Senate President Morse statement on nomination of Jerry Little for NH Banking Commissioner

Concord, NH - Senate President Chuck Morse (R-Salem) issued the following statement on Senator Gerald 'Jerry' Little's (R-Weare) nomination to the position of Banking Commissioner by Governor Hassan.

"Jerry Little has been an incredible asset to the New Hampshire Senate, bringing an invaluable perspective, a dedicated work ethic and expert knowledge on critical legislation, including the State's operating budget. Senator Little has served his constituents well and always took the time to ask the tough questions on either side of any issue. The attributes that have made him a successful Senator will undoubtedly serve him well as he is considered for Banking Commissioner."

"Jerry's background and experience make him uniquely poised to serve as Banking Commissioner for the State of New Hampshire. Although his absence would leave big shoes to fill in the Senate, I fully support the Governor's nomination of Senator Jerry Little for Banking Commissioner and I look forward to the Executive Council's approval of his nomination."
