CONSENT CALENDAR REPORTS

COMMERCE

SB 50, relative to the content of a mortgage foreclosure notice.
Ought to Pass with Amendment, Vote 5-0.
Senator Pierce for the committee.

This bill, as amended by the committee, requires a mortgage foreclosure notice to include contact information for the mortgagee and a toll free number at the banking department that will inform callers on where they can get help with foreclosure issues. The bill is a request of the commission to study New Hampshire mortgage foreclosure law, new federal regulations, and fair foreclosure practices.

SB 115-FN, relative to the resale of condominium and subdivision time shares.
Ought to Pass with Amendment, Vote 5-0.
Senator Soucy for the committee.

This bill, as amended by the committee regulates the resale of condominium and subdivision time shares and will increase consumer protections against fraud. The amendment clarifies that violating this chapter will constitute a violation of the consumer protection act, and that, in addition to the penalties set forth under the consumer protection act, any violation of this will be subject to a civil penalty of not more than \$15,000 for each violation.

SB 122-FN, relative to requirements for on-premises liquor licenses.
Inexpedient to Legislate, Vote 5-0.
Senator Cataldo for the committee.

This bill would have modified the definition of full service restaurant applicable to certain on-premises liquor licenses to include an outdoor seating area that would have restricted access. This bill would eliminate the degree of separation between a full liquor license and a beer and wine only liquor license and would create liquor commission enforcement concerns.

SB 128-FN, relative to pharmacy benefit managers paying claims.

Re-refer to committee, Vote 5-0.

Senator Cataldo for the committee.

This bill would limit higher copays in certain instances for drugs covered by insurance plans and prohibit Pharmacy Benefit Managers from requiring participating pharmacies to share copay revenue. Stakeholders agree that some of the current language in this bill is problematic and the committee would like time to work towards a consensus.

SB 211-FN, relative to taxation of employee leasing companies under the business enterprise tax.

Ought to Pass with Amendment, Vote 5-0.

Senator Bradley for the committee.

This bill allows an employee leasing company and a client company to elect to make the client company solely responsible for paying Business Enterprise Taxes concerning its leased employees and be eligible for credits against such taxes. As amended by the committee, the client company may elect to authorize the employee leasing company to act as an agent for the client company for purposes of collecting and paying the tax, provided the client company files the appropriate forms.

EDUCATION

EXECUTIVE DEPARTMENTS AND ADMINISTRATION

SB 168, relative to the duties of the commissioner of the department of environmental services.

Ought to Pass with Amendment, Vote 5-0.

Senator Reagan for the committee.

SB 237-FN, establishing a reporting requirement for gubernatorial inauguration contributions.

Re-refer to committee, Vote 5-0.

Senator Woodburn for the committee.

JUDICIARY

CACR 6, Relating to county attorneys. Providing that county attorneys shall be appointed.

Inexpedient to Legislate, Vote 5-0.

Senator Lasky for the committee.

While we appreciate the underlying reasons for bringing this CACR forward, the committee feels that there are still many unanswered questions relative to the continued election or switching to the policy of appointment of the county attorney position and therefore the matter is not ready to go forward.

SB 12, relative to jurisdiction over surrogacy cases under RSA 168-B.

Ought to Pass with Amendment, Vote 5-0.

Senator Pierce for the committee.

This bill makes a small technical correction to the surrogacy statute that was revised during the last Session. The amendment clarifies court jurisdiction

SB 53, repealing the interagency coordinating council for women offenders and expanding the membership and duties of the interbranch criminal and juvenile justice council.

Ought to Pass with Amendment, Vote 5-0.

Senator Lasky for the committee.

This bill repeals the Interagency Coordinating Council for Women Offenders and provides jurisdiction to the Interbranch Criminal and Juvenile Justice Council to deal with any issues. The amendment provides for the appointment of the Warden of the Women's Prison to the Council.

SB 102, relative to the determination of underemployment in child support cases.

Inexpedient to Legislate, Vote 5-0.

Senator Cataldo for the committee.

The bill deals with child support and individuals who may elect to be "underemployed." The courts are already dealing with this issue, thus the legislation is unneeded.

SB 193-FN-LOCAL, relative to the duties of the attorney general and county attorneys.

Re-refer to committee, Vote 5-0.

Senator Carson for the committee.

This legislation would make changes to the power of the Attorney General over our elected county attorneys. The committee wishes to have more time to review what should be the proper balance of power when problems with elected county attorneys arise.

SB 197-FN, relative to mandatory minimum sentences.

Re-refer to committee, Vote 5-0.

Senator Carson for the committee.

This bill proposes to make major sentencing changes to numerous sections of our statutes including murder and driving while intoxicated laws. Because of the broad changes sought, the committee asks that it be re-referred for further deliberation.

SB 209-FN, adopting the Uniform Adult Guardianship and Protective Proceedings Jurisdiction Act.

Ought to Pass with Amendment, Vote 5-0.

Senator Lasky for the committee.

This bill adopts the Uniform Adult Guardianship and Protective Proceedings Jurisdiction Act and will enable our families and courts to better protect and serve individuals with Guardianships, especially those from other states. The amendment makes changes agreed upon by all of the parties involved in this work.

TRANSPORTATION

SB 171, establishing a committee to study issues concerning handicap parking.

Ought to Pass with Amendment, Vote 5-0.

Senator Feltes for the committee.

This bill establishes a committee to study issues concerning handicap parking. The committee amended the bill to replace "handicap" with the phrase "persons with walking disabilities" throughout, including in the title. New Hampshire has a growing senior population, and many of whom have walking disabilities. This legislation will enable a committee to study the adequacy of the supply and location of walking-disabled parking spots, the supply of placards issued, and also examines the rules and laws governing the above for possible update.
