The New Hampshire Alliance for Healthy Aging (NH AHA) cordially invites all legislators to our Legislative Breakfast on Tuesday, April 2nd from 7:30 a.m. – 9:00 a.m. in the State House Cafeteria. NH AHA is a coalition of 265 stakeholders, representing over 170 organizations, united in advocating for older adults and their families. We are focused on improving the services and policies that affect all of us as we age. By 2030, 1/3 of New Hampshire's population will be over the age of 60. That represents a large change in the Granite State's demographics and presents numerous challenges and opportunities for New Hampshire in the coming years. Come and enjoy a full hot breakfast and have the opportunity to not only hear from service professionals and healthy-aging advocates from across the state, but also participate in the unveiling of the New Hampshire Healthy Aging Data Report produced by The University of Massachusetts-Boston. This web-based and easy-to-use report, complete with interactive maps and community profiles, details individual and community health indicators all the way down to the town-level. Come sit down with one of our advocates and take a look at the unique characteristics of the communities you represent.
