MOTION TO ADJOURN FROM LATE SESSION

Senator Bradley moved that the Senate adjourn from the Late Session.

Adopted. Adjournment from the Late Session.

SENATE JOURNAL 5

February 22, 2018

The Senate reconvened at 10:00 a.m., a quorum being present.

The Reverend Jon Hopkins, chaplain to the Senate, offered the following prayer:

Dear God, today we bring the needs of our government before you and ask you to bless our state through these leaders. We pray for the members of the Senate to find peace and direction; for these men and women to act and lead according to wisdom and justice; a house divided against itself cannot stand. Therefore, we pray for them to be unified in righteousness for the sake of our state. We stand here today and remember that we stand on the shoulders of all the other men and women who served in government before us. Remember today the prayer of President George Washington, "that thou wilt find the hearts of its citizens to cultivate a spirit of subordination and obedience to government, and entertain a brotherly affection and love for one another and for fellow citizens of the United States of America at large; and finally that thou will most graciously be pleased to dispose all of us to do justice, to love mercy, and demean ourselves with charity, humility and pacific temper of mind." Remember today the words of Abraham Lincoln, "With malice toward none, with charity for all, with firmness in the right as God gives us to see the right, let us finish the work we are in." Be with us today as we work to continue the work of our great state of New Hampshire that serves to bring about good for all of our citizens. Amen.

Senator Hennessey led the Pledge of Allegiance.

INTRODUCTION OF GUESTS

(The Chair recognized Senator Cavanaugh.)

SENATOR CAVANAUGH: Thank you, Mister President. Today we are honored to have the Manchester Central School's State Champions for the 2017 season. Congratulations! This team is led by Coach Peter Lally, who finished his 34th year as the head coach of the team. Congratulations! I have some interesting stats about this team: the regular season record of the team was 18 and 1; this team also came in and finished first in New England, and number six in the United States. Now all year there was only five goals scored on this team; that is impressive, as well. Through the playoffs they had to go through powerhouses in the state of New Hampshire. They beat Pinkerton Academy 2-0; they beat Concord 1-0; and in the final against Bedford it was a 0-0 tie in regulation, they went to an overtime period of 0-0, then to a shoot-out just like the women's hockey team last night. So they won 1-0 in overtime, and I'm glad you're here, and congratulations!

I'd just like to read the resolutions that you'll all get:

NEW HAMPSHIRE STATE SENATE

A RESOLUTION, be it known that the New Hampshire Senate extends its congratulations to Manchester Central High School in recognition of winning the 2017 Division I State Girls Soccer Championship; and

Be it further known that the New Hampshire Senate extends its best wishes and continued success.

Senator Kevin Cavanaugh and, who couldn't be here today because he is sick, is Senator Lou D'Allesandro and he extends his congratulations. Thank you.

PETER LALLY: Thank you, Senator Cavanaugh and Senator Morse. The girls that are up here are perfect examples of a student athlete; they are the best of the best. They are fabulous kids, they are excellent students, and they are pretty good soccer players. As the years go by the age gap gets broader and broader, but there isn't anyone I'd rather spend time with than these girls that are up here. So, thank you for having us. I appreciate it.

PRESIDENT MORSE: Thank you girls.

SOCCKER TEAM: Thank you!

PRESIDENT MORSE: Congratulations! Thank you, Senator Cavanaugh.

INTRODUCTION OF PAGES

Senator Bradley introduced Zoe Norton and Jessica Bakas from Moultonborough Academy, serving as Senate Pages for the day.

Without objection, the FN Report is adopted.

CONSENT CALENDAR REPORTS REMOVED

HEALTH AND HUMAN SERVICES

SB 484, by Senator Bradley

PUBLIC AND MUNICIPAL AFFAIRS

SB 512, by Senator Gray

CONSENT CALENDAR

Senator Bradley moved that the Consent Calendar, with the relevant amendments as printed in the day's Calendar be adopted and that all such bills found Ought-to-Pass be ordered to Third Reading.

COMMERCE

SB 424, relative to property and casualty insurance.

Ought to Pass, Vote 5-0. Senator Innis for the committee.

