# SENATE JOURNAL 1

*January 6, 2016*

The Senate reconvened at 10:00 a.m. a quorum being present.

The Reverend Jon Hopkins, chaplain to the Senate, offered the prayer.

Senator Reagan gave a memorialization to honor the memory of Laura Arsenault by commemorating her valuable contribution to the legislative process in the Office of Legislative Services for her 28 years of service, and to her fine children, Peter Arsenault and Alexis Arsenault. A moment of silence was held in Laura's honor.

Senator Fuller Clark led the Pledge of Allegiance.

#### INTRODUCTION OF GUESTS

PRESIDENT MORSE: I want to thank Senator Avard and Senator Feltes for their efforts, and to recognize these gentlemen. And, once again, thank you all for participating in this.

When you make the decision with your family to run for the State Senate, as you all know, it's not an easy decision. You need to consider a lot of things—you think about the obvious, how you could provide dedicated service to the State of New Hampshire and represent a community you care deeply about. You also think about the time commitment and all of the other risks involved in serving in public office. You learn a lot by serving in the Senate and are lessons that you never see coming.

Senator D'Allesandro always tells us, life is about relationships. He's right. While it's true I never come close when estimating how much time we all devote to the Senate—especially this year—I've been pleasantly surprised to find within all the time spent serving our state, I've developed a number of lasting relationships which I'm very grateful for.

As Senate President, and previously Chair of Senate Finance, it is normal to work closely with commissioners. And Since Health and Human Services is the State's largest department, I've had the distinct pleasure of working very closely with Commissioner Nick Toumpas. We've had lots and lots of meetings and conversations, sometimes even on a daily basis—whether or not Commissioner Toumpas wanted to.

As a volunteer legislator, you rely on accurate and complete information in order to make sound decisions on behalf of your constituents and the State of New Hampshire. Nick's counsel was invaluable to me in this regard. Aside from the heavy task of managing this department, he always made himself available to help with a complex constituent issue and was always willing to give his time for someone in need.

Today, it is with mixed emotions that I congratulate Nick Toumpas on his retirement and on a job well done. While I have enjoyed working with Nick as a Commissioner, it has also been a greater honor to call him a friend. Among all of the difficult subjects we've dealt with, I've always valued how we could share stories of our daughters and families along the way, two things which are very important to us. It's been a pleasure working with you, Nick, and I want to wish you the very best.

And on behalf of the New Hampshire Senate, I'd like to read a resolution honoring Commissioner Nick Toumpas.

The State of New Hampshire, State Senate, a resolution honoring Nick Toumpas for his service and dedication to the State of New Hampshire as Commissioner of the New Hampshire Department of Health and Human Services

WHEREAS, Commissioner Toumpas effectively and successfully led the state's largest agency, the Department of Health and Human Services, through a number of difficult transitions and challenges since 2007; and

WHEREAS, he previously worked as Deputy Commissioner of the Division of Public Health Services, and as an information technology and telecommunications professional, his experience provided him the foundation to assume the demanding role of DHHS Commissioner ; and

WHEREAS, his ability to engage his staff of 2,900 employees in achieving greater efficiencies within the department while also developing partnerships throughout other state agencies provided key resources for New Hampshire families; and

WHEREAS, Commissioner Toumpas spent considerable time working with the State Senate when it came to the biennial state operating budget, numerous bills, and changes made within the department; and

WHEREAS, he will be greatly missed by the members of the Senate with whom he worked.

Now, therefore, be it resolved that the New Hampshire Senate recognizes Nick Toumpas' dedication and service to our State, and extends its sincerest gratitude and best wishes for a happy and healthy retirement.

Signed by all 24 senators and attested to by the clerk of the Senate Tammy Wright, January 6<sup>th</sup>, 2016

## CONSENT CALENDAR

Senator Bradley moved that the Consent Calendar, with the relevant amendments as printed in the day's Calendar be adopted and that all such bills found Ought-to-Pass be ordered to Third Reading.

## COMMERCE

SB 18, prohibiting the use of PVC piping as a flue material for venting combustion gases. Interim Study, Vote 5-0. Senator Prescott for the committee.

Senate Bill 18 would prohibit using PVC piping as a flue material for venting combustion gases. The committee recommends Interim Study to allow for further work and consideration by the interested parties.

SB 128-FN, relative to pharmacy benefit managers paying claims. Interim Study, Vote 5-0. Senator Cataldo for the committee.

Senate Bill 128 would establish certain procedures for pharmacy benefit managers when paying claims. The committee received testimony that this bill needs additional work before passage, therefore the committee supports the motion of Interim Study.

