel guaranteed by this section.

Amend the bill by replacing section 28 with the following:

28 Effective Date.

I. Sections 22 and 27 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect July 1, 2015.