This bill makes certain changes in the laws relative to property and casualty insurance and was a request of the Insurance Department. The bill amends the Adjuster Licensing statute to clarify that fact-gatherers working for a licensed adjuster are exempted from the licensing requirement. It clarifies the Changes in Coverage statute to require that notice of any changes in coverage not requested by a policyholder be given at the time of renewal. The bill removes a requirement to report certain data to the department unless specifically requested. Lastly, the bill amends the statute regulating cancellation notices issued by commercial carriers to clarify that they are required to provide a 10-day notice only if that notice is being issued within 60 days of the policy's effective date.

EDUCATION

SB 524-FN, relative to head injury policies for the community college system of New Hampshire and the university system of New Hampshire.

Ought to Pass with Amendment, Vote 5-0. Senator Watters for the committee.

This bill requires the university system of New Hampshire and the community college system of New Hampshire to develop head injury policies for student-athletes. The committee amendment to the legislation eliminates the need for a fiscal note attached to this bill. This bill makes sure that students and coaches are aware of concussion risks and offers appropriate definitions, similar to what is already in statute for school sports. The bill also requires that guideline procedures and forms are developed by looking to the appropriate governing bodies for each group. Finally, this legislation ensures limitations from liability if proper procedures are followed.

Amendment to SB 524-FN

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; University System of New Hampshire; Head Injury Policies for Student-Athletes. Amend RSA 187-A by inserting after section 42 the following new subdivision:

Head Injury Policies for Student-Athletes

187-A:43 Definitions. As used in this subdivision:

I. "Head injury" means injuries to the scalp, skull, or brain caused by trauma, and shall include a concussion which is the most common type of sports-related brain injury.

II. "Health care provider" means a person who is licensed, certified, or otherwise statutorily authorized by the state to provide medical treatment and is trained in the evaluation and management of concussions.

III. "Institution property" means all real property, physical plant, and equipment used for institution purposes.

IV. "Student-athlete" means a student of the university system of New Hampshire who is involved in the institution's varsity athletic teams.

187-A:44 Head Injury Policies for Student-Athletes.

I. The athletic department of each institution in the university system of New Hampshire shall have guidelines, procedures, and other pertinent information and forms, developed in accordance with the National Collegiate Athletic Association or other national authority governing the institution's sports programs, to govern procedures for evaluation and treatment of concussion and head injury, including return to play and continuing evaluation, and to inform coaches and student-athletes of the nature and risk of concussion and head injury including continuing to play after concussion or head injury, and of chronic traumatic encephalopathy and other brain pathologies. On an annual basis, the athletic department of each institution shall distribute a concussion and head injury information sheet to all student-athletes.

II. At the beginning of a student-athlete's participation in a collision or contact sport, or a sport that requires the use of a helmet or the use of the head in contact with a ball, the institution shall provide the opportunity for neurocognitive testing.

187-A:45 Removal of a Student-Athlete.

I. An employee coach, official, licensed athletic trainer, or health care provider who suspects that a student-athlete has sustained a concussion or head injury in a practice or game shall follow the institutional policy and procedures for removal from play and practice.

II. Upon the removal of a student athlete from play or practice, a licensed athletic trainer or health care provider shall follow the institutional policy and procedures for evaluation, treatment, and return to play.

III. No person who authorizes a student-athlete to return to play shall be liable for civil damages resulting from any act or omission in the rendering of such care, other than acts or omissions constituting gross negligence or willful or wanton misconduct.

187-A:46 Further Dissemination of Concussion and Head Injury Information. The appropriate department of each institution in the university system of New Hampshire shall develop a centralized resource related to the nature, risk, and treatment of concussion and head injury for reference by students participating in non-varsity athletics sponsored and supervised by campus recreation or similar departments.

187-A:47 Limitation of Liability. An employee of a university system of New Hampshire institution, or volunteer or employee of a company under contract to such institution, shall be immune from civil liability for good faith conduct arising from or pertaining to the injury or death of a student-athlete or a participant in any non-varsity athletics sponsored and supervised by campus recreation or similar departments, provided the action or inaction was in compliance with this subdivision and the institution's policies relative to the management of concussions and head injuries. The institutions may provide concussion guidelines to other organizations sponsoring athletic activities on institution property, however the institution shall not be required to enforce compliance with such guidelines.

