Morse applauds Governor's removal of toll increases from Council agenda

Concord, NH – Senate President Chuck Morse (R-Salem) issued the following statement:

"I thank Governor Sununu and the Executive Council for adding more public debate on the last minute idea of increasing tolls and for protecting working families in New Hampshire by removing the proposal for toll increases from the agenda."

"I look forward to the House and Senate debate on the 10 Year Highway Plan this spring which will allow us an opportunity to prioritize and assess our state's infrastructure and any necessary repairs moving forward."
