### **Senate to increase distribution share from Rooms and Meals to Cities and Towns**

**Concord, NH** – The Senate today agreed to increase the amount of rooms and meals revenue cities and towns in the state of New Hampshire will receive by \$5 million in FY 2017.

“The amount budgeted to towns from the Rooms and Meals tax revenue had been frozen for several years. Today, the Senate was able to increase funding to New Hampshire’s cities and towns by \$5 million in FY 2017. This increase will help support initiatives in local budgets and restore the intent of Rooms and Meals revenue,” said Senate Finance Vice-Chair Jerry Little (R-Weare).