SB 177, relative to tip pooling. Interim Study, Vote 5-0. Senator Bradley for the committee.

This bill would allow for tip pooling if it is approved by a vote of the tipped employees. The committee received an amendment that would allow tip pooling and tip sharing if it is approved by agreement of the tipped employees. While the stake holders have worked together on this language, there is still disagreement between the restaurant industry and the Department of Labor. The committee supports the motion of interim study to allow the possibility of a compromise.

## ENERGY AND NATURAL RESOURCES

SB 26-FN, relative to the electric renewable portfolio standard. Inexpedient to Legislate, Vote 5-0. Senator Bradley for the committee.

As introduced, this bill would require the public utilities commission to establish a low-income home weatherization program and to suspend funding for certain projects if price increases in default services exceed 25 percent. Although this bill would have been an effort to lower electric rates, the committee believes that given the change in status of the renewable energy fund, this bill should be deemed as Inexpedient to Legislate.

SB 260-FN, relative to the authority of the public utilities commission to regulate telecommunications service providers. Inexpedient to Legislate, Vote 5-0. Senator Bradley for the committee.

This bill would permit the public utilities commission to regulate certain incumbent local exchange carriers. With the approval of the prime sponsor, the committee believes that this bill is best deemed as Inexpedient to Legislate.

Senator Feltes asserts Rule 6-25 on SB 260-FN.

## PUBLIC AND MUNICIPAL AFFAIRS

SB 175, relative to the regulation of blighted property. Inexpedient to Legislate, Vote 5-0. Senator Birdsell for the committee.

This bill would have authorized municipalities to enact ordinances that address blighted property. The committee determined that it was unnecessary to change the current statute at this point in time.

HB 529, relative to party conventions. Inexpedient to Legislate, Vote 5-0. Senator Birdsell for the committee.

This bill would have eliminated certain meeting requirements for state conventions of political parties and allowed a party to fill a vacancy in the office of delegate to a state party convention as provided in its constitution or bylaws. The committee believes this bill is not appropriate to bring forward at this time.

HB 689, relative to adoption of a default budget. Interim Study, Vote 5-0. Senator Stiles for the committee.

This bill would have permitted political subdivisions to require the default budget to be placed on the ballot as a separate contingent warrant article if the operating budget is defeated and would have permitted a revised operating budget to be voted on if both the operating budget and the contingent default budget are defeated. The committee is aware that this issue is being discussed in other avenues in the Legislature and therefore, believes the bill should move to interim study at this time.

The question is on the adoption of the Consent Calendar. Adopted.

## REGULAR CALENDAR

## CAPITAL BUDGET

SB 206-FN-A, making a capital appropriation for a facility in Milford for a circuit court and a division of motor vehicles office. Inexpedient to Legislate, Vote 4-0. Senator Daniels for the committee.

The question is on the adoption of the motion of Inexpedient to Legislate. Adopted.

SB 224-FN-A, making a capital appropriation for the Valley Regional Hospital in Claremont to construct an involuntary commitment mental health facility. Inexpedient to Legislate, Vote 5-0. Senator D'Allesandro for the committee.

The question is on the adoption of the motion of Inexpedient to Legislate. Adopted.

## COMMERCE

SB 3-FN, relative to payment for reasonable value of services. Interim Study, Vote 4-0. Senator Bradley for the committee.

The question is on the adoption of motion of Interim Study. Adopted.

SB 158, relative to notice required prior to foreclosure. Inexpedient to Legislate, Vote 4-0. Senator Pierce for the committee.

The question is on the adoption of the motion of Inexpedient to Legislate. Adopted.

**Amendment to SB 25-FN**

Amend the title of the bill by replacing it with the following:

AN ACT relative to the administration of epinephrine.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Administration of Epinephrine. Amend RSA 126-A by inserting after section 68 the following new subdivision:

**Administration of Epinephrine****126-A:69 Definitions.**

I. "Administer" means the direct application of an epinephrine auto-injector to the body of an individual.

II. "Authorized entity" means any entity or organization in which allergens capable of causing anaphylaxis may be present, including recreation camps and day care facilities. Authorized entity shall not include an elementary or secondary school or a postsecondary educational institution eligible to establish policies and guidelines for the emergency administration of epinephrine under RSA 200-N.

III. "Epinephrine auto-injector" means a single-use device used for the automatic injection of a premeasured dose of epinephrine into the human body.