2 New Subdivision; Community College System of New Hampshire; Head Injury Policies for Student-Athletes. Amend RSA 188-F by inserting after section 67 the following new subdivision:

Head Injury Policies for Student-Athletes

188-F:68 Definitions. As used in this subdivision:

I. "Head injury" means injuries to the scalp, skull, or brain caused by trauma, and shall include a concussion which is the most common type of sports-related brain injury.

II. "Health care provider" means a person who is licensed, certified, or otherwise statutorily authorized by the state to provide medical treatment and is trained in the evaluation and management of concussions.

III. "Institution property" means all real property, physical plant, and equipment used for institution purposes.

IV. "Student-athlete" means a student of the community college system of New Hampshire who is involved in the institution's varsity athletic teams.

188-F:69 Head Injury Policies for Student-Athletes.

I. The athletic department of each institution in the community college system of New Hampshire shall have guidelines, procedures, and other pertinent information and forms, developed in accordance with the National Collegiate Athletic Association or other national authority governing the institution's sports programs, to govern procedures for evaluation and treatment of concussion and head injury, including return to play and continuing evaluation, and to inform coaches and student-athletes of the nature and risk of concussion and head injury including continuing to play after concussion or head injury, and of chronic traumatic encephalopathy and other brain pathologies. On an annual basis, the athletic department of each institution shall distribute a concussion and head injury information sheet to all student-athletes.

II. At the beginning of a student-athlete's participation in a collision or contact sport, or a sport that requires the use of a helmet or the use of the head in contact with a ball, the institution shall provide the opportunity for neurocognitive testing.

188-F:70 Removal of a Student-Athlete.

I. An employee coach, official, licensed athletic trainer, or health care provider who suspects that a student-athlete has sustained a concussion or head injury in a practice or game shall follow the institutional policy and procedures for removal from play and practice.

II. Upon the removal of a student athlete from play or practice, a licensed athletic trainer or health care provider shall follow the institutional policy and procedures for evaluation, treatment, and return to play.

III. No person who authorizes a student-athlete to return to play shall be liable for civil damages resulting from any act or omission in the rendering of such care, other than acts or omissions constituting gross negligence or willful or wanton misconduct.

188-F:71 Further Dissemination of Concussion and Head Injury Information. The appropriate department of each institution in the community college system of New Hampshire shall develop a centralized resource related to the nature, risk, and treatment of concussion and head injury for reference by students participating in non-varsity athletics sponsored and supervised by campus recreation or similar departments.

188-F:72 Limitation of Liability. An employee of a community college system of New Hampshire institution, or volunteer or employee of a company under contract to such institution, shall be immune from civil liability for good faith conduct arising from or pertaining to the injury or death of a student-athlete or a participant in any non-varsity athletics sponsored and supervised by campus recreation or similar departments, provided the action or inaction was in compliance with this subdivision and the institution's policies relative to the management of concussions and head injuries. The institutions may provide concussion guidelines to other organizations sponsoring athletic activities on institution property, however the institution shall not be required to enforce compliance with such guidelines.

3 Effective Date. This act shall take effect 60 days after its passage.

ENERGY AND NATURAL RESOURCES

SB 368, establishing an exemption from shoreland protection permitting requirements for maintenance and repairs of existing roads and for borings and test wells.

Ought to Pass with Amendment, Vote 5-0. Senator Bradley for the committee.

This bill establishes an exemption for the Department of Transportation from shoreland protection permitting requirements for maintenance and repairs of existing roads and for borings and test wells. This bill is a request of the Department of Transportation. The amendment clarifies that the commissioner of Department of Environmental Services may enter into a memorandum of agreement with the commissioner of Department of Transportation, providing that the Department of Transportation has incorporated appropriate protective practices in its projects that are equivalent to the requirements set by the Department of Environmental Services.

