The Legislative Ethics Committee has voted to issue the following interpretive ruling, which is printed below in its entirety.

#### **INTERPRETIVE RULING 2017-2 (September 6, 2017)**

The Committee has received an inquiry regarding whether legislative employees are required to report reimbursement received from the General Court to cover expenses related to completing continuing education courses related to their position with the legislature. Examples of such continuing education courses include programs related to maintaining a registered nurse license for a position as State House Nurse and continuing legal education courses (CLE's) required to maintain active member status in the NH Bar for an employee who is an attorney with the legislature. The Committee adopts the following Interpretive Ruling pursuant to RSA 14-B:3, I (b).

#### **Relevant Provision of Applicable Ethics Guidelines**

**Ethics Guidelines**, Section 8, III Permitted Activities. The activities listed in this paragraph are permitted.

\*\*\*\*\*

(c) Acceptance of expense reimbursement for the reasonable expenses for attendance, registration, travel, meals, and lodging related to a bona fide conference, meeting, seminar, or educational, cultural, or infor-

mational program related to the legislative employee's or officer's employment so long as disclosure of any such reimbursement is made no later than the last day of the month following the month during which the expense reimbursement was received. This disclosure shall be filed in the Office of the Secretary of State and shall be in a form prescribed in RSA 14-C. (Emphasis added)

The Committee Responds as follows:

A legislative employee who receives reimbursement from the General Court for expenses related to completion of continuing education programs which are related to the employee's position with the legislature must report receipt of the reimbursement on the "Honorarium or Expense Reimbursement Report," as prescribed by RSA 14-C:4.

#### LEGISLATIVE ETHICS COMMITTEE

As a result of recent changes to RSA 14-C -- the ethics law which establishes requirements for legislators, legislative officers, and staff to report acceptance of honorariums, expense reimbursements, and free admission to certain events -- legislators, legislative officers, and staff are now required to report attendance at conferences if they received anything with a value over \$50 in connection with their attendance that was prepaid, free, or reimbursed from any source, including the General Court, NCSL, or CSG, which were formerly exempt.

If you have received stipends or are being reimbursed from the state or organizations like NCSL or CSG for registration, hotel, travel, etc., please be aware that you are required to file the "Honorarium or Expense Reimbursement" form. The deadline for this filing is the end of the month following the month during which the honorarium or expense reimbursement was received. A conference agenda must also be attached. Forms can be picked up at the Secretary of State's Office or may be downloaded from the Legislative Ethics Committee's website at: <http://gencourt.state.nh.us/ethics/default.htm>
