Daniels proud to sponsor bill for no-cost Purple Heart Veteran license plates

Concord, NH – Today, Senator Gary Daniels (R-Milford) issued the following statement after SB 204, allowing Veteran Purple Heart recipients to receive a special license plate free of charge was recommended ought to pass by the Senate Transportation Committee.

“For those men and women who served in our Nation’s Armed Forces, who have made considerable sacrifices for the protection of our freedoms, it is a small token of our gratitude and frankly, common sense, to allow Purple Heart Veterans to receive a purple heart license plate free of charge that identifies and honors their bravery and heroic contributions to the United States, just as is done when disabled veterans license plates are issued.”

“I am proud to sponsor this bill because I believe our veterans deserve the greatest respect and honor for their service to our state and our nation.”
