## **Senate to return to Session on Sept. 3<sup>rd</sup>**

CONCORD – Senate President Peter Bragdon announced today that he will call the Senate back into Session on Tuesday, Sept. 3<sup>rd</sup> at 10:00am in order for him to officially step down from his position and to give members the opportunity to elect a new president.

### ***Media Notes:***

*September 3<sup>rd</sup> will be a regular session day, **not** a special session. This is due to the fact the Senate recessed to the “call of the chair” on June 26<sup>th</sup>, meaning no special session is required to call members back.*

*Only a simple majority is required to elect a new Senate President.*