08/06

Amendment to SB 368

Amend RSA 483-B:5-b, IX as inserted by section 1 of the bill by replacing it with the following:

IX. The commissioner of the department of environmental services may enter into a memorandum of agreement with the commissioner of the department of transportation for the construction of new roads, and the maintenance of existing roads, not covered by paragraph VII, provided that the department of transportation has incorporated appropriate protective practices in its projects which are substantially equivalent to the requirements established by the department of environmental services under this chapter.

HEALTH AND HUMAN SERVICES

SB 479, relative to the oversight commission on children's services.

Ought to Pass with Amendment, Vote 5-0. Senator Avarad for the committee.

This bill would change the reporting requirements for the newly created Office of the Child Advocate. The changes would require the office to file its annual report with the children's services oversight committee that is tasked with monitoring children's services in the state. The amendment makes the Committee to review Child Abuse Fatalities a permanent committee. This committee has been instrumental in pushing many of the reforms at DCYF and it is important that they are able to continue to do their work.

05/04

Amendment to SB 479

Amend the title of the bill by replacing it with the following:

AN ACT relative to the oversight commission on children's services and relative to the commission to review child abuse fatalities.

Amend the bill by replacing all after section 2 with the following:

3 Commission to Review Child Abuse Fatalities; Reporting Requirement. RSA 169-C:39-k, V is repealed and reenacted to read as follows:

V. On or before November 1, 2018, and each November 1 thereafter, the commission shall submit an annual report of its findings and any recommendations for proposed legislation to the president of the senate, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library.

4 Repeal. The following are repealed:

I. RSA 170-G:19, V, relative to the reporting requirement of the commission on children's services.

II. 2015; 127:5, relative to the prospective repeal of the commission to review child abuse fatalities.

5 Effective Date. This act shall take effect upon its passage.

2018-0661s

AMENDED ANALYSIS

This bill:

I. Requires the office of the child advocate to submit its annual report to the oversight commission on children's services, clarifies the duties of the commission, and repeals the commission's reporting requirement.

II. Makes the commission to review child abuse fatalities permanent and establishes an annual reporting requirement.

SB 480, limiting the use of electroconvulsive therapy.

Inexpedient to Legislate, Vote 5-0. Senator Bradley for the committee.

This bill would have created a prohibition on Electroconvulsive therapy (ECT) for minors under 16 years of age and it would have limited its use in other circumstances as well. After more review and study of testimony the committee determined that ECT is a therapy that often has a lot of success in treating patients with severe mental health diseases. The committee was satisfied that there are enough safeguards in place to protect patients making this bill no longer necessary.

SB 485, establishing a committee to study the relationship between concierge medicine and the Affordable Care Act. Ought to Pass with Amendment, Vote 5-0. Senator Avard for the committee.

This bill established a commission to study the relationship between concierge medicine and the Affordable Care Act. In times of turbulent and rising healthcare costs it is important to make sure that consumers are informed of what services are available to them. Concierge services are become more popular and it is important to know how they fit in New Hampshire and Federal Insurance law.

Amendment to SB 485

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the relationship between concierge medicine and New Hampshire and federal health insurance law.

Amend subparagraph I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) One member of the senate, appointed by the president of the senate.

Amend paragraph I as inserted by section 3 of the bill by replacing it with the following:

I. The committee's study shall include, but not be limited to, studying the issue of concierge medicine and whether it is permitted under New Hampshire and federal health insurance law. The committee shall also examine whether the costs of concierge medicine may be applied to the deductible required under New Hampshire and federal health insurance law.

2018-0664s

AMENDED ANALYSIS

This bill establishes a committee to study concierge medicine in relation to New Hampshire and federal health insurance law.

SB 547, relative to unused prescription drugs.
Interim Study, Vote 5-0. Senator Gray for the committee.

This bill would have required that all towns create a place for residents to dispose of unused prescription drugs. The committee received information that the number of towns voluntarily providing this service is rapidly increasing and that requiring this of municipalities could be considered an unfunded mandate. The committee also received information about other very cost effective methods of safe disposal of unused medications that would not place a large financial burden on the towns.

