### **Innis pleased by inclusion of Hampton courthouse funding in Capital Budget**

Concord, NH -- Senator Dan Innis (R-New Castle) issued the following statement on HB 25, the Capital Budget which includes funding for a new circuit courthouse in Hampton, NH:

"I am pleased that the Capital Budget, HB 25, included funding for the new Hampton Circuit courthouse. There are innumerable priorities facing each of our communities, but I must commend the continued support for maintaining the greatly-needed Hampton courthouse project as a top priority this year."

"The temporary Seabrook courthouse is woefully inadequate and it is time we establish a permanent home for the court that will meet the needs of our citizens and be a welcome asset to our whole community."