IV. "Health care practitioner" means a person who is lawfully entitled to prescribe, administer, dispense, or distribute controlled drugs.

V. "Provide" means to furnish one or more epinephrine auto-injectors to an individual.

**126-A:70 Administration of Epinephrine.**

I. A health care practitioner may prescribe epinephrine auto-injectors in the name of an authorized entity for use in accordance with this subdivision, and pharmacists and health care practitioners may dispense epinephrine auto-injectors pursuant to a prescription issued in the name of an authorized entity.

II. An authorized entity may acquire and maintain a supply of epinephrine auto-injectors pursuant to a prescription issued in accordance with this subdivision. Such epinephrine auto-injectors shall be stored in a location readily accessible in an emergency and in accordance with the instructions for use, and any additional requirements that may be established by the department of health and human services. An authorized entity shall designate employees or agents who have completed the training required by paragraph IV to be responsible for the storage, maintenance, control, and general oversight of epinephrine auto-injectors acquired by the authorized entity.

III. An employee or agent of an authorized entity, or other individual, who has completed the training required by paragraph IV may use epinephrine auto-injectors prescribed pursuant to this section to:

(a) Provide an epinephrine auto-injector to any individual who the employee agent or other individual believes in good faith is experiencing anaphylaxis, or the parent, guardian, or caregiver of such individual, for immediate administration, regardless of whether the individual has a prescription for an epinephrine auto-injector or has previously been diagnosed with an allergy.

(b) Administer an epinephrine auto-injector to any individual who the employee, agent, or other individual believes in good faith is experiencing anaphylaxis, regardless of whether the individual has a prescription for an epinephrine auto-injector or has previously been diagnosed with an allergy.

IV.(a) An employee, agent, or other individual described in paragraph III shall complete an anaphylaxis training program at least every 2 years, following completion of the initial anaphylaxis train-

ing program. Such training shall be conducted by a nationally-recognized organization experienced in training unlicensed persons in emergency health care treatment or an entity or individual approved by the department of health and human services. Training may be conducted online or in person and, at a minimum, shall cover:

- (1) How to recognize signs and symptoms of severe allergic reactions, including anaphylaxis;
- (2) Standards and procedures for the storage and administration of an epinephrine auto-injector; and
- (3) Emergency follow-up procedures.

(b) The entity or individual that conducts the training shall issue a certificate, on a form developed or approved by the department of health and human services, to each person who successfully completes the anaphylaxis training program.

V. No authorized entity that possesses and makes available epinephrine auto-injectors and its employees, agents, and other individuals, or health care practitioner that prescribes or dispenses epinephrine auto-injectors to an authorized entity, or pharmacist or health care practitioner that dispenses epinephrine auto-injectors to an authorized entity, or individual or entity that conducts the training described in paragraph IV, shall be liable for any injuries or related damages that result from any act or omission pursuant to this section, unless such injury or damage is the result of willful or wanton misconduct. The administration of an epinephrine auto-injector in accordance with this section shall not be considered to be the practice of medicine or any other profession that otherwise requires licensure. This section shall not be construed to eliminate, limit, or reduce any other immunity or defense that may be available under state law. An entity located in this state shall not be liable for any injuries or related damages that result from the provision or administration of an epinephrine auto-injector outside of this state if the entity would not have been liable for such injuries or related damages had the provision or administration occurred within this state, or is not liable for such injuries or related damages under the law of the state in which such provision or administration occurred.

VI. An authorized entity that possesses and makes available epinephrine auto-injectors shall submit to the department of health and human services, on a form developed by the department of health and human services, a report of each incident on the authorized entity's premises that involves the administration of an epinephrine auto injector pursuant to paragraph III. The department of health and human services shall annually publish a report on the department's website that summarizes and analyzes all reports submitted to it under this section.

2 New Section; Pupil Use of Epinephrine Auto-Injectors; Training. Amend RSA 200 by inserting after section 44 the following new section:

200:44-a Anaphylaxis Training Required.

I.(a) Designated assistive personnel shall complete an anaphylaxis training program prior to providing or administering an epinephrine auto-injector at least every 2 years following completion of the initial anaphylaxis training program. Such training shall be conducted based on resources provided by the National Association of School Nurses, the Food and Allergy Anaphylaxis Network, or the New Hampshire School Nurses Association. Training shall be conducted online or in person and, at a minimum, shall cover:

- (1) Techniques on how to recognize symptoms of severe allergic reactions, including anaphylaxis.
- (2) Standards and procedures for the storage and administration of an epinephrine auto-injector.
- (3) Emergency follow-up procedures.

