CONSENT CALENDAR REPORTS

EDUCATION

HB 346, relative to criminal history records checks for school employees and volunteers.
Ought to Pass, Vote 5-0.
Senator Watters for the committee.

This bill makes changes to the law on school employee and volunteer criminal history records checks by including all crimes, rather than only felonies, in reports. The committee believes this bill adequately balances the privacy concerns of prospective teachers with the safety concerns of school administration personnel and parents.

HB 347, relative to payment of wages of certain hourly school district employees.
Ought to Pass with Amendment, Vote 5-0.
Senator Watters for the committee.

This bill permits the commissioner of labor to permit a school district to pay certain hourly employees less frequently than weekly. It enables an employee to even out income, and it includes an opt out provision. The amendment makes a minor change to the bill based on testimony from the Department of Labor.

ENERGY AND NATURAL RESOURCES

HB 212, relative to revocation of fish and game licenses of persons convicted of sexual assault while hunting, trapping, or fishing.
Ought to Pass with Amendment, Vote 5-0.
Senator Sanborn for the committee.

As amended by the committee, this bill requires that the period of revocation or suspension for any felony conviction will be no less than 10 years, while the period of revocation or suspension for any misdemeanor conviction will be no less than 5 years. Further, for any second or subsequent misdemeanor conviction, the conviction will not be less than 10 years and not more than life. The committee believes that this bill helps to ensure that our state's residents can be safe while enjoying these recreational activities that New Hampshire offers.

HEALTH AND HUMAN SERVICES

HB 498, relative to notification of radon and arsenic testing.

Ought to Pass, Vote 5-0.

Senator Avard for the committee.

This bill revises the radon notice required prior to the sale of real property and establishes a similar notice requirement regarding arsenic. This bill does not require that the testing be conducted, but requires an individual to indicate whether or not it has been done. The committee believes that this bill is important in order to notify future property owners of the state of such testing.

JUDICIARY

HB 198, relative to retention requirements for certain motor vehicle records.

Ought to Pass, Vote 5-0.

Senator Pierce for the committee.

This bill closes a loophole in DWI statutes and clarifies that records of DWI convictions, including the photograph of the DWI offender, will be kept for ten years by the Department of Safety. This gives prosecutors the tools they need to prosecute a second DWI conviction, which carries enhanced penalties if committed within ten years of the first DWI offense.

HB 255-FN, relative to petitioning for annulment of a class B misdemeanor offense.

Ought to Pass, Vote 5-0.

Senator Pierce for the committee.

This bill reduces the waiting period for petitioning for annulment of a Class B misdemeanor offense from 3 years to 2 years. Convictions for domestic violence annulment remain at 3 years.

Ought to Pass, Vote 5-0.

2015-1496s

06/01

Amendment to HB 102

Amend the title of the bill by replacing it with the following:

AN ACT relative to consideration of warrant articles and relative to accessory dwelling units.

Amend the bill by replacing all after section 1 with the following:

2 Findings. The general court declares that:

I. There is a growing need for more diverse affordable housing opportunities for the citizens of New Hampshire.

II. Demographic trends are producing more households where adult children wish to give care and support to parents in a semi-independent living arrangement.

III. Elderly and disabled citizens are in need of independent living space for caregivers.

IV. There are many important societal benefits associated with the creation of accessory dwelling units, including:

(a) Increasing the supply of affordable housing without the need for more infrastructure or further land development.

(b) Benefits for aging homeowners, single parents, recent college graduates who are saddled with significant student loan debt, caregivers, and disabled persons.

(c) Integrating affordable housing into the community with minimal negative impact.

(d) Providing elderly citizens with the opportunity to live in a supportive family environment with both independence and dignity.

3 New Subdivision; Accessory Dwelling Units. Amend RSA 674 by inserting after section 66 the following new subdivision:

Accessory Dwelling Units

674:67 Definition. As used in this subdivision, “accessory dwelling unit” means a residential living unit that is within or attached to a single-family dwelling, and that provides independent living facilities for one or more persons, including provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies.

674:68 Accessory Dwelling Units.

I. A municipality that adopts a zoning ordinance pursuant to the authority granted in this chapter shall allow accessory dwelling units, either as a matter of right or by special exception, in all zoning districts that permit single-family dwellings. One accessory dwelling unit shall be allowed without additional requirements for lot size, frontage, space limitations, or other controls beyond what would be required for a single-family dwelling without an accessory dwelling unit. The municipality is not required to allow more than one accessory dwelling unit for any single-family dwelling.

II. A municipality is not required to but may permit detached accessory dwelling units. If a municipality allows detached accessory dwelling units, it may require an increased lot size. The remaining requirements of this subdivision shall apply to detached accessory dwelling units.