SB 591-FN, relative to accreditation of health care providers by pharmacy benefit managers.
Ought to Pass with Amendment, Vote 5-0. Senator Bradley for the committee.

This bill would prohibit pharmacy benefit managers from requiring accreditation of providers. This is currently in the law with a sunset of this summer. This bill extends the sunset for another two years to hopefully allow time for all of the parties to reach a compromise. This bill is a compromise of the PBM industry and the NH Independent Pharmacies.

01/03

Amendment to SB 591-FN

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Managed Care Law; Provider Contracts; Pharmacy Benefit Managers. Amend RSA 420-J:8, XV by inserting after subparagraph (c) the following new subparagraph:

(d) A pharmacy benefit manager shall not require accreditation of providers other than requirements set forth by the New Hampshire pharmacy board or other state or federal entity.

2 Repeal. RSA 420-J:8, XV(d), relative to prohibiting pharmacy benefit managers to require providers to obtain certain accreditation, is repealed.

3 Effective Date.

I. Section 2 of this act shall take effect June 30, 2020.

II. The remainder of this act shall take effect upon its passage.

2018-0653s

AMENDED ANALYSIS

This bill prohibits certain practices of pharmacy benefit managers except under certain circumstances until June 30, 2020.

JUDICIARY

SB 389, relative to administrative fees on restitution.

Ought to Pass, Vote 5-0. Senator Hennessey for the committee.

This bill provides that defendants shall only pay an administrative fee on a restitution payment when that payment is collected by the Department of Corrections, Division of Field Services. When restitution is paid almost immediately at the court without any processing efforts by the Department of Corrections there is no need for a processing fee to be assessed. Currently, the Supreme Court has been waiving this fee in these scenarios, and the bill will simply codify this appropriate practice.

SB 493, establishing a committee to study the codification of the exculpatory evidence schedule and related law enforcement protocols.

Ought to Pass, Vote 5-0. Senator Carson for the committee.

This bill establishes a committee to study whether or not to codify in statute the Exculpatory Evidence Schedule (EES), formerly known as the "Laurie list," and the related law enforcement protocols established by the Attorney General in a law enforcement memorandum dated March 21, 2017. The establishment of this committee will allow House and Senate members the opportunity to come together and find common ground on this important issue.

SB 494, relative to access to child abuse or neglect information by certain legislative committees.

Inexpedient to Legislate, Vote 5-0. Senator French for the committee.

This bill would permit the Senate and House Judiciary Committees to review the confidential records of child protection cases and would permit any party or attorney to an abuse or neglect case to testify before the Legislature regarding the case. Although this is a very well written piece of legislation, the Committee believes that due to the recent creation of the Office of Child Advocate and the fact that individuals already have the ability to share their confidential records with legislators that it is not appropriate for this legislation to move forward at this time.

SB 495, relative to certain court orders in a divorce/custody matter.

Inexpedient to Legislate, Vote 5-0. Senator Hennessey for the committee.

This bill would limit the court's authority to order that a child be vaccinated over the objection of one of the parents. The Committee found that this issue should continue to be handled by the courts and therefore, believes this legislation should not move forward.

PUBLIC AND MUNICIPAL AFFAIRS

SB 341, allowing municipalities to adopt a property tax exemption for certain disabled veterans.

Ought to Pass with Amendment, Vote 5-0. Senator Gray for the committee.

This bill as amended raises the optional property tax credit for certain totally and permanently disabled veterans from a maximum of \$2,000 to a maximum of \$4,000.

Amendment to SB 514-FN

Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission to create a New Hampshire recovery memorial.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; New Hampshire Recovery Memorial Commission. Amend RSA 4 by inserting after section 9-m the following new subdivision:

New Hampshire Recovery Memorial Commission

4:9-n Commission Established; Special Account.

I. A commission is established to oversee the location, design, construction, and maintenance of a New Hampshire recovery memorial and to privately raise and expend all the funds necessary for its construction and maintenance. The governor is authorized to accept for the commission, in the name of the state, the gifts of money, which are donated to construct and maintain the memorial. Notwithstanding any other provision of law, the commission may accept donated in-kind services, goods, and materials for the construction and maintenance of the memorial without governor and council approval.

