## VETO MESSAGES

June 19, 2018

### Governor's Veto Message Regarding Senate Bill 365 and Senate Bill 446

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 19th, 2018, I have vetoed Senate Bill 365, relative to the use of renewable generation to provide fuel diversity and Senate Bill 446, relative to net energy metering limits for customer-generators.

Senate Bills 365 and 446 combined would cost New Hampshire electric ratepayers approximately \$100 million over the next three years. New Hampshire has some of the highest electric rates in the country, placing financial strain on the elderly, those on fixed incomes and the business community. These bills send our state in exactly the wrong direction. We need to be taking steps to lower electric rates, not passing legislation that would cause massive increases.

Senate Bill 365 creates another immense subsidy for New Hampshire's six independent biomass plants. It would cost New Hampshire ratepayers approximately \$25 million a year over the next 3 years, on top of the subsidy for these plants that already became law last year through Senate Bill 129. Furthermore, Senate Bill 365 doesn't even guarantee solvency of these facilities and in fact, those who supply the wood product have confirmed that the maximum impact to their revenue would be a mere 3.5%. It harms our most vulnerable ratepayers and our job creators for the benefit of a select few.

While I agree that expanding net metering could be a benefit to our state, Senate Bill 446 would cost ratepayers at least \$5 to 10 million annually and is a handout to large scale energy developers. These immense projects should use incentives already available and compete on their own merits. The businesses and working families of our state should not have to provide additional unjust taxation through higher electric bills. We should take the time necessary to study the effects of the recent Public Utilities Commission order on net metering before massively increasing the scale of projects that rely on ratepayer subsidies.

Consistent with our state's 10 Year Energy Strategy, I am committed to working to encourage and advance renewable energy generation and fuel diversity without unjustly burdening the ratepayers of New Hampshire.

For the reasons stated above, I have vetoed Senate Bill 365 and Senate Bill 466.

Respectfully submitted,

---

### Governor's Veto Message Regarding Senate Bill 593

By the authority vested in me, pursuant to part II, Article 44 of the New Hampshire Constitution, on June 21st, 2018, I have vetoed Senate Bill 593, relative to the penalty for capital murder.

Senate Bill 593 would abolish the death penalty in New Hampshire. While I respect the arguments made by proponents of Senate Bill 593, I stand with crime victims, members of the law enforcement community, and advocates for justice in opposing this bill. New Hampshire does not take the death penalty lightly, and we use it only sparingly. No one has been executed in New Hampshire since 1939, and we currently have only one person on death row.

In the most heinous cases where the death penalty may be imposed, New Hampshire is second to none when it comes to protecting defendants' rights and ensuring a fair process. While opponents of the death penalty cite cases from other states where individuals were either wrongfully convicted or did not receive an

adequate defense, such cases have not occurred in this State. Our public defender program is among the best in the country. In addition, a defendant cannot receive the death penalty unless a jury of twelve citizens, in a separate sentencing phase, unanimously votes to recommend a sentence of death. I have confidence in the judgement of our citizens and in our criminal justice system, and believe that New Hampshire can continue to apply the death penalty in a sparing, fair and just manner.

During the past thirty years, governors of both parties have either opposed the repeal of the death penalty or expanded its scope. In 2000, Governor Jeanne Shaheen vetoed a death penalty repeal bill, stating “I believe that there are some murders that are so brutal and heinous that the death penalty is the only appropriate penalty.” In 2011, Governor John Lynch signed a bill expanding the application of the death penalty to home invasions. This expansion came in the wake of one of the most heinous crimes ever committed in our State, the Cates murder. This crime was a home invasion that resulted in the murder of a mother and the severe injury of her daughter. Kimberly Cates was stabbed 32 times and her twelve year old daughter was stabbed 18 times. David Cates, Kimberly’s husband, testified in favor of expanding the death penalty in 2011. To repeal the death penalty in its entirety today would deprive the Cates’ and other crime victims of the justice they deserve.