III. If a zoning ordinance contains no provisions pertaining to accessory dwelling units, then one accessory dwelling unit shall be deemed a permitted accessory use to any single-family dwelling in the municipality, and no municipal permits or conditions shall be required other than a building permit, if necessary.

IV. The applicant for a permit to construct an accessory dwelling unit shall make adequate provisions for water supply and sewage disposal for the accessory dwelling unit, but separate systems shall not be required for the principal and accessory dwelling units.

V. A municipality may require owner occupancy of one of the dwelling units, but it shall not specify which unit the owner must occupy.

VI. A municipality may establish standards for accessory dwelling units for the purpose of maintaining the aesthetic continuity with the principal dwelling unit as a single-family dwelling. A municipality may also establish minimum and maximum sizes for an accessory dwelling unit, provided that size may not be restricted to less than 750 square feet.

VII. A municipality may not require a familial relationship between the occupants of the accessory dwelling unit and the occupants of the principal dwelling unit.

VIII. A municipality may not limit the number of bedrooms in an accessory dwelling unit to fewer than 2, and any interior doors between an accessory dwelling unit and a principal dwelling unit shall not be required to be unlocked.

IX. Every accessory dwelling unit shall be deemed a unit of workforce housing for purposes of satisfying the municipality's obligation under RSA 674:59.

4 Innovative Land Use Controls. Amend RSA 674:21, I(1)-(o) to read as follows:

(1) ~~[Accessory dwelling unit standards:~~

~~(m)]~~ Impact fees.

~~[(n)]~~ (m) Village plan alternative subdivision.

~~[(o)]~~ (n) Integrated land development permit option.

5 Innovative Land Use Controls; Accessory Dwelling Units. Amend RSA 674:21, IV to read as follows:

IV. As used in this section[;],

~~[(a)]~~ "inclusionary zoning" means land use control regulations which provide a voluntary incentive or benefit to a property owner in order to induce the property owner to produce housing units which are affordable to persons or families of low and moderate income. Inclusionary zoning includes, but is not limited to, density bonuses, growth control exemptions, and a streamlined application process.

~~[(b)]~~ "Accessory dwelling unit" means a second dwelling unit, attached or detached, which is permitted by a land use control regulation to be located on the same lot, plat, site, or other division of land as the permitted principal dwelling unit.]

6 Effective Date.

I. Sections 2 through 5 of this act shall take effect June 1, 2016.

II. The remainder of this act shall take effect 60 days after its passage.

(e) Each local exchange telephone company, VoIP service provider, or entity which provides commercial mobile radio service, ***including prepaid commercial mobile radio service except as otherwise provided in subparagraph I-a(i)***, shall remit the surcharge amounts on a monthly basis, as prescribed by the commissioner, to the enhanced 911 services bureau, which shall be forwarded to the state treasurer for deposit in the enhanced 911 system fund. The state treasurer shall pay expenses incurred in the administration of the enhanced 911 system and the statewide emergency notification system from such fund. Such fund shall not lapse. The moneys in the account shall not be used for any purpose other than the development and operation of enhanced 911 services and the statewide emergency notification system, in accordance with the terms of this chapter. Surcharge amounts shall be reviewed after the budget has been approved or modified, and if appropriate, new tariffs or rate schedules shall be filed with the public utilities commission reflecting the surcharge amount.

(f) The prepaid commercial mobile radio service E911 surcharge shall not be subject to any other state or local tax.

(g) If a minimal amount of prepaid commercial mobile radio service is sold with a prepaid mobile device for a single, non-itemized price, then the seller may elect not to apply the surcharge to such transaction. For purposes of this subparagraph, an amount of service denominated as 10 minutes or less, or 5 dollars or less, is minimal.

(h) A seller may deduct and retain 3 percent of the prepaid commercial mobile radio service E911 charges that are collected by the seller from consumers.

(i) A seller having less than 150 retail transactions in a calendar quarter and who has not collected the surcharge on such transactions shall not be required to remit the surcharge on those transactions, provided that the seller:

(2) Submits with such certification copies of invoices, receipts, or other similar documentation establishing the number of retail transactions in such quarter.

(j) Whenever lawful, providers and sellers of prepaid commercial mobile radio service shall put forth reasonable good faith efforts to cooperate with and provide timely and reasonable assistance to the division, its E911 telecommunications supervisors and investigative or law enforcement officers of this state, or any town, city, or county in this state, in connection with locating the source of any emergency E911 call or lawful investigation or activity by such telecommunications supervisor or law enforcement officer. In such instances, providers and sellers of prepaid commercial mobile radio service shall not be liable for damages to any person resulting from or incurred in connection with the provision of such lawful assistance.