II. The gifts of money, which are donated to contract, construct, and maintain the memorial, shall be placed in a special nonlapsing account in the state treasury, to be expended for the purposes of the New Hampshire recovery memorial. Any money remaining in the special account after construction of the memorial is completed shall be used for the care, maintenance, repair, additions to the memorial. Any funds left in the special account after annual care, maintenance, and repair of the memorial shall be deposited in the alcohol abuse prevention treatment fund under RSA 176-A:1. Notwithstanding any other provision of law, the commission may expend the money raised or accepted as a gift without the approval of governor and council, to contract for the construction and perpetual maintenance of the memorial.

III. The commission shall remain in existence upon the completion of the memorial for the purpose of overseeing maintenance and approving any change to the memorial, as well as approving memorial activities, celebrations, and commemorations associated with recovery and deemed appropriate for occurrence at the memorial site, as permitted by the municipal rules where the memorial is located.

4:9-o Commission Membership and Duties. The members of the commission established in RSA 4:9-n shall be as follows:

- (a) One senator, appointed by the president of the senate.
- (b) Two representatives, appointed by the speaker of the house of representatives.
- (c) Two directors of recovery organizations, appointed by the governor.
- (d) Two persons in recovery, appointed by the governor.
- (e) Two family members of persons lost to substance use disorder, appointed by the governor.
- (f) The chairperson of the recovery task force of the governor's commission on alcohol and drug abuse, prevention, treatment, and recovery, or designee.
- (g) The president of New Futures, or designee.
- (h) The director of National Alliance for Mental Illness, New Hampshire (NAMI-NH), or designee.
- (i) The commissioner of the department of health and human services, or designee.

II. Legislative members of the commission shall receive mileage at the legislative rate while attending to the duties of the commission. The members of the commission shall elect a chairperson from among the members. The first named house member shall call the first meeting of the commission. Seven members of the commission shall constitute a quorum.

III. The commission shall select the location and design for the New Hampshire recovery memorial and oversee the construction and maintenance of the memorial.

IV. The commission shall privately raise all the money necessary for the planning, design, construction, and maintenance of the New Hampshire recovery memorial.

2 New Subparagraph; New Hampshire Recovery Memorial Fund. Amend RSA 6:12, I(b) by inserting after subparagraph 339 the following new subparagraph:

(340) Moneys deposited into the New Hampshire recovery memorial special account established in RSA 4:9-n.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a commission to create a New Hampshire recovery memorial.

TRANSPORTATION

SB 398, relative to information contained in certain motor vehicle records.

Ought to Pass, Vote 5-0. Senator Watters for the committee.

This bill allows access to records of motor vehicle accidents by authorized legal representatives. Last session, this statute was amended extensively to guarantee that certain individuals were able to get information from police departments concerning accidents. After learning that some local police departments did not interpret the statute the way that it was intended, this legislation seeks to further clarify this language.

SB 515, relative to commemorative license plates.

Ought to Pass, Vote 5-0. Senator Ward for the committee.

This bill adds the sestercentennial, the celebration of 250 years, to the town and city anniversaries eligible for commemorate license plates.

SB 518, relative to agency reports of real property owned or leased by the department.

Ought to Pass, Vote 5-0. Senator Watters for the committee.

At the request of the Department of Transportation, this bill exempts the DOT from the requirement to make a report identifying all real property owned or leased by the agency. The Department has their own database where it monitors these properties already. Because of this, they believe that these reports are a duplication of efforts.

SB 519, relative to the purchase of property for the construction of roads.
Ought to Pass with Amendment, Vote 5-0. Senator Watters for the committee.

This bill permits the commissioner of transportation to purchase land if a commission determines that there is occasion for laying out of a highway. The committee amended the bill to add the governor to those who may determine that there is occasion for the laying out of a highway. This legislation serves as an important clarification to a bill that contained vague language last session.

