# SENATE JOURNAL 6

*February 16, 2011*

The Senate reconvened at 1 p.m., a quorum being present.

The Reverend Canon Charles LaFond, chaplain to the Senate, offered the following meditation and prayer.

The email signature on my email at work that has my basic contact information also has two quotes, and I use it kind of like bumper stickers on the back of your car; I've never had a bumper sticker because I've been told that that's your thing; that's what you want the world to know, and I've never found one that said that. But, these email signatures do. And, they are from two great leaders: one is from Jesus Christ, of whom I'm a great fan, and one is of Ghandi, of whom I'm also a great fan. And, I've been told that by keeping these email signatures on my email, I might not ever be elected Bishop, which is just an added benefit.

Jesus says, "Love one another." Ghandi says, "I like your Christ. I do not like your Christians; they are not very much like your Christ." Our goal in life, in our spiritual walk, in our work, whatever it happens to be, is to identify who we follow, and then to do so with enormous integrity. Let us pray.

*Creator of the Universe and Lover of our Souls, so inspire us to integrity that our actions and our speech, our heroes and our work, the love and kindness you implant in us work together as one thing. Amen.*

Sen. Groen led the Pledge of Allegiance.