(b) The school nurse conducting the anaphylaxis training shall maintain a list of individuals who have successfully completed the anaphylaxis training program.

II. Not later than January 1, 2017, the department of education, in consultation with the New Hampshire School Nurse Association, shall develop and make available to all schools guidelines for the management of students with life-threatening allergies. The guidelines shall include, but not be limited to implementation of the following by a school nurse: education and training for designated unlicensed assistive personnel on the management of students with life-threatening allergies, including training re-

lated to the administration of an epinephrine auto-injector; procedures for responding to life-threatening allergic reactions; the development of individualized health care plans and allergy action plans for every student with a known life-threatening allergy; and protocols to prevent exposure to allergens. Not later than September 1, 2017, each school district, under the direction of a school nurse, shall implement a plan based on the guidelines developed pursuant to this section for the management of students with life-threatening allergies enrolled in the schools under its jurisdiction, and make such plan available to the public.

3 Pupil Use of Epinephrine Auto-injectors. Amend RSA 200:45 to read as follows:

200:45 Immunity.

*I. No school district, member of a school board, or school district employee shall be liable in a suit for damages as a result of any act or omission related to a pupil's use of an epinephrine auto-injector **pursuant to RSA 200:43**, if the provisions of RSA 200:42 have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an epinephrine auto-injector by a pupil.*

*II. No school that possesses and makes available epinephrine auto-injectors, member of its school board, school nurse, school district employee, agents or volunteers, no health care practitioner that prescribes epinephrine auto-injectors to a school, and no person that conducts the training described in RSA 200:44-a shall be liable for damages as a result of the administration or self-administration of an epinephrine auto-injector, the failure to administer an epinephrine auto-injector, or any other act or omission related to the possession or use of an epinephrine auto-injector, unless the damages were caused by willful or wanton misconduct.*

*III. The administration of an epinephrine auto-injector by designated school personnel pursuant to the provisions of this subdivision shall not require licensure.*

*IV. This section shall not be construed to eliminate, limit, or reduce any other immunity or defense that may be available under state law.*

4 Effective Date. This act shall take effect 60 days after its passage.

## LATE SESSION

## LIST OF RULE 6-25'S FOR THE DAY

Senator Feltes: SB 260-FN.

## ANNOUNCEMENTS

President Morse welcomed Roger Amadon, the new Sergeant-at-Arms, to the Senate.

PRESIDENT MORSE: I'd like to take a moment to recognize and thank each and every one of you for your work with the Joint Task Force on the response to the heroin epidemic. All of the members of this task force were truly committed to finding the best and most effective ways to end this horrific drug problem in New Hampshire, and this was one of the hardest working groups I've ever seen. They worked for days on end listening to the more than 75 men and women who testified, who had either lost a loved one, was an addict in recovery themselves, or advocate for treatment, and even medical providers dealing with drug addiction.

I am proud of the progress that was made and for the work done by the Senate. The Senate led the way, building strong legislation that we should see on the governor's desk by the end of the month, and a number of other bills that are well on their way to being finalized in the next few weeks so we can continue to respond to this crisis through the responsible process we've put in place.

And in particular, I'm thankful for Senator Bradley's leadership throughout the process. The legislation proposed for expedited review, and as early bills, will have a dramatic effect on how we deal with this crisis and will help the state of New Hampshire, and those suffering with addiction living in our communities, find a path forward.

While we've said before, this crisis won't be solved overnight, I know we are on our way to curbing this crisis sooner than later. Thank you for all the hard work and dedication to your state. As we begin the new session I hope we all can continue to work together and build those relationships, and make our state a better place to live.

Without objection all personal privileges or unanimous consent (other remarks) shall be entered into the permanent *Journal of the Senate*. (Rule 2-16 and Rule 2-17)

## LATE SESSION

## Third Reading and Final Passage

SB 25-FN, (New Title) relative to the administration of epinephrine.

SB 66, (New Title) relative to the naming of areas of the state house complex.

HB 331, relative to absences among selectmen on election day.

HB 555, relative to participation of chartered public school students in school district co-curricular activities.

## MOTION TO RECESS TO CALL OF THE CHAIR

Senator Bradley moved that the business of the day being completed, that the Senate recess to the Call of the Chair for the purposes of introducing legislation, referring bills to committee, scheduling hearings, sending and receiving messages, and processing enrolled bill reports and amendments and when we recess, we recess to the Call of the Chair.

Adopted. The Senate is in recess to the Call of the Chair.
