Statement by Sen. Nancy Stiles on the death of Chief Michael Maloney

CONCORD - Sen. Nancy Stiles, who represents Greenland, released the following statement today regarding the death of Police Chief Michael Maloney:

"I am saddened by last night's news regarding the passing of Chief Michael Maloney in the line of duty. He made the ultimate sacrifice in the service of the people he protected, and his death is yet another reminder of how valuable our law enforcement community is. I had the pleasure of getting to know and work with Chief Maloney, who was a great leader and role model in Greenland. He was an integral part of the community and I found that his door was always open. He will be missed greatly. Please keep him, his family, his friends, and the people of Greenland in your thoughts and prayers over the next few days".

"In addition, please keep Officers Gregory Turner, Eric Kulberg, Scott Kukesh, and Jeremiah Murphy - who were injured in the line of duty - in your thoughts; as well as our entire law enforcement community in New Hampshire, who protect us every day."