Abolishing the death penalty in New Hampshire would send the wrong message to those who commit the most heinous offenses within our State’s borders, namely that New Hampshire is a place where a person who commits an unthinkable crime is guaranteed leniency. New Hampshire is not and will never be a safe haven for those who would murder a police officer, cause a death during the commission of an aggravated sexual assault or home invasion, or commit any other capital offense. If a person chooses to commit such an unspeakable act in our State, that person should know that a jury of their peers may elect to impose the ultimate justice.

The arguments made by the proponents of this bill must give way to our obligation to support our law enforcement community, deliver justice for crime victims, and protect New Hampshire’s citizens by preserving the death penalty as the ultimate legal deterrent to the commission of heinous crimes.

For the reasons stated above, I have vetoed Senate Bill 593.

Respectfully submitted,

---

## NOTICES

### LEGISLATIVE ETHICS COMMITTEE

The Legislative Ethics Committee has voted to issue the following advisory opinion, which is printed below in its entirety.

#### Advisory Opinion 2018-1

#### Response to a Request for an Advisory Opinion from Representative Gregory Hill (August 15, 2018)

Representative Gregory Hill has submitted a request for an Advisory Opinion about whether, consistent with applicable statutes and the Ethics Guidelines, it would be permissible for him to accept employment with the Children's Scholarship Fund (CSF), a scholarship organization, "to fundraise in the business community and create an income by doing so." He described his role with CSF as one involving "travel throughout NH explaining the benefits to individuals and businesses of donating to the NH Education Tax Credit Scholarship Program." He stated that his compensation would come from the CSF "as a percentage of their administrative fee as outlined in the legislation."

Representative Hill, as he stated in his request, was one of the sponsors of the legislation that created the New Hampshire Education Tax Credit Scholarship Program (which allowed the subsequent formation of scholarship organizations such as the Children's Scholarship Fund) and subsequent legislation that affected the program.<sup>1</sup>

The Committee responds as follows:

Representative Hill may accept employment with the CSF under the gift exception for wages in RSA 14-C, IV (b) (7) but he would violate the Ethics Guidelines if he engages in any of the activities listed in Guidelines Section 3, II (c), (d), and (f) on behalf of his employer. He should list his employment on the financial disclosure form or checklist and he should file a conflict of interest declaration of intent and not participate in any way in any official activities affecting his employer.

#### Relevant Provisions of Ethics Guidelines and Law

##### **Ethics Guidelines**

Ethics Guidelines Section 3 -- Prohibited Activities \*\*\*\*\*

II. Legislators shall not solicit, accept, or agree to accept anything of value from another for themselves or other persons, if the legislator receives such thing of value:

- (a) Knowing or believing the other's purpose to be the influencing of an action, decision, opinion, recommendation, or other official activity.
- (b) Knowing or believing that the giver is or is likely to become subject to or interested in any matter or action pending before or contemplated by the legislator or the General Court.
- (c) In return for advice or other assistance relating to a legislator's official activities.
- (d) In return for introducing legislation, testifying before any legislative committee or state agency, voting in committee or in House or Senate session, or otherwise participating in, influencing, or attempting to influence any decision of the legislature, county delegation, or any state agency. \*\*\*\*\*
- (f) In return for having given a decision, opinion, recommendation, nomination, vote, or other official activity.

\*\*\*\*\*

III. Legislators shall not: \*\*\*\*\*

- (e) Use their public position or office to obtain anything of value for the private benefit of the legislator, a member of the legislator's immediate family, or a household member.

Ethics Guidelines Section 2 – Definitions.

I. "Anything of Value" includes but is not limited to:

\*\*\*\*\*

- (l) A promise of employment or continued employment; \*\*\*\*\*

##### **RSA 14-C**

RSA 14-C:2, IV(a) "Gift" means:

- (1) Money in any amount, whether in the form of cash, check, or any other negotiable or non-negotiable instrumentality for the transfer of money.\*\*\*\*\*

RSA 14-Cp9:2, IV(b) Notwithstanding subparagraph (a), "gift" shall not include:\*\*\*\*\*

- (7) Wages, salary, benefits, mileage, or payment for expenses received by the person in his or her regular course of employment or business which is unrelated to the legislative position held.

