May 19, 2016

The Senate reconvened at 10:00 a.m. a quorum being present.

The Reverend Jon Hopkins, chaplain to the Senate, offered the prayer.

Let's begin this morning with a moment of silence.

Dear God, who's mercy never ends, who's strength is always available, who's guidance shows the way, who's spirit provides a supernatural power, who's presence is our courage, who's joy transforms our gloom, who's peace calms our pressured hearts, who's light illumines our path, who's goodness provides the wondrous gifts of loved ones, family and friends, who's will has brought us to the awesome task of this senate today, and who's calling lifts us above party politics to put the good of our state and nation first. We make our earnest prayer that thou will bless our work and our work will bless the state of the New Hampshire and the United States. We pray that the hearts of our fellow citizens will cultivate a spirit of service and goodwill towards our government. And entertain affection and love for one another and for their fellow citizens. And finally, help us to be pleased to do justice, to love mercy and to demean ourselves with charity, humility and a peaceable temper of mind. Amen.

Thank you, Mister President for indulging.

SENATOR Bradley: Thank you very much. As we all know our friends from District 14 and District 23 as Senator Woodburn, our friend from District 1, just told me our friends from 14 and 24, do a great job with the food, but I always want to pay tribute to one of our aides who is just... She happens to be the Energy Committee Assistant, Katherine Bourque, who does a fantastic job of preparing the food for us in the back room, and if we have anything left she distributes it to all of our worthy staff. So, I think we should give Katherine a round of applause.

(The Chair recognized Senator Stiles.)

SENATOR Stiles: Thank you, Mister President. I would also like to add to that that Jen Horgan also works with her to do that. So, I would like to thank Jen as well.

SENATOR Morse: Senator Prescott, if you could join me up here. We have a resolution for Senator Prescott.

The New Hampshire Senate. A Resolution. Be it known that the New Hampshire Senate extends its congratulations to Senator Russell Prescott in recognition of: receiving four United States' Patents for devices used to treat radon and arsenic in residential water systems and protect drinking water in our homes.