Amendment to SB 519

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 4:

2 Layout of State Highways. Amend the introductory paragraph of RSA 230:13, II to read as follows:

II. The ~~[commission]~~ **commissioner** may acquire ~~[such]~~ **private or public** property **and property rights** as ~~[it]~~ **he or she** determines reasonably necessary to:

3 Limited Access Highways; Occasion for Layout. Amend RSA 230:45 to read as follows:

230:45 Occasion for Layout; Layout. The governor, with the advice of the council, on the governor's own motion or a special committee of 3 persons appointed by the governor and council for the purpose, may determine, upon hearing, whether there is occasion for the laying out or alteration of a limited access facility including service roads as proposed by the commissioner of transportation; and, if so, the commissioner may purchase land or other property as proposed and shall lay out the remainder of such facility, service roads, or alteration thereof. The ~~[commission appointed by the governor and council to lay out any limited access facility]~~ **commissioner** may acquire private or public property and property rights for such facility and service roads, including rights of access, air, view, and light, by gift, devise, purchase, or condemnation in the same manner as provided for acquiring property for class I highways. Property rights acquired under the provisions of this section may be in fee simple or in the form of easements, including property acquired by condemnation proceedings. The commissioner, in his or her discretion, may acquire an entire lot, block, or tract of land if, by so doing, the interests of the public will be best served even though the entire lot, block, or tract is not immediately needed for the right-of-way proper. The commissioner of transportation, with the approval of the governor and council, may sell, convey, transfer, or lease any surplus property, real or personal, at public or private sale.

21-L:12-c New Hampshire State Rail Trails Plan. The department of transportation, in cooperation with the department of natural and cultural resources, and in consultation with the regional planning commissions, shall update the New Hampshire state trails plan dated 2005 by June 30, 2020 and every 10 years thereafter, to include an up-to-date analysis of trail use. The updated plan shall be entitled the New Hampshire state rail trails plan. In updating the plan, the departments shall:

I. Hire a qualified consulting firm to complete and disseminate the plan.

II. Include a statewide economic-impact analysis on the value of rail trails.

III. Consider maintenance and cost of maintenance for rail trails, including responsibility of the state for the underlying structural integrity of abandoned rail corridors, while permitting trail organizations and towns to perform routine maintenance of trail surfaces and other amenities.

IV. Establish a tier system for prioritizing state investments in rail trail projects, based on criteria such as geography, connectivity to other rail trails, proximity to population centers and natural attractions, statewide and national significance, and other criteria as deemed appropriate. Develop recommendations for a state funding mechanism to support rail trail projects and the management structure of said fund.

V. Develop a template trail management agreement outlining responsibilities of state, local, and private organizations involved with management of state-owned rail trails.

VI. Compile and maintain a list of rail trail organizations and the areas of the state each serves.

VII. Identify best practices for acquiring insurance for volunteer rail trail management groups.

VIII. Document commitment by the state that it supports the development of rail trails for their transportation, recreation, tourism, and other economic value.

IX. Consider encroachment by abutting property owners and how to ensure the integrity of publicly owned rail trail corridors. This may include reestablishing property lines with abutting private property owners.

X. Establish a state rail trail plan advisory committee including but not limited to:

- (a) The commissioner of the department of transportation, or designee.
- (b) The commissioner of the department of natural and cultural resources, or designee.
- (c) The commissioner of the department of business and economic affairs, or designee.
- (d) Two representatives from the regional planning commissions, appointed by the governor.
- (e) Two members of the state legislature, appointed by the president of the senate.
- (f) Two representatives of regional chambers of commerce or trail related businesses, appointed by the governor.
- (g) One representative from the division of state parks statewide trails advisory committee, appointed by the committee.
- (h) One representative from the department of transportation complete streets advisory committee, appointed by the committee.
- (i) One representative from statewide or regional bicycling or walking organizations, appointed by the governor.
- (j) One representative from equestrian organizations, appointed by the governor.
- (k) One representative of OHRV clubs, appointed by the governor.
- (l) One representative of the New Hampshire Snowmobile Association, appointed by the association.

XI. Hold a minimum of 3 public hearings, each in a different area of the state, to solicit public comment to shape the plan and make the final plan available on the department of transportation website.

XII. Provide a pamphlet at state information centers regarding the state trails plan.