RSA 14-C:3 Prohibition on Gifts; Duty to Report. –

\*\*\*\*\*

III. It shall be unlawful for any legislator or legislative employee to solicit or to knowingly accept, directly or indirectly, any gift, as defined in this chapter, or to fail to meet the reporting requirements of this chapter.

---

<sup>1</sup> Representative Hill was a cosponsor of 2012 SB 372-FN-LOCAL, "An Act establishing an education tax credit," which was enacted as Chapter 287 of the 2012 NH Laws, a cosponsor of 2012 HB 1607-FN-LOCAL, "An Act establishing an education tax credit," and 2017 HB 386-FN, "An Act relative to technical corrections to the education tax credit statute," which was enacted as Chapter 63 of the 2017 NH Laws, and was the prime sponsor of 2018 HB 1686-FN, "AN Act relative to applications for and the use of education tax credits," which was enacted as Chapter 341 of the 2018 NH Laws.

IV. Under no circumstances shall the prohibitions in this section be nullified by filing an honorarium or expense reimbursement report pursuant to RSA 14-C:4 or a declaration of intent under the guidelines enforced by the legislative ethics committee.

#### Committee Analysis

The issues here are: 1) whether Representative Hill is being offered the job in exchange for sponsoring legislation relating to CSF; 2) would the compensation he would receive from CSF be wages received in his regular course of employment which is unrelated to his legislative position, thus qualifying under the gift exception for wages in RSA 14-C, IV (b) (7); and 3) whether his employment by CSF would bar him from participating in any official activities affecting CSF.

Based on the information before it, the Committee cannot conclude by clear and convincing evidence that Representative Hill knew or believed that CSF's purpose in wanting to hire him was in exchange for his sponsorship of legislation relating to CSF. He states, "I've filed and passed several changes to the program over the past 2 sessions as well as voted and testified in favor. None of these actions were done with the intention of one day becoming a fundraising entity of course."

The Committee also cannot conclude by clear and convincing evidence that Representative Hill's prospective compensation from CSF is related to his position as a member of the House, thus it would qualify for exemption from the definition of gift under RSA 14-C:2, IV(b)(7).

However, as a compensated employee of CSF, Representative Hill's participation in any official activity that would directly affect the interests of CSF would place him in a position in which he could stand in violation of Prohibited Activities II(c), (d), and (f).

#### Conclusion

Based on the information provided by Representative Hill about his prospective employment with the Children's Scholarship Fund, the Committee advises that his acceptance of employment with the organization would not constitute a violation of the prohibition on the acceptance of gifts set forth in RSA 14-C:3.

The Committee also advises that if Representative Hill were employed with the Children's Scholarship Fund while serving in the House, his participation in certain official activities would constitute violation of the Ethics Guidelines' Prohibited Activities Paragraph II, Subparagraphs (c), (d), and (f). Specifically, the Committee advises that if he were to provide advice or other assistance to CSF which related to his official activities, or if he were to introduce legislation, testify before any legislative committee or state agency, vote in committee or in House session, or otherwise participate in, influence, or attempt to influence any decision of the legislature, county delegation, or any state agency on matters directly related to the interests of CSF, or if he were to give a decision, opinion, recommendation, nomination, vote, or participate in any other official activity directly related to the interests of CSF, his activities would violate the Ethics Guidelines' Prohibited Activities Paragraph II, Subparagraphs (c), (d), and (f). Disclosure of his conflict of interest in relation to his employment with CSF would not excuse or absolve his violation of these prohibitions.

The Committee would note the distinction between being directly compensated to advocate for an organization as in Representative Hill's case, and merely being a member or employee of an organization or profession affected by legislation.

We appreciate the opportunity to be of assistance.
