Sen. Morse statement on HB 653

Says Gov. Lynch needs to take lead on \$35M Medicaid issue

(Concord) Sen. Chuck Morse, chairman of the Senate Finance Committee, released the following statement today concerning HB653:

“Members of the senate have been meeting with Commissioner Toumpas throughout the summer. During these discussions, we have all agreed that the Executive Branch needs to solve this problem. I believe we are headed that way. If the \$35 million does need to be repaid, Governor Lynch needs to take the lead and suggest what cuts should be made and for how much. We have invited him to the Fiscal Committee this Friday and look forward to hearing from him.”
